

# Physics Research

## Print Books

520s: Astronomy

530s: Physics

A selection of print books will remain in Ms. Binkley's room for your use. Please feel free to stop by the library if you are looking for something else and ask one of the librarians for some help.

## E-Books

Access from

<http://www.mackinvia.com>

Choose John Champe and log in with your network ID and password, then search for the following titles:

*Physics: An Illustrated Guide to Science*

*Physical Sciences: Notable Research and Discoveries*

*Encyclopedia of Space and Astronomy*

These are just a few general titles. Feel free to search for any keyword to see e-books related to your topic.

## Databases

GALE **SCIENCE**  
IN CONTEXT

## Citation

You must cite sources for any ideas, quotes, media used in your work.

[Knight Cite](#): online citation generator

[OWL at Purdue](#): writing and citation style guide

$E=mc^2$

To use these resources at home, you will need a password. You can find them in your agenda or stop by the library for a password sheet.
