

## Our Mission

---

Woodgrove High School is a safe, supportive, connected, and inclusive community of students, staff, and families that values each person's individuality.

We empower students through academic and co-curricular opportunities to become critical thinkers, independent adults, and socially-responsible citizens of our county, our country, and the larger world.

We prepare students to be successful in a complex, diverse, and rapidly-changing world guided by our vision:

- Work** with integrity,
- Honor** ourselves and others, and
- Strive** for success.
