

WELCOME TO OUR W.E.S. ART PROGRAM!

We have two K- 5 art teachers here at Waxpool, Ms. Mortreux and Mrs. O'Neal. Every class is 50 minutes, once a week. We are excited to be working with your children this year, creating a lot of fun projects, learning new skills and learning about art history and aesthetics. Our instruction is based on the VA SOLS and LCPS curriculum. Please feel free to reach out via email if you have any questions or would like to volunteer. Click on our individual pages for more information.
