

Researching: Invasion of Privacy

Access the library databases through LCPSGO. (<http://go.lcps.org>)

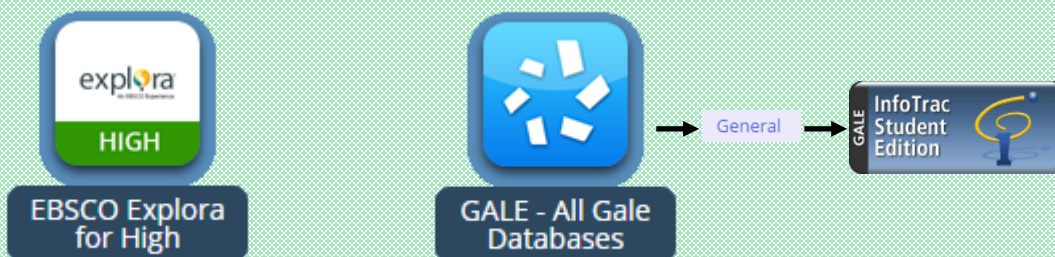

Issue-Based Databases

These databases allow you to browse by topic to access curated lists of resources (reference materials, academic journals, magazines, news, websites, media, statistics, etc.) for the given issue or topic.

General Databases

These databases allow you to keyword search, with the option to limit results to certain types of materials (academic journals, newspapers, etc.)

Citation

Most of the resources found in the databases above have built in tools that provide citations. If you have any questions or need to create citations, the following links may be useful.

[Knight Cite](#): online citation generator

[Citation Machine](#): online citation generator

[OWL at Purdue](#): writing and citation style guide
