Welcome back Woodgrove Wolverines!

For the first time in nearly a year-and-a-half, we all will be back together at Woodgrove High School!

Our goal for the first two days of the year is to reestablish and strengthen our school community through our connectedness with each other. Our first two days will be interactive. Through engaging activities, we will spend our time together learning (and relearning) what Woodgrove High School values, and who we are as a team and school community.

We will meet our eight classes, our teachers, and our fellow students. We will make new connections with one another during casual time and in our class meetings. We will explore our campus and see what extracurricular opportunities are available. We will get to know each other through a variety of activities. And we will end Friday with a spirited community tailgate party and our first home football game.

Together we all will help reestablish and determine what Woodgrove High School is as we move forward together.
