A Charter and Bylaws for
The Loudoun Education Alliance of Families (LEAF)
A parent advisory group to the Loudoun County School Board

Background: As the primary provider of education in Loudoun County, LCPS seeks to connect and engage with parents outside of their individual student’s experience. The School Board seeks to ensure parental concerns are heard and considered as a regular part of policy making. Community feedback helps to ensure decision-making, and actions taken by the Board are in the best interests of our students and the community.

Article I – Name
The name of this body shall be the Loudoun Education Alliance of Families for Loudoun County Public Schools (“the Alliance” or “LEAF”).

Article II – Purpose
The Loudoun Education Alliance of Families will be an advisory group voice for parents to elevate educational concerns and provide feedback to the board on current or proposed policies or issues facing the School Board.

Responsibilities and goals of LEAF are as follows:

- To be a voice for parents from their school communities providing valuable parental perspective to the School Board.
- To communicate School Board questions, recommendations, or decisions back to their communities.
- To serve as an advisory body, bringing to the School Board’s attention existing or emerging issues expressed by parents in their school community.
- To help develop and shape recommendations on improving student experience in schools.

Parents, guardians and primary caregivers of children attending Loudoun County Public Schools are invited to serve on the Alliance for LCPS for a term of one year in duration. LEAF will meet monthly during the school year to advise the School Board and serve as liaisons to their communities.

Parents have a unique understanding of their children’s experiences and can offer insights about proposed policies, strategies and educational needs. Members of LEAF will share School Board information back to their respective communities, becoming a two-way conduit for information, helping improve student experience.
Article III – Membership

Total Members: Membership of LEAF shall be aligned to provide an equal voice to each of the members of the Loudoun County Public Schools community, with one member nominated by each PTA, PTO, PTSO or other parent organization. Nominations for board approval will come from the following sources:

- Each school, led by the school’s PTA/PTO/PTSA or other such parent organization, shall nominate one parent for submission as a primary Alliance member and another to serve as alternate. The nominations will be forwarded to the School Board for consideration. Schools represented include the Academies, William O. Robey High School, and The North Star School.

Member selection process:

1. Volunteers who wish to serve may reach out to their school to submit their name for consideration. They may submit directly to the school organization. If the school organization does not exist, then the school Principal may provide nominations.
2. All nominees will be placed on nomination list for a General School Board meeting, first as in information item, and then for approval at the next general meeting. The School Board may approve all nominees or may, at its sole discretion, reject a nominee. All School Board discussion of nominees shall comply with open meetings laws.
3. For the first year, nominations will be required to be forwarded to the Board Chair and Liaison prior to April 20th for inclusion in the April 26th Board Meeting Information Agenda.
4. Out of cycle nominations and approvals are permitted to fill or replace membership.
5. Annually, nominations shall be submitted by each school to the Alliance, which will consolidate the list and submit to the School Board for information prior to the first General School Board meeting in May.
