Greetings, Woodgrove Wolverines! As our year moves rapidly by, please remember that the first grading period ends this Friday, November 2. Report cards will be available on ParentVue on Monday, November 12. If you would like a hard copy of your son’s or daughter’s Report Card please contact our Counseling Office at 540 751 2607. Also, please mark on your calendars that Monday, November 5, and Tuesday, November 6, will be student holidays/teacher workdays. If you have any questions regarding your son’s or daughter’s classes, we once again are hosting a parent-teacher-student conference day on Monday, November 5. You may come to school and meet with your son’s or daughter’s teachers from 8:30 AM to 10:30 AM in the school’s main gymnasium and cafeteria. Please contact our counseling office with any questions.

School safety is in the forefront of our minds and it is of the utmost importance to all of us. As a reminder, please have your identification ready when you enter the school. All visitors must check in at the Welcome Center in the main lobby of the school.

As we do turn the calendar to November, we have many wonderful activities planned for the students, parents, faculty, and community members of the Woodgrove family. In addition, American Education Week is November 12 – 16. We have a number of activities scheduled for this week and I urge you to check the school calendar on our website and attend an event. I do want to point out that on Wednesday, November 14, Ms. Bartling, our exceptional cafeteria manager, along with our marvelous cafeteria staff, will be preparing a delicious Thanksgiving lunch for our school. Our student council is inviting parents and guardians to join us for lunch on that day – the council is covering the cost of the parent lunches. If you plan to attend please go to the SCA page on our website and sign-up. It promises to be an exceptional culinary experience!

Please remember to vote on Tuesday, November 6.

Many thanks for your continued support. I hope everyone can take some time during American Education Week to visit and celebrate with us the amazing experiences that take place at Woodgrove each and every day.

SOS Signs of Suicide Program Information

The teen years are often a roller-coaster ride of emotions, with this time being especially susceptible to wide variations in mood. It is easy to misread depression as normal adolescent turmoil; depression appears to be occurring at a much earlier age, and the past decade has seen teen suicide rates double. Suicide is the third leading cause of death for teenagers, and there are often warning signs that are overlooked to prevent these tragedies. To increase awareness of the signs of depression and suicide risk, Woodgrove High School will be implementing the SOS Signs of Suicide Program during the school year to ninth graders enrolled in health classes and booster sessions of this program to the tenth, eleventh, and twelfth grade students. The program educates students by helping teens understand the connection between untreated mental illness and suicide and by teaching students how to deal with these signs as a mental health emergency. This program uses video clips to present situations and to generate discussion about identifying and responding to signs of depression and suicide. The program will be facilitated by school psychologists, school social workers, and school counselors. In addition to the student presentations, presentations for staff and for parents are also planned.

More than 150 new books arrived in October!

The incredible true story of a boy living in war-torn Somalia who escapes to America. When U.S. marines landed in Mogadishu to take on the warlords, Abdi cheered the arrival of these real Americans, who seemed as heroic as those of the movies. Desperate to make a living, Abdi used his language skills to post secret dispatches to NPR and the Internet, which found an audience of worldwide listeners. But as life in Somalia grew more dangerous, Abdi was left with no choice but to flee.

On Easter Sunday of 1873, just eight years after the Civil War ended, a band of white supremacists marched into Grant Parish, Louisiana, and massacred over one hundred unarmed African Americans. The court case that followed reached the highest court in the land. Yet, following one of the most ghastly incidents of mass murder in American history, not one person was convicted.

A powerful collection of essays from actors, activists, athletes, politicians, musicians, writers, and teens, including Senator Amy Klobuchar, actress Alia Shawkat, actor Maulik Pancholy, poet Azure Antoinette, teen activist Gavin Grimm, and many, many more, each writing about a time in their youth when they were held back because of their race, gender, or sexual identity--but persisted.

A Month of Homecoming Festivities - October 2018 Overview

Every year without fail, school spirit is brought alive in the month of October - the month of Homecoming. With stairwell decorations, a spirit week, and a pep rally culminating in the grand finale of the Homecoming football game and the dance, Woodgrove students both past and present celebrate Woodgrove High School.

Homecoming Themed Stairwell Decorations and Mural Paintings

As per tradition, each of the class councils takes charge of creating a mural and stairwell decorations to represent the homecoming theme, Elements of the Earth, in their respective stairwells. Carley Tantlinger, a senior who has been helping to paint the stairwell murals for the past four years, remarks, “Getting to see the progress made every year on the mural that we paint is a blast, and knowing that my art will be on the halls of Woodgrove for years to come is a really awesome feeling.”

The freshmen class, with the theme of air were able to take home the first place win for their mural painting. Freshman Class Council President Jack Hughes says it was “a welcome surprise to win the mural. The mural was amazing and I could not be prouder of our artists.”

The seniors triumphed in the stairwell decorating contest. Cole Zimmerman, the Senior Class Council Vice President, recalls, “Decorating the stairwell was an absolute blast! It was the first year I’ve ever participated in the decorating. The volcano was definitely the coolest part of our stairwell, it just took forever to build. We couldn’t have won first place without all the amazing help from fellow seniors that stayed after school to decorate!!”
Homecoming Spirit Week and the Homecoming Court Presentation Show

In order to help build school spirit and boost ticket sales during the week leading up to Homecoming, the Student Council organized a Homecoming Spirit Week. This year, students were invited to show their spirit with America Day, Tie Dye Tuesday, PJ Day, Pink Out, and finally, Class Stairwell Day/Senior Toga Day. Maddy Davis, the SCA Student Activities Director says, “A lot of people participated and got into the Woodgrove spirit. Lauren and I worked really hard to promote the spirit days and it payed off.” Lizzie Clark, the president of the Latin Club, explains her feelings about the spirit week, stating, “I was so incredibly excited to take part in Senior Toga Day - I’ve been looking forward to it for so many years. I think a lot of the seniors were very excited to don their togas for the last day of Spirit Week and finally get to take part in this iconic Woodgrove tradition.”

In order to show off the Homecoming Court to the student body, the Student Council held a Homecoming Court Presentation Show. Each class homecoming court member took part in a humorous interview, which showed off their quirks, talents, and interests. Midway through, the audience was entertained by an epic duel between the school mascot Walter the Wolverine and “Aang” from Avatar the Last Airbender - who hilariously represented this year’s homecoming theme of Elements of the Earth. Maryam Khan, the SCA Community Service Director, says “The highlight was definitely the duel.” In the end, the Homecoming Court members exited the stage by showing off their cute dance moves, which would reappear in all their glory just a few nights later at the Homecoming Dance.

Homecoming Pep Rally

The first pep rally of the year featured an outstanding turn out - the stands of the gymnasium were filled to the brim with cheering Woodgrovians. Walter the Wolverine made an appearance, having been dragged out of his den for the first time in years to help rile up some school spirit for the Homecoming Game. During this pep rally, the fall sports teams were showcased in a relay game, in which representatives from each team raced each other by hopping around the course on ball-chairs. The Homecoming Court made their way to the gym floor to display their dance moves - each class competing against one another for spirit plate points. Senior Owen Black, who has served on the Homecoming Court before, excitedly says, “I loved being able to pass on the scepter of Homecoming Court to my younger sister Tatum, who will carry on the legacy of the Black Family at Woodgrove High School.” To round out the pep rally with a beloved tradition, the senior homecoming court performed their “senior serenades” to their partners.
Powderpuff

As always, the annual Powderpuff game was a phenomenal hit. This year it was an especially close battle between the junior and senior girls, who were both equally eager to take home the glorious trophy after weeks of practicing. In the words of senior coach Robbie Mustachio - “The game was definitely memorable. The highlight of the game has to be the field goal shoot out at the end. It kept going back and forth and back and forth until Katie Price won it for us at the end. I’m just glad I wasn’t part of the first senior class to lose to the juniors.” Everyone at the game was amazed with Katie Price, truly the MVP of the night. Katie Price humbly reflects, “When the game went into overtime and still ended in a tie, both sides refused to leave it that way so we went into a field goal kickoff. I kicked the last field goal and won the game. I was super nervous. Despite everyone saying they didn’t care if they won or lost, I knew the seniors really wanted to win.”

Kyle Caylor, one of the coaches for the junior team, who unfortunately lost to the seniors, remarks happily, “I had such a fun time coaching and being a part of such an amazing team. It was such an intense game that could’ve went either way. I’m just really happy I got to be a part of it. I can’t wait to take the trophy home next year.”
Homecoming Game

Just before the game, students, teachers, parents, and returning Wolverines gathered outside the stadium to enjoy some tasty barbeque at the Block Party, sponsored by the Freshman Class Council and the Athletic Booster Club. The Block Party was quite the hit with fresh hits provided by Woodgrove senior Nino DeBarros and a bonfire, which was organized by the Sophomore Class Council.

The Homecoming Game itself was nothing less than spectacular. The Woodgrove Student Section, better known as The Wild, cheered enthusiastically for their classmates on the field. Each time Woodgrove scored another touchdown, the roar of the crowd was unmistakable, as were their garish neon and animal print garb.

Collecting donations at the game was Habitat for Humanity. In the words of Kari Murphy, the Director of Resource Development for Loudoun Habitat for Humanity, “When we talked about the idea of getting involved with Woodgrove’s Homecoming, I thought, how perfect is this! Our organization allows individuals to come HOME everyday, which is a really cool concept in conjunction with HOMEcoming.” The presence of Loudoun Habitat for Humanity was felt throughout the final day of Homecoming Week, with many staff and students wearing their green Habitat for Humanity shirts and with their appearance at the football game. Maryam Khan, SCA Community Service Director and Administrative Assistant for Woodgrove Football, explains “Working with Loudoun Habitat for Humanity was a great opportunity for the football team to do something for the community and to raise awareness about the housing crisis that a lot of people may not be aware of here at Woodgrove.”

Halftime was capped off by the presentation of the Court and the crowing of Queen River Stone and King Brent Rittner. Congratulations!
Homecoming Dance

The exciting week of Homecoming culminated in the grand finale - the Homecoming Dance. Over seven hundred students found their way to Woodgrove, walked beneath the Elements of the Earth themed decorations, and partied hard amidst their friends on the dancefloor. Kildea McMahon, a sophomore, says “The dance was more interactive than last year - they had kids come up and dance on the stage, which was really cool.” Charley Piercy agrees, stating that she “liked having the stage and the MC person, which were really entertaining.” Each year, the Homecoming Dance is a wonderful opportunity for students to live out an important high school experience. Ava Eckenrode states that her favorite part about Homecoming is “being able to dance with all my friends.” Erin Kaplan, a senior who has attended many Homecoming Dances over the years and was a member of the Senior Homecoming Court this year, recounts, “This year’s dance was bittersweet - knowing that this was our last dance.”
**Bus Driver Appreciation Day**

To celebrate Bus Driver Appreciation Day, the Student Council expresses its gratitude for the bus drivers, who safely and dutifully deliver our students to and from school each and every day. Kristina Greene, one of the SCA members who helped pass out Thank-You goody bags to each of the drivers, explains, “I think that Bus Driver Appreciation day went great! There was a little trouble with getting to all of the bus drivers (because of their morning/afternoon schedule) but all went well. We gave them little bags full of various candies and a little note that said something like ‘Happy Bus Driver Appreciation Day! Thank you for all that you do!’” The bus drivers were very grateful in return. Kristina Greene adds, “All of the drivers and bus aids seemed to be very happy when they received their bag. They would often smile and say thanks. Some of them made bus jokes!”

**Woodgrove Vs. Valley Game - #BeatValley**

Coming up, just around the corner, is the long-anticipated Woodgrove Vs. Valley Game. On Friday, November 2nd, the cross town rivals will face off in one of the most heavily attended games of the season, which will take place in Woodgrove's home stadium. In order to build up school spirit in the week leading up to the game, the Student Council has taken it upon themselves to decorate the halls of Woodgrove with #BeatValley and BLACKOUT theme posters. In addition, the #BeatValley pep rally will take place on Friday. In order to support awareness and fund treatment for Breast Cancer, the Student Council will be selling #BeatValley shirts for the remainder of the week and during the game. Shirts will be sold for $10 before school in the main lobby and at the football stadium during the game.

In collaboration with Valley and the Purcellville Chick-Fil-A, Woodgrove is participating in a spirit week. Students, parents, and staff are encouraged to go to Chick-Fil-A this week, and let the cashier know they are there to support Woodgrove! At the end of the week, the rival school with the most points will have money donated to their Parent Teacher Student Organization.
November 2018

What a great start to the new school year we’ve had! With a quarter under our belts, we’re off and running for the 2018-2019 academic year.

Our new bell schedule maximizes instructional time during the week, as Mondays, Tuesdays, and Fridays follow the Normal Day schedule. These days begin with our video morning announcement show, *Wake Up Woodgrove* at 9:10am. Wednesdays and Thursdays follow the Activity Day schedule, with a 34-minute DenTime period after the first block of the day. On Wednesdays, this DenTime can be used by students to visit other teachers or to participate in one of the many clubs we offer, if the day is a Blue or Green Club Day. On Thursdays, DenTime is used for our advisory program, FACEtime.

Speaking of clubs, at last count, we have 74 active groups here at Woodgrove! Truly something for everyone to become involved in! A complete list of clubs, the meeting dates and locations, and the adult advisor(s) for each can be found under the Clubs tab on the school website. Don’t see something that interests you? Consider starting a new club; forms are available at this same location on the website.

Our clubs all have redesigned pages under the Clubs tab. Check them out for details on club mission statements, major events, a listing of the officers, and more.

Our new electronic hall pass system, eHallPass, began on Friday, August 31, with 142 passes being written. As of the end of October, we have logged over 18,000 eHallPasses. The honor of having successfully created the first eHP goes to Mr. Carper who wrote one for senior Paisley Ashland to go to the library. Here she is receiving her commemorative award:
The Wolverine Culture Team is the updated name for the WHS PBIS (Positive Behaviors Interventions and Support) program. The new team met twice before the school year began and again in the morning on September 12. The group has one major goal that is part of the school’s improvement plan for 2018-2019, and then three additional goals:

- As a school, we will provide education quarterly to students and parents regarding the health effects of using e-cigarettes, juules, and smokeless tobacco. This will be accomplished by using FACEtime meetings, small class meetings, larger group meetings, and information sent home, among other means.
- On the first quarter climate survey, at least 75% of students will answer that they feel as though they are treated with kindness and respect daily at WHS.
- We will work towards having 100% of the teaching staff accurately post their classroom attendance within the first five minutes of each block in Phoenix.
- At least 75% of the WHS staff and student body will complete the February 2019 LCPS Annual Staff Survey.

The Culture Team meetings are open to all interested members of the school community, and the next meeting is scheduled for 8am on October 9 in the library.

November Reminders from the Health Clinic:

Hello from Your School Nurse.

All 10th grade students will be screened for vision and hearing on Monday, November 12, and Tuesday, November 13, 2018 during their scheduled Physical Education class. All NEW students, 9,11,12 to LCPS will also be screened. Please remind your child if they wear eyeglasses or contact lens to bring them on their scheduled PE day for the screening.

If your child does not meet the vision screening passing criteria I will be contacting you and mailing you a report of the eye examination. You will be advised to consult a Vision Professional and share the results of the screening. Please take the report to your Vision Professional and have them complete their section of the report. Please return the report form to me in the clinic.

If your child did not meet the passing criteria for the hearing screening they will be rescreened in 2 weeks. I will follow up with you regarding the report of the hearing examination. After the second rescreen you may be advised to consult with your primary care physician and share the results of the screening. Please take the report to your physician for their completion of findings and treatments and return the form to me in the clinic.

To ensure your child’s safe return to school, students who are returning to school after a hospitalization (surgery or illness), or a procedure (fracture or tests) must have a release from the physician. The release should include the following information:

* approval for the student to return to school
* the activity level allowed
* any current restrictions; the duration of those restrictions
* all of the above should be updated by the physician after the follow up appointments.
* Students with fever (100.0 or >) should be kept home until free of fever for 24hours.

As always, if you have any questions or would like to discuss a health concern of your child, please give me a call at 540-751-2606 (clinic)

Sudden Cardiac Arrest

Researchers have good news and bad news involving sudden cardiac arrest in athletes. The good news is that these instances are rare. The bad news is it doesn't appear that heart screenings may be an effective way to prevent them.

According to one study, over a five-year period, researchers found that 16 competitive athletes had a cardiac arrest, as did 58 recreational athletes. This means sudden cardiac arrest occurred at a rate of 0.76 cases for every 100,000 athletes per year. However, of the 16 athletes who suffered cardiac arrest, only three of them had undiagnosed heart conditions that would have been discovered by a screening, such as an electrocardiogram.

In the United States, screening programs have been implemented on the assumption that most cases of sudden cardiac arrest during sport can be predicted and prevented by identifying people who are at risk because of a pre-existing condition and withdrawing them from competitive sports. However, studies show these events are too rare and the causes are not likely enough to be identified, to warrant screening every athlete who wants to play competitive sports.

Based on similar study's findings, experts are advocating for the increased availability of automated external defibrillators (AED's), which can be used to revive a person who is experiencing cardiac arrest. AED's are the best defense against sudden cardiac arrest and should therefore always be available during sporting events.
Fitness

Short-term exercise equals big-time brain boost

Even a short (10 min.) one-time burst of exercise can measurably boost parts of the brain responsible for executive function such as decision-making and focus, at least temporarily, says researchers at Western University in Canada. While other studies have showed brain-health benefits after 20 minutes of a single-bout of exercise, or following commitment to a long-term (24 week) exercise program, this research suggests even 10 minutes of aerobic activity can prime the parts of the brain that help us problem-solve and focus.

During the study, research participants either sat and read a magazine or did 10 minutes of moderate-to-vigorous exercise on a stationary bicycle. Following the reading and exercise session, the researchers used eye-tracking equipment to examine participants’ reaction times to a cognitively demanding eye movement task. The task was designed to challenge areas of the brain responsible for executive function such as decision-making and inhibition.

Those who had exercised showed immediate improvement. Their responses were more accurate and their reaction times were shorter than their pre-exercise values. The question now is how long the benefits may last following exercise? At this point, researchers do not know but they are conducting a study soon to try and figure out that question.

Bottom line is that the researchers recommend that if you are going to do anything that is cognitively demanding like taking an exam or going into an interview, you should get some exercise first and you will perform better!

Loudoun County Public Schools’ Insurance Does Not Provide Coverage for Students’ and Employees’ Personal Property Brought to School.

Each year the LCPS Procurement/Risk Management Office receives claims where school students and employees have lost valuable personal property brought to school. Every type of personal property is subject to loss by accident, theft, or vandalism.

Examples of personal property include:

- iPods, iPads, cell phones, smart phones, cameras, tablets, lap top computers, etc.

The *Worth Avenue Group* has been providing insurance programs to thousands of students and staff across the country since 1971. Their personal property insurance plans have been utilized by many colleges and universities and have been made available to public school students, faculty, and staff nationwide.

**Losses Covered:** The plans cover loss or damage, occurring during the policy period, to personal property, which you own or have leased. See policy for items excluded from coverage. Coverage may be purchased on a “cash value or replacement cost” basis with a deductible as low as $50 per occurrence.

**What about Coverage Under Your Homeowners Policy?** If you have questions about your homeowner's policy, ask your agent to go to the *Worth Avenue Group* website for more information and then to give you advice. These plans are typically primary to the homeowner's coverage and can be used to cover high insurance deductibles.

For further information on this coverage please call 1-800-620-2885 or visit [http://www.worthavegroup.com/](http://www.worthavegroup.com/) and read about the various available coverages.
Worth Ave. Group is offering a special discount to students and faculty of Loudoun County Public Schools (Ashburn, VA) to insure the devices purchased for use as part of the school's BYOD technology program. Insurance with Worth Ave. Group will protect the device against: Accidental Damage, Theft, Fire, Flood, Natural Disasters, Power Surge and Vandalism. This insurance policy will provide full replacement cost coverage and will protect the item worldwide (on and off school grounds). The policy is also transferable to a replacement unit.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY
Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: www.studentinsurance-kk.com or call 1-855-742-3135.

### Facts about the Policy

1. **WHO IS ELIGIBLE:** students of the policyholder who make the required premium contribution for the coverage selected are eligible. Student status continues after graduation and between school years unless the person enrolls at a different school district.
2. The Master Policy on file with the school district is a non-renewable policy.
3. This is a limited benefit policy.
4. **COVERAGE EFFECTIVE DATE:** A person’s coverage takes effect at the later of the date his or her completed application and premium is received by the company or the effective date of the policy issued to his or her school or school district.
5. **COVERAGE TERMINATION DATE:** Coverage ends on the earlier of the date his or her coverage has been in force for twelve months or the first day of the next school year. All coverage ceases if the policyholder cancels the policy or when person ceases to be eligible. Termination of coverage for any reason will not affect a claim which occurs before coverage ends.
6. **LATE ENROLLMENT:** Coverage may be purchased at any time during the school year. There is no premium reduction for any individual who enrolls late in the year.
7. **CANCELLATION:** Coverage under the Policy will not be cancelled, and accordingly, premiums may not be refunded after acceptance by the Company. However, a pro-rata refund of premium shall be made in the event a Covered Person enters the Military Service.
8. **STUDENT TRANSFER:** The policy continues to be in force anywhere in the world if the Covered Person should relocate prior to the expiration of coverage.

!!NOTICIA IMPORTANTE!!
Las Escuelas Públicas del Condado de Loudoun no disponen de seguro médico o de accidente para cubrir a los estudiantes cuando se accidentan en la escuela.

Estimados Padres/Guardianes Legales:

LCPS recibe reportes de estudiantes que accidentalmente se hieren cuando participan en actividades escolares, incluyendo algunas con heridas graves que requieren atención médica costosa. La oficina de adquisiciones y manejo de riesgos rutinariamente recibe llamadas de padres de quien sus hijos son accidentalmente heridos cuando participaban en actividades escolares y no tenían cobertura de seguro o tienen cobros por encima del valor de pago de su seguro.

LCPS no proporciona seguros de accidentes médicos para los estudiantes accidentados que han participado en actividades escolares. Pero, nosotros proveemos la opción de compra voluntaria de seguro para accidentes por medio de K&K seguros.

El seguro de accidentes por K&K ofrece planes opcionales de cobertura basado en “excesos” para heridas de accidente que puedan ocurrir durante actividades escolares o incluyendo a tiempo completo. Esto depende del plan elegido.

Si usted ya tiene seguro a través de otra poliza, estos planes de cobertura de accidente pagan beneficios no cubiertos por su otro seguro. Si no tiene ningún otro plan de seguro disponible, invirtiendo una mínima cantidad de dinero ahora en uno de estos planes le podría ahorrar considerables gastos más tarde si tuviese un accidente que requiriese atención médica.

Su registro voluntario en uno de estos planes debe de ser cuidadosamente considerado. Gracias y por favor llame si tiene alguna pregunta o inquietud.

7. Any instrument or device, not included in Category A, which has as one of its designed purposes to be used as a weapon to injure, harm, or endanger another person.

C. Exceptions to Weapons Classifications:

The following weapon or weapons may be exempted from those categorized above, depending on the appropriateness of their use and provided that such weapons are authorized by a school official:

The Superintendent or the Superintendent’s designee shall determine if special circumstances exist and may determine that the recommended disciplinary action is appropriate, or if special circumstances are found not to exist, proceed with the expulsion recommendation in accordance with Policy §8-28.

2. Category B Weapons Violation: Any student who violates this policy with respect to a Category B weapon or any other terms of this policy may be subject to expulsion from Loudoun County Public Schools, or to such lesser disciplinary action, including long-term suspension, as may be deemed appropriate by the Superintendent or the Superintendent’s designee in accordance with Policy §8-28.

CONDUCTA DE LOS ALUMNOS

§8-32 Armas

Está prohibida la posesión o el uso de armas, cargadas o descargadas y en funcionamiento o no, por los alumnos mientras estén bajo el control o la supervisión del personal del sistema escolar, en una actividad patrocinada por la escuela o en las instalaciones escolares. Esta política se aplica a los alumnos de todos los grados. El término “arma” se interpreta en su sentido más amplio e incluye cualquier instrumento o dispositivo que, por su diseño o uso, sea capaz de causar lesión, daño o amenaza de lesión o daño al bienestar físico de otra persona, según se define en gran medida tanto en las leyes estatales como federales. A los efectos de determinar las sanciones adecuadas por infringir esta política, las “armas” se clasifican en las Categorías A o B, excepto en algunas circunstancias específicas.

A. **Categoría A:**
   1. Armas de fuego, pistolas de salva o cualquier arma diseñada para propulsar un proyectil mediante una explosión, o que pueda ser convertida fácilmente para ello. Entre los ejemplos de armas de fuego se encuentran las pistolas, escopetas, rifles y revólveres;
   2. Armas neumáticas, incluidas las de bolas de pintura (paintballs), de aire comprimido BB o balines (pellets), o rifles que usen presión neumática para expulsar proyectiles; y
   3. Dispositivos explosivos o incendiarios, incluidos los que contengan gas venenoso, ácido o funcionen como granadas, bombas o cohetes, y cualquier combinación de piezas diseñadas para, o con la intención de, convertir cualquier dispositivo en destructivo. El término “dispositivo destructivo” no incluye dispositivos que no hayan sido diseñados o rediseñados para su uso como armas, ni dispositivos diseñados originalmente para su uso como armas y rediseñados para señalización, pirotecnia, lanzamiento de líneas, seguridad o similares.

B. **Categoría B:**
   1. Cualquier cuchillo u otro instrumento o dispositivo que tenga una hoja diseñada para cortar o una punta diseñada para penetrar, incluidos puñales, cuchillos Bowie, navajas de resorte, navajas plegables, cuchillos balísticos o machetes;
   2. Cualquier arma o dispositivo diseñado para lanzar proyectiles con métodos no neumáticos o no explosivos, incluidos los que usan gatillos, los alimentados a batería o por tensión. Algunos ejemplos son tirachinas o gomeras, arcos, pistolas de clavos y dispositivos de juguete que disparan.

–continúa en el reverso–
§8-32 **Armas** (continuación)

3. Cualquier arma para aturdir;
5. Cualquier producto o compuesto químico, incluido el gas pimienta, que produzca un efecto adverso en las funciones normales del cuerpo humano;
6. Cualquier instrumento o dispositivo usado intencionalmente para causar lesión, daño, poner en peligro o inducir miedo en otra persona, incluso las armas de “juguete” o “imitaciones”;
7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

**C. Excepciones a las clasificaciones de armas:**

Las siguientes armas pueden quedar exentas de las categorías anteriores según lo apropiado de su uso y siempre que hayan sido autorizadas por un funcionario escolar:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o
3. Las utilizadas por el Cuerpo de Entrenamiento de Oficiales de Reserva [Junior Reserve Officers Training Corps (JROTC)] para realizar ejercicios de tiro cuando sean parte normal de esos programas; los programas podrán incluir entrenamiento en el uso de armas de aire comprimido. Ese entrenamiento de tiro sólo podrá realizarse en ubicaciones aprobadas por el Superintendente de la División.

**D. Sanciones por las infracciones:**

1. Violación de la política sobre armas categoría A: Cualquier estudiante que violare esta política con respecto a un arma categoría A será recomendado automáticamente para que se lo expulse de las Escuelas Públicas del Condado de Loudoun por el Director y disciplinado de conformidad con la Política §8-28. No obstante, de conformidad con la política mencionada, el director puede indicar que pueden existir circunstancias especiales y por lo tanto recomendar asimismo que se considere una acción disciplinaria alternativa. El Superintendente o la persona designada por el Superintendente determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.
2. Infracciones con armas de la Categoría B: todo alumno que cometa una infracción relacionada con las armas de la Categoría B o cualquier otro de los términos de esta política puede ser expulsado de las Escuelas Públicas del Condado de Loudoun o recibir una sanción menor, incluida su suspensión a largo plazo, según lo considere adecuado el Superintendente o la persona por él designada, según la Política §8-28.
3. Disposiciones de protección legal: la posesión accidental o inadvertida de un arma por el alumno si la llevó a las instalaciones escolares o a una actividad patrocinada por la escuela, o la encontró en ella, no constituye una infracción de esta política siempre que el alumno lo informe inmediatamente a un docente o administrador al darse cuenta, y antes de que sea descubierta o vista por un docente, administrador, otro empleado de la escuela u otro alumno.
4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.
5. Derecho de apelación: ciertas acciones disciplinarias por infracciones a esta política son apelables o deben ser determinadas formalmente por un Comité de la Junta Escolar, según lo determina la Política §8-28.
