

# Speed Sort

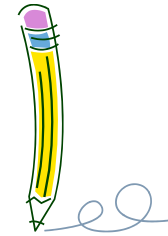

1. Get your word sort and a timer.
2. Lay out your header cards (feature and guide word).
3. Start the timer.
4. Begin to sort the words.
5. Stop the timer.
6. Record your time.
7. Repeat steps 3-6 two more times.

# Buddy Sort

1. Get your word sort and a buddy.
2. Lay out your header cards (feature and guide word).
3. The buddy calls out the words from the sort without showing it, while you point to the header cards it would follow.

# Writing Sort

1. Get your word sort, paper and a buddy.
2. Create columns on your paper.
3. Write each feature and guide word from your sort at the top of the columns on your paper.
4. The buddy calls out a word from the sort without showing it, while you write it under the header cards it would follow.
