Meeting Minutes

Welcome & Introductions

- Acknowledge school board, parent delegates & alternates, parents, teachers, staff, administrators, and students
- Introduce Executive Board for 2017/2018

Getting Ahead: Access, Awareness, Alliance

- Wendy talks about this year’s goal by coming together as a community to gather resources to be shared that will further engage students at school and home by getting involved with recreational activities, after school programs, etc.

Ice Breaker Activity:

Introduce yourselves and discuss with your cluster the multitude of recreational activities, after school programs, internships, etc and explain what that resource has done for the child’s confidence, academics, social skills etc.
MSAAC Committees and Volunteering

- Membership Committee, Howard Sapp explained the difference between delegate and membership status
  - Requested more members to volunteer for membership opportunities because as a community we all can get involved
- Communications Committee, Susan Hayden explained what types of social media MSAAC has and the importance of staying on top of social media to get the word out
  - Requested more members to volunteer for communication opportunities to help maintain the social media tools and collaborating all social medias
- Symposium Committee, Natalia Beardslee expressed the success of last year’s symposium events’ success and future planning for this years symposium
  - Requested more members to volunteer to assist in the planning of the upcoming symposium in April 2018
- Outreach Committee, Wendy Caudle Hodge strongly expressed this new committee that will allow members to work together to attend MSAAC events, attend school PTA/PTO meetings to talk about MSAAC’s mission
  - Requested more members to join the outreach committee and therefore will receive training and kit on what is expected for each member upon going out to future events that will make sure the message and mission is consistent
