PAL is a coalition comprised of diverse community stakeholders that works to address a variety of substance abuse related issues and receives special funding from the Substance Abuse and Mental Health Services Administration to address opioid prevention specifically. PAL also collaborates on the public health and prevention efforts across the County.

For further information, please contact: Judith Romberg (Mental Health, Substance Abuse, and Developmental Services) at 703-777-0176 or Jennifer Wall (Loudoun County Public Schools) at 571-252-1885.
