

**ASHBURN ELEMENTARY SCHOOL STUDENT SUPPLY LIST**  
**2011 - 2012**

Below you will find a list of school supplies that will help your child be ready to start school on August 29, 2011. This is a generic grade level list - each teacher may request additional materials when school begins. The children should come to school, on the first day, with these supplies. Please mark all of your children's supplies with permanent marker. All teachers have stressed the importance of each student having a back-pack or book bag to carry needed supplies to and from school. Additionally, **no** student should bring a **trapper keeper** or other items that will not fit in the desk; there is just not enough room to store large items in the classrooms
