Veterans Day Photos

Do you have an active duty or retired military family member? If so we'd like to honor them by including their picture in our Veterans Day slideshow. This is open to all students and staff at Seldens Landing Elementary. To participate, simply e-mail your photo to **seldens.landing.es@gmail.com**. In that e-mail, please share as much of the following as possible:

- Name of Service Member
- Rank
- Branch of Service
- Years of Service
- Place of Service or other special info
- Which student(s) this family member is related to and the relation (i.e. John Doe's Mom, or Jane Brown's Grandpa)

We will compile all the photos and info that we receive and share it with all of our students and staff at our annual Veterans Day Assembly. **Please note that all e-mails must be in by Friday, October 30th**. At that time we will stop checking the e-mail, and begin creating the slideshow. Unfortunately we won't be able to add late entries. Thanks for being a part of this project, and thank you, Veterans!
