

US History 6 Badge Quest

2022-2023

Directions: You may work on badges during free time in history class, Resource, or at home. When you complete a badge, go to the Badge folder in Schoology to complete the Google form. This is also where you will upload your badge product. Try to complete at least one badge per unit. **Badges are optional but highly encouraged.**

Quarter Achievement Levels

Bronze: Earn one badge in a quarter

Silver: Earn 2 badges in a quarter

Gold: Earn 3 badges in a quarter

Platinum: Earn 4 or more badges in a quarter

#	Badge Sticker	Activity	Task
1		Family History Detective	Research your family history and create a family tree. Create a product that illustrates this tree, using a platform of your choice.
2		History Interviewer	Interview someone older than you about an important historical event they lived through. Create an iMovie, Story Corps recording using the app , or another type of recording approved by your teacher.
3		Document Detective	Identify a primary source from the time period we are studying. Read and analyze it. Then create a summary of the document in your own words, using a platform of your choice.
4		Historical Site Visitor	Take a virtual or on-site field trip to a place with historical significance to our curriculum. Collect pictures and brochures. Then write a one paragraph summary of what you learned and create a visual product to share using a platform of your choice.
5		Histo-Reader	Read a historical fiction book or graphic novel about a time period we study. Then create a summary of the novel in your own words, using a platform of your choice.

6		Letter to the Editor or Elected Leader	Write and send a letter to the editor of a local or national paper about an issue you have researched or care about OR write a letter to an elected leader asking a question or sharing an opinion. Share the product with your teacher.
7		History of Food	Locate and prepare a recipe from a time period we study and share it with your family. Create a summary of your experience making this dish and take pictures of the dish, using a platform of your choice.
8		History of Games	Learn about a game played during one of our time periods and teach it to the class.
9		Powtoon Creator	Use the free software from PowToon to create a comic about one of the topics we are studying. Make sure to include additional information about the topic based on your research. https://www.powtoon.com/edu-home/
10		News Reporter	Share a current event article to discuss with the teacher and possibly with the class. Create a summary of the article, using a platform of your choice. Make sure you know the arguments on both sides.
11		History of Art	Complete an art project that uses a technique or type of art from a time period we study OR analyze a piece of artwork from a time period. Create a summary of your experience, using a platform of your choice.
12		History of Music	Bring in music from a time period we are studying or learn to play a popular song from the time. Analyze the meaning of the song. Create a summary of the song, using a platform of your choice.
13		Google My Maps	Create a Google My Map on a topic we are studying. Click here to make a Google My Map . Add pins, pictures, or videos to support the topic. Share the map with your teacher. Sign in with your LCPS account in order to have this map saved automatically to your Google Drive.
