

# IMMIGRATION PATHFINDER

## 7th Grade History (pathfinder created by Mrs. Sabik)

### Access LCPS databases thru LCPS GO via the Library Resources folder

- Databases will make citing your resources really easy!
- Most databases will read the article to you (text to speech)
- Most databases translate articles to other languages

 Use Proquest CultureGrams Kids (3rd-7th grades) or World (7th-12th grades) Editions to obtain concise, reliable, and up-to-date cultural content including economic, cultural, and government data.

**Listen to interviews** from natives, read about famous people born in your country, **get an outline of the flag to color**, salivate over **great recipes**, and listen to the national anthem.

Britannica - Middle Schoo...    ScholasticGo - Middle    World Book Online

Online encyclopedias offer articles, maps, pictures, and multi-media resources to help with researching your country of origin. **Remember—you can change the reading level, listen to or translate the article!**

Britannica ImageQuest - M...

More than three million stunning images from top international collection, rights-cleared for educational use.

### The following websites are highly recommended:

#### [CIA World Factbook](#)

This site provides the most up-to-date information on the government, history, people, economy, geography, communications, transportation, military, and transnational issues for 267 world entities.

#### [Historyplex](#)

From diamond heists and assassinations to wars and disasters, from relics and artifacts to cultures and traditions, find all you would love to know, right here.

#### [Destination America—PBS](#)

This site discusses some of the driving forces that have compelled individuals to immigrate to America — economic opportunity, religious freedom and artistic expression.

#### [The New Americans—PBS](#)

This site explores the immigrant experience through the personal stories of immigrants to the United States.

#### [Library of Congress](#)

This site focuses on the immigrant groups that arrived in greatest numbers during the 19th/early 20th centuries.
