Woodgrove is certainly in full bloom and thriving with a number of exciting activities planned for May.

Before moving forward however I do want to thank our Fine Arts Department for a superb spring showing of *The Addams Family*. It was an exceptional show!

Also, please check our school calendar as the celebration of the Arts will continue in May as we host our spring music concerts. In addition, on Friday, May 11, our WMAA is hosting a Fine Arts Gala – this enchanting evening will include musical and theatrical performances by our students. This is a fundraiser for the WMAA and I hope that you can take time to come out and enjoy this evening and support our students.

In addition, May brings with it conference, regional and state competitions for our athletic teams. Please be sure to check the school calendar and come out to Woodgrove to cheer on the teams. Also, thank you to the WWABC for hosting the Fore the Wolverines Charity Golf Classic on Monday, May 7, at the Stoneleigh Golf Course. Proceeds from this event support our athletic programs and provide scholarships for our students. There are still spaces available – if you are interested in playing, you may sign up at www.wolverinegolf.org.

I also am very pleased to share that our PTSO is in the midst of finalizing plans for our Seniors’ Graduation Party. This party is for graduating Seniors only and it will be held at Woodgrove on Thursday, June 7, beginning after the Senior luncheon.

Graduation is scheduled for Friday, June 15, at 8 AM. Seniors need to be at school by 6:30 AM.

Also, this year we are continuing our senior capstone projects. Seniors will have the opportunity to complete a senior project for the school or community as a way of giving back to the Woodgrove community. To be eligible, students must have met the same criteria to be exempt from the final summative assessment. All seniors have received this information. In addition, teachers and parents will have to sign off indicating their approval of their son’s or daughter’s participation in the senior project. The projects will begin on Monday, May 21 and go through Friday, June 1. We are looking forward to seeing what our seniors accomplish this year!

Please note that students choosing not to participate in a capstone project are expected to come to school during that time.
May / June 2018

During May we also will honor the work our teachers have performed throughout the year. Much of our success can be attributed to the dedication and devotion our teachers give to our students daily. Woodgrove is fortunate to have such extraordinary adults guiding our students. We will begin our celebration with our Teacher Appreciation Week on May 7 - May 11. We encourage students, parents and the community to take time during this week to share an expression of gratitude to a teacher or some other member of the faculty. Thank you to the PTSO for their amazing contributions to this celebration!

Standards of Learning (SOL) tests and Advanced Placement (AP) tests will be administered in May. Included in this newsletter is information regarding our testing schedule and on-line testing. These tests are important and we have devoted many resources to ensure that all of our students are prepared to take these tests. Please be sure your son/daughter gets plenty of rest, eats breakfast and is on time to school during these testing sessions.

With regards to spring and the warm weather which is here to stay, we have reminded students of our dress code. Please take time to discuss appropriate school attire with your son/daughter.

Lastly, as we head into the final month of our school year, we would like to have you provide your thoughts on Woodgrove High School. Below is a link for our school survey and I ask that you take a few moments to share your thoughts with us.

Best wishes to everyone and thank you for your support.

WOODGROVE STUDENTS ATTEND STATE LEADERSHIP AND RECOGNITION CONFERENCE IN VIRGINIA BEACH

Youth from the Woodgrove High School chapter of Family, Career and Community Leaders of America (FCCLA) recently participated in a weekend leadership training conference held April 13-15 in Virginia Beach, Virginia. Attendees participated in a weekend of workshops and sessions that challenged, informed, and motivated members and their advisers to learn more about leadership through FCCLA. Along with over 1,000 other advisers and members, Woodgrove High School’s FCCLA chapter adviser, Dr. Karen Curtis, accompanied members to the conference.

The Woodgrove FCCLA chapter was recognized as an Outstanding Chapter in 2017-2018. Furthermore, Woodgrove was recognized for receiving the following National Program Awards: Community Service, Career Connection, FACTS (Families Acting for Community Traffic Safety), Families First, Financial Fitness, Stop the Violence and Student Body.

Lyndsey Haun was recognized during the Senior Spotlight at the closing ceremony. Amethyst Sturrock represented Woodgrove during the business session as our school’s voting delegate and was instrumental in deciding Virginia FCCLA’s Student Leadership Council for the 2018-2019 school year.

Family, Career and Community Leaders of America is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences. This organization has more than 160,000 members in nearly 5,500 chapters, including the District of Columbia, Puerto Rico, and the Virgin Islands.

Family, Career and Community Leaders of America is unique among youth organizations because its programs are planned and run by members. It is the only national in-school organization with the family as its central focus. Participation in national programs and chapter activities help members become strong leaders in their families, careers and communities.

Woodgrove Music and Arts Association GALA

Calling all Supporters of the WMAA!! The WMAA is hosting our GALA again this school year on Friday, May 11, 2018. We know it is seems like a long way away, but as we all know as parents, TIME FLIES!!

We would like to receive donations earlier this year, to facilitate sending a list of donations to everyone before the actual GALA. We are wishing for help with donations for our Silent and Live Auction. If you have not been to a WMAA Gala you are missing out on a wonderful night of Music, Song, Theatre, as well as Visual and Performing Fine Arts. Suggestions for donations most appreciated are: vacation home lodging, sporting event tickets, art, handmade items, etc.

Donation Boxes will be placed in each Fine Arts Room by the end of this month, asking for themed-based donations to help with Silent Auction baskets. This GALA is a very important fundraiser for the WMAA. It provides our students with scholarship money, and funds the extra projects and clinicians that each Fine Arts Director wishes to present to their students. This is a celebration of the hard work that each program has accomplished throughout the year. If you have a business, or a special skill that could donate something for either auction, or if you would just like to be a sponsor for our GALA, or if you would like to volunteer (jobs, big and small), please contact our GALA chair, Ginny Skrobialowski at skilodge3@comcast.net.

2.13.2018 subject to change
Eighth Grade Expo

The transition from middle school to high school is one of the most difficult transitions in the life of a teenager. To rising freshmen, starting high school can be both exciting and terrifying, especially with so many clubs, sports, and classes to choose from. In order to help ease rising freshmen from Harmony Middle into Woodgrove High School, a coalition of Woodgrove’s student leaders organized this year’s Eighth Grade Expo. This event invited current eighth graders from Harmony to tour Woodgrove’s campus and get a taste of what life in high school is like. The incoming class of 2022 was welcomed with free class t-shirts and cookies. After being divided into groups and matched with a Woodgrove student leader, the students were led through the halls of Woodgrove to get a feel for its layout and get the chance to meet a few teachers.

In addition to the tours, Woodgrove students showcased the many athletic teams and clubs our school has to offer. With colorful displays and free candy, club representatives sought to pique the interest of the upcoming freshman. During an assembly in the gym, some of Woodgrove’s finest athletes spoke about their experiences with their sport, described the quality of Woodgrove’s athletic department, and held interactive demonstrations to fuel the incoming freshmen’s excitement about high school sports.

Not only did the Expo showcase the options available to students, it also provided an opportunity for them to receive advice from students who are currently in high school. According to junior Kevin Crandall, “Being able to hear from current students on what worked and didn’t work for them allows the upcoming freshmen to gauge what they might want to be involved in/how much of a workload they want, etc.” In turn, this helps incoming freshmen begin to figure out how to best take advantage of new opportunities as they enter the next chapter in their lives and, ultimately, make the best of their high school experience in the years to come.
Class Council Elections

The season for class council elections is always an exciting time of the school year. As students campaign rigorously for their desired positions, the hallways are filled with posters and debates about which candidates have the best policies. Billy Hughes, the current Sophomore Class President and future Junior Class President recalls, "Each and every candidate's campaigns were very personable, and focused on relating to their classmates. The support of the class as a whole was amazing, and I know many of the candidates, including myself, felt they were well received and respected." After a few weeks of campaigning, the contest of the candidates culminated in the final election day, during which candidates were invited to the stage to deliver their speeches to their classmates. Brent Rittner, the soon-to-be Senior Class Public Relations Officer remarks that, “Running for a position this year was a blast. The best part was constructing a speech that really showcased my abilities.” After an extraordinary election, the class council officers for the 2018-2019 school year have been officially selected. The following leaders will take their oaths of office at the End-of-the-Year Banquet on Monday, May 14. The incoming Freshman Class Council will be elected at Harmony MS this coming week. Spring Fever Week

During the final week of April, the Student Council sought to “boost everyone’s spirit and peak energy before exams begin”, according to Sam Payne, the Activities Director. Spring Fever Week surely achieved this goal, as students happily cheered on their classmates as they competed in the daily lunch games. James Shockey, one of the lunch game hosts, says the lunch games had “great participation among the younger classes and a lot of excitement in the lunchroom”.

For triumphing as the fastest to eat Oreos without hands or stacking cups while blindfolded, the competitors were rewarded with spirit points to go towards their respective class’s collection. Sydnie Wilson, a senior, remarks that “the games were very interactive and got the whole school pumped up for spirit plate points.” The class with the highest number of spirit points at the end of the year is given an opportunity for a class party. This year, the junior class, making one of the biggest comebacks in Woodgrove Spirit Competition history, triumphed as the victors of the Spirit Plate.

Clinic News

The end of the school year is fast approaching. I will be sending you a letter if your child has any medication remaining in the clinic at the end of the school year. You will need to drop by the clinic to pick it up before school ends. Clinic hours are between 8:30am and 4:30pm daily. Students are not allowed to transport medication home. Medication that is not picked up by the last day of school, (June 13th) will be discarded.

If your child needs medication or health related care at school for the 2018-2019 school year, the appropriate LCPS Physician Order/Health Care Plans will be required. A NEW form is required for each school year. These forms need to be completed by you and your physician PRIOR to the start of school in August 2018. The completed form must be returned to the clinic of the LCPS your child will be attending by the first day of school. All schools in Loudoun County require that appropriate physician’s forms be on file prior to dispensing medication or giving health related care at school. Please remember that all medicine must be brought to school by a parent/guardian. The medication must be in the original container with the appropriate label.

Physicians order forms for medication, severe allergy, asthma, diabetes and seizures are available on the LCPS web site. Located under the tab “For Parents” and the forms will be found under Medication at School- For Parents. If you call and request a copy of your child’s physical or immunization record for summer camps, sports, etc., please give me at least a 24-hour notice. These records may not be faxed; they can only be copied and sent home with you or your child.

I am available to receive new physician orders/health care plans and medications when I return to work at the end of August. I will be attending meetings the first week that I’m back so it may be best to call the clinic before coming to school to insure I am able to meet with you.

Please feel free to contact me at, 540-751-2606 with any questions.

It has been a pleasure to care for your child this past year. Have a healthy and enjoyable summer.

Regards,
Stephanie Lovasz, RN, MSN
**Sports Injuries**

**Rib Injuries**

Rib injuries are similar to back injuries in that you take the twisting, turning and breathing for granted until you injure the ribs and then any single movement can cause pain. The ribs function as protection for the vital organs in the chest cavity. Between the ribs are small muscles for support, which are called the intercostals. The ribs attach to the sternum (breastbone) with cartilage at locations called costochondral junctions. The ribs are fairly resistant to injury. In children, there’s more elasticity in the bones, so there are fewer rib fractures in children than in adults. Because of their proximity to the skin, simple rib fractures are the most common form of chest injury. Excessive twisting of the trunk can trigger intercostal muscle strains. Costochondral separations can occur in which the rib separates from the sternum. In addition, contusions (bruises) of the ribs are very common.

Rib injuries are so debilitating because simple breathing aggravates any rib injury. They are usually diagnosed by the mechanism of injury as to whether you've sustained a fracture as opposed to a strain. With fractures, in addition to pain, you can have bruising, muscle spasm over the rib and maybe some crunching type sounds when the rib is touched. A fairly high percentage 20-25% of rib fractures don’t show up on initial X-rays. However, an X-ray remains the most effective means of diagnosis.

Icing the injury at an early stage can also help reduce the inflammation a decrease pain as well. Rib fractures take approximately 4-6 weeks to heal. Costochondral separation recovery time is longer due to slower healing time, which may take twice as long.

The best way to prevent rib injuries especially in contact sports such as football is the use protective equipment (flak jacket). In addition, strengthening and flexibility exercises for the back and abdominal muscles are also helpful.

Take a Shot

At the University of Missouri, athletes have been fueling up with “Hydration Jell-O shots before and after practice. Although the hydration Jell-O shots resemble the popular alcoholic shots, that’s where the similarities end.

Instead of liquor, these shots are made with water, gelatin, and electrolyte powder. Recent studies have encouraged the consumption of gelatin prior to working out. The belief is that as the blood flow increases with exercise, the collagen in the gelatin can be worked into soft-tissue areas.

The overall goal with the Jell-O shots is to help prevent musculoskeletal injuries. The extracellular matrix can be reinforced with collagen, which in turn strengthens tendons and joints. An analogy is as if the extracellular matrix is the steel bars in reinforced concrete that increase the strength and ductility of the material.

The University of Missouri introduced the hydration Jell-O shots over the summer of 2017. The shots are available in the main athletic facility before practice and in the recovery areas after practice. Both the football and basketball teams have readily adopted them and are extremely popular.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY

Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: www.studentinsurance-kk.com or call 1-855-742-3135.

This policy contains an excess provision. Benefits will not be paid under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.

Details of these benefits may be found in the Master Policy on file at the School District. **NOTE:** This is a brief summary of the benefits and not a contract. A Master Policy has been provided to your school district that contains all of the provisions, limitations and exclusions and qualifications of the insurance benefits. The Master policy is the contract and will govern and control the payment of benefits.

Students – 2017-2018

STUDENT CONDUCT

§8-36 Drugs

A. School Responsibilities

Schools are responsible for maintaining an atmosphere conducive to learning and for protecting students from illegal and harmful influences. Students have a responsibility to obey the laws and school rules and to be free from the influence of drugs while in school. All members of the school community are subject to the laws, and school personnel have the obligation to report suspected violations of laws to proper authorities.

B. Student Responsibilities

Students are strictly prohibited from possessing, distributing, selling, using, or being under the influence of any drug (including anabolic steroids), any chemical substance that affects the brain or nervous system, or any substance represented to be or believed to be a drug or chemical substance that affects the brain or nervous system or from possession of any drug-related paraphernalia while on school property, under school authority, or at a school sponsored activity.

-continued on back-
§8-36  Drugs (continued)

Any student who brings, possesses, distributes, sells or uses:
   a) any drug (including anabolic steroid);
   b) a controlled substance or any imitation or look-alike drug or controlled substance;
   c) marijuana or imitation or look-alike marijuana;
   d) any chemical or other substance that affects the brain or nervous system; or
   e) any chemical or other substance represented to be or believed to be capable of
      affecting the brain or nervous system shall be expelled from school in accordance with
      Policy §8-28.

Notwithstanding the foregoing, given the facts of a particular case, special circumstances may exist
indicating that other disciplinary action may be appropriate and may be recommended by the principal.
The Superintendent or the Superintendent’s designee shall conduct a preliminary review of all cases
under this policy to determine if disciplinary action other than expulsion is appropriate. If the
Superintendent or the Superintendent’s designee determines that disciplinary action other than
expulsion is appropriate, disciplinary action shall be taken in accordance with Policy §8-28 and the
Administrative Regulations of this policy. If the Superintendent or the Superintendent’s designee
determines that expulsion is appropriate, the School Board or a committee thereof shall review this
determination and nonetheless may determine that based upon the facts of a particular case, special
circumstances exist indicating that other disciplinary action is appropriate and may reverse or modify
the determination of the Superintendent or the Superintendent’s designee. If the Superintendent or the
Superintendent’s designee, or the School Board finds that special circumstances exist, recommended
action shall include (1) a disciplinary assignment to the Substance Use Education Program as specified
in the Administrative Regulations to this policy, and may also include (2) long-term suspension from
school. This policy is applicable to students at all grade levels. Any suspension together with an
assignment to the Substance Use Education Program under this policy may be appealed under Policy
§2-27. A disciplinary assignment to the Substance Use Education Program under this policy is not a
placement in an Alternative Education Program under Policy §8-40.

Students who are under the influence of drugs while under school authority, on a school bus,
on school property, or at a school sponsored activity, and students who possess drug paraphernalia
while under school authority, on a school bus, on school property, or at a school sponsored activity
shall be subject to disciplinary action, which shall include  (1) assignment to the Substance Use

with Policy §8-28.

treatment program.

Students shall cooperate with school personnel who are investigating violations of the drug
policy, including acceptance of school personnel's right to conduct reasonable searches of students’
personal belongings in accordance with Policy §8-2 of the policies. Failure of any student to permit
such reasonable search will be considered in defiance of school authority and may result in involuntary
transfer, long-term suspension, or expulsion from school.

Publications or other printed matter which advocate the use of illegal drugs or the Use of
legal drugs, or which portray such use or abuse as socially acceptable behavior, or which advertise the
sale of counterfeit or "look-alike" or "act-alike" drugs or drug-related paraphernalia are prohibited from
sale or distribution on school property. Any student selling or distributing such matter on school
property shall be subject to school discipline.

The provisions hereof which prohibit students from being under the influence of drugs shall not

Alumnos – 2017-2018
CONDUCTA DE LOS ALUMNOS

§8-36 Drogas

A. Responsabilidades de las escuelas

Las escuelas son responsables de mantener un entorno que estimule el aprendizaje y proteger a los alumnos de influencias ilegales y peligrosas. Los alumnos tienen la responsabilidad de obedecer las leyes y los reglamentos escolares y de estar libres de la influencia de drogas mientras se encuentren en la escuela. Todos los integrantes de la comunidad escolar deben cumplir las leyes, y el personal de la escuela tiene la obligación de informar a las autoridades apropiadas cuando sospeche que se ha cometido una infracción.

B. Responsabilidades de los alumnos

Está estrictamente prohibido que, mientras se encuentren bajo la autoridad de la escuela, en las instalaciones escolares, o en una actividad patrocinada por la escuela, los alumnos posean, distribuyan, vendan, usen o se encuentren bajo la influencia de cualquier droga (incluso esteroides anabólicos); cualquier sustancia química que afecte al cerebro o al sistema nervioso; o cualquier sustancia que se represente como, o se cree que es, una droga o sustancia química que afecta al cerebro o al sistema nervioso. Queda asimismo prohibida la posesión de toda parafernalia relacionada con drogas en esas situaciones.

Todo estudiante que traslade, posea, distribuya, venda o use:
  a) cualquier droga (inclusos esteroides anabólicos);
  b) sustancias controladas o imitaciones de sustancias controladas o semejantes a drogas;

–continúa en el reverso–
c) marihuana, imitaciones o sustancias de aspecto similar a la marihuana;

d) cualquier producto químico u otra sustancia que afecte al cerebro o al sistema nervioso;

o
e) cualquier producto químico u otra sustancia que represente o se crea que es capaz de afectar al cerebro o al sistema nervioso

será expulsado de la escuela según la Política §8-28.

No obstante, lo anterior, dados los hechos de un caso particular, pueden existir circunstancias especiales que indiquen otra acción disciplinaria como más apropiada por recomendación del director. El superintendente, o la persona designada por el superintendente, efectuará una revisión preliminar de todos los casos según esta Política, para determinar si es apropiada una acción disciplinaria alternativa a la expulsión. Si el superintendente, o la persona designada por el superintendente, determina que es apropiada una acción disciplinaria distinta de la expulsión, se llevará a cabo de acuerdo con la Política §8-28 y las Regulaciones Administrativas de esta Política. Si el superintendente, o la persona designada por el superintendente, determina que corresponde la expulsión, la Junta Escolar o un comité de la misma revisarán esa decisión y podrán dictar que, sobre la base de los hechos de un caso particular, existen circunstancias especiales que indican otra acción disciplinaria como más apropiada, y podrán revocar o modificar el veredicto del superintendente o de la persona designada por el superintendente. Si el superintendente, la persona designada por el superintendente, o la Junta Escolar encuentran que existen circunstancias especiales, la acción recomendada podrá incluir (1) la asignación como medida disciplinaria al Programa de Educación sobre Abuso de Sustancias Tóxicas (Substance Abuse Education Program) según se especifica en las Regulaciones Administrativas de esta política, e incluir (2) la suspensión por largo plazo de la escuela. Esta Política se aplica a los alumnos de todos los grados. Cualquier suspensión y asignación al Programa de Educación sobre Abuso de Sustancias Tóxicas como resultado de esta política podrá ser apelada según la Política §2-27. La asignación por sanción disciplinaria al Programa de Educación sobre Abuso de Sustancias Tóxicas según esta política no es una colocación en un Programa de Educación Alternativa según la Política 8-40.

Los alumnos que se encuentren bajo la influencia de drogas mientras estén bajo la autoridad de la escuela, en un autobús escolar, en las instalaciones de la escuela o en una actividad patrocinada por la escuela; y los alumnos que posean parafernalia relacionada con drogas mientras estén bajo la autoridad de la escuela, en un autobús escolar, en las instalaciones de la escuela o en una actividad patrocinada por la escuela, estarán sujetos a acción disciplinaria, que incluirá (1) la asignación al Programa de Educación sobre Abuso de Sustancias Tóxicas según se especifica en las Regulaciones Administrativas de esta política, y podrá incluir (2) la suspensión por largo plazo de la escuela, o (3) la derivación a la Junta Escolar para su expulsión de acuerdo con la Política §8-28.

Todos los alumnos que asistan al programa de educación sobre abuso de sustancias tóxicas por haber infringido esta política deberán someterse a una evaluación por uso de drogas o abuso de bebidas alcohólicas, administrada por un profesional matriculado con pericia en el tratamiento por abuso de sustancias. Si el evaluador lo recomienda, y con el consentimiento de sus padres, se podrá exigir al alumno que participe en un programa de tratamiento.

Los alumnos deberán cooperar con el personal de la escuela que esté investigando las infracciones de la política sobre drogas; esto incluye permitirle realizar inspecciones razonables de sus efectos personales, de acuerdo con la Política §8-2 de las políticas. Si un alumno se resiste a una inspección razonable, se lo considerará como un desafío a la autoridad de la escuela y podrá resultar en su transferencia involuntaria, su suspensión por largo plazo, o su expulsión de la escuela.

Se prohíbe la venta o distribución de publicaciones u otros materiales impresos que promuevan el uso de drogas ilegales o el abuso de drogas legales, o que promuevan esos usos o abusos como comportamientos socialmente aceptables, publiciten la venta de imitaciones de drogas, sustancias parecidas o que actúen en forma semejante a las drogas, o de parafernalia relacionada con drogas en las instalaciones de la escuela. Cualquier alumno que venda o distribuya ese tipo de material en las instalaciones de la escuela estará sujeto a sanciones disciplinarias.

Las disposiciones mencionadas que prohíben a los alumnos estar bajo la influencia de drogas no serán aplicables a quienes hayan tomado medicación (de venta libre o bajo receta) en estricto cumplimiento con las indicaciones de su médico o según las dosis recomendadas y de acuerdo con la Política §8-53 cuando resulte aplicable.

STUDENT CONDUCT

§8-32  Weapons

Possession or use of a weapon, loaded or unloaded, operable or inoperable, by a student while under the control or supervision of school system personnel, at a school-sponsored activity, or on school property is prohibited. This policy is applicable to students at all grade levels. The term "weapon" is intended to be construed broadly and includes any instrument or device which, by its design or use, is capable of causing injury, harm, or threat of injury or harm to the physical well-being of another person, as largely defined within both federal and state law. For the purposes of determining appropriate penalties for violations of this policy, “weapons” are classified as either Category A or Category B, except under specified circumstances.

A. Category A:

1. Firearms, starter guns or any weapon that is designed or can be readily converted to expel a projectile by action of an explosion. Examples of firearms would include any pistol, shotgun, rifle, or revolver;

2. Pneumatic guns, including a paintball gun, BB or pellet gun, or air rifle that use pneumatic pressure to expel a projectile; and

3. Explosive or incendiary devices, including those containing poison gas, acid or in the form of a grenade, rocket or bomb and any combination of parts either designed or intended for use in converting any device into any destructive device. “Destructive device” does not include any device that is not designed or redesigned for use as a weapon, or any device originally designed for use as a weapon and that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or other similar device.

B. Category B:

1. Any knife or other instrument or device that has a blade designed to cut or a point designed to penetrate, including a dirk, Bowie knife, switchblade, folding knife, ballistic knife, or machete;

2. Any gun or device designed to expel a projectile by any non-pneumatic or non-explosive action, including those using trigger, battery power or tension action. Examples include slingshots, bows, nail guns and toy shooting devices;

- continued on back-
§8-32  Weapons (continued)

3. A stun weapon of any kind;

4. Any club, baton, stick, flailing or thrown instrument or other similar device designed for use as a weapon, such as a blackjack, spring stick, brass or metal knuckles, nunchahka (nun chuck or nunchaku), fighting chain, shurken, throwing star or oriental dart;

5. Any chemical or chemical compound, including pepper spray, that produces an adverse effect on the normal functions of the human body;

6. Any instrument or device that is actually used intentionally to injure, harm, endanger or induce fear in another person, including “toy” or “look-alike” weapons; and

7. Any instrument or device, not included in Category A, which has as one of its designed purposes to be used as a weapon to injure, harm, or endanger another person.

C. Exceptions to Weapons Classifications:

The following weapon or weapons may be exempted from those categorized above, depending on the appropriateness of their use and provided that such weapons are authorized by a school official:

1. Those that are specifically a part of the school’s curriculum or activities or any organization authorized by the school to conduct its programs;

2. Those tools, such as a knife, customarily used for food preparation or service and is being used for such purpose; or

3. Those used within the Junior Reserve Officers Training Corps (JROTC) program in conducting marksmanship training when such training is a normal element of such programs; such programs may include training in the use of pneumatic guns. Alumnos – 2017-2018

CONDUCTA DE LOS ALUMNOS

§8-32 Armas

Está prohibida la posesión o el uso de armas, cargadas o descargadas y en funcionamiento o no, por los alumnos mientras estén bajo el control o la supervisión del personal del sistema escolar, en una actividad patrocinada por la escuela o en las instalaciones escolares. Esta política se aplica a los alumnos de todos los grados. El término “arma” se interpreta en su sentido más amplio e incluye cualquier instrumento o dispositivo que, por su diseño o uso, sea capaz de causar lesión, daño o amenaza de lesión o daño al bienestar físico de otra persona, según se define en gran medida tanto en las leyes estatales como federales. A los efectos de determinar las sanciones adecuadas por infringir esta política, las “armas” se clasifican en las Categorías A o B, excepto en algunas circunstancias específicas.

A. Categoría A:
1. Armas de fuego, pistolas de salva o cualquier arma diseñada para propulsar un proyectil mediante una explosión, o que pueda ser convertida fácilmente para ello. Entre los ejemplos de armas de fuego se encuentran las pistolas, escopetas, rifles y revólveres;
2. Armas neumáticas, incluidas las de bolas de pintura (paintballs), de aire comprimido BB o balines (pellets), o rifles que usen presión neumática para expulsar proyectiles; y
3. Dispositivos explosivos o incendiarios, incluidos los que contengan gas venenoso, ácido o funcionen como granadas, bombas o cohetes, y cualquier combinación de piezas diseñadas para, o con la intención de, convertir cualquier dispositivo en destructivo. El término “dispositivo destructivo” no incluye dispositivos que no hayan sido diseñados o rediseñados para su uso como armas, ni dispositivos diseñados originalmente para su uso como armas y rediseñados para señalización, pirotecnia, lanzamiento de líneas, seguridad o similares.

B. Categoría B:
1. Cualquier cuchillo u otro instrumento o dispositivo que tenga una hoja diseñada para cortar o una punta diseñada para penetrar, incluidos puñales, cuchillos Bowie, navajas de resorte, navajas plegables, cuchillos balísticos o machetes;
2. Cualquier arma o dispositivo diseñado para lanzar proyectiles con métodos no neumáticos o no explosivos, incluidos los que usan gatillos, los alimentados a batería o por tensión. Algunos ejemplos son tirachinas o gomeras, arcos, pistolas de clavos y dispositivos de juguete que disparan.

--continúa en el reverso--
§8-32 Armas (continuación)

3. Cualquier arma para aturdir;
5. Cualquier producto o compuesto químico, incluido el gas pimienta, que produzca un efecto adverso en las funciones normales del cuerpo humano;
6. Cualquier instrumento o dispositivo usado intencionalmente para causar lesión, daño, poner en peligro o inducir miedo en otra persona, incluso las armas de “juguete” o “imitaciones”; y
7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

C. Excepciones a las clasificaciones de armas:
Las siguientes armas pueden quedar exentas de las categorías anteriores según lo apropiado de su uso y siempre que hayan sido autorizadas por un funcionario escolar:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o
3. Las utilizadas por el Cuerpo de Entrenamiento de Oficiales de Reserva [Junior Reserve Officers Training Corps (JROTC)] para realizar ejercicios de tiro cuando sean parte normal de esos programas; los programas podrán incluir entrenamiento en el uso de armas de aire comprimido. Ese entrenamiento de tiro sólo podrá realizarse en ubicaciones aprobadas por el Superintendente de la División.

D. Sanciones por las infracciones:

1. Violación de la política sobre armas categoría A: Cualquier estudiante que violare esta política con respecto a un arma categoría A será recomendado automáticamente para que se lo expulse de las Escuelas Públicas del Condado de Loudoun por el Director y disciplinado de conformidad con la Política §8-28. No obstante, de conformidad con la política mencionada, el director puede indicar que pueden existir circunstancias especiales y por lo tanto recomendar asimismo que se considere una acción disciplinaria alternativa. El Superintendente o la persona designada por el Superintendente determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.
2. Infracciones con armas de la Categoría B: todo alumno que cometa una infracción relacionada con las armas de la Categoría B o cualquier otro de los términos de esta política puede ser expulsado de las Escuelas Públicas del Condado de Loudoun o recibir una sanción menor, incluida su suspensión a largo plazo, según lo considere adecuado el Superintendente o la persona por él designada, según la Política §8-28.
3. Disposiciones de protección legal: la posesión accidental o inadvertida de un arma por el alumno si la llevó a las instalaciones escolares o a una actividad patrocinada por la escuela, o la encontró en ella, no constituye una infracción de esta política siempre que el alumno lo informe inmediatamente a un docente o administrador al darse cuenta, y antes de que sea descubierta o vista por un docente, administrador, otro empleado de la escuela u otro alumno.
4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.
5. Derecho de apelación: ciertas acciones disciplinarias por infracciones a esta política son apelables o deben ser determinadas formalmente por un Comité de la Junta Escolar, según lo determina la Política §8-28.
