The Planets

My Very Earthly Mother Just Served Us Nachos

Inner Planets
- Terrestrial
- Rocky Crust and Metallic Core

Mercury  Venus  Earth  Mars

Inner Planets
- Smaller in size
- Warmer
- More dense
- Less moons
- No rings
- Rotate slower
- Revolve faster

Outer Planets
- Jovian
- Gases surrounding a liquid or frozen/rocky Core

Jupiter  Saturn  Uranus  Neptune

Outer Planets
- Bigger in size
- Colder
- Less dense
- More moons
- Rings
- Rotate faster
- Revolve slower
