

# PLAY DOUGH RECIPE

1 cup flour  
1/2 cup salt  
2 teaspoon cream of tartar  
1 cup water  
1 teaspoon oil  
food coloring (Pick your favorite color and add until desired color.)

Mix everything together in a pan. Cook over heat until it forms a ball. Remove and knead until smooth. You can add peppermint extract or other extracts to give the play dough a fun smell or add glitter for some fun! This recipe is fun science with your child!

Play dough can be used for a fun way to make the letters of the alphabet, create sight words, or practice making numbers. It is a great way to develop the fine motor skills in your child's hands 😊.
