What should I consider when picking an ad size?

The more space you purchase, the larger your photos will run and the more photos you can include in your selected template. The amount of text that will fit is also determined by the ad size purchased. Available ads range from 1/16th page to a full page.

What should I consider when selecting my photos and written message?

Please make sure photos depict appropriate attire and content. COPYRIGHTED/PROFESSIONAL photos will NOT be accepted because of copyright restrictions. **You'll need JPG, TIF or PNG files** when uploading your ad material.

How do I order and design my ad?

You will submit your pictures and text, as well as pay for your senior ad online at yearbookforever.com. Select your ad size, upload your pictures, add your personalized message, and pay online. Once the materials are received, the yearbook staff will design the ad for you. You will receive a PROOF from the yearbook staff to ensure the ad's accuracy once the yearbook staff has completed the ad.
