Wow - February is already here! Planning for next year is already well underway. Please note that our course selection night is scheduled for Monday, February 11, beginning at 6 PM. This is for rising 9 - 12 graders and their parents. Additional information for this evening is included in the Counseling section of our newsletter.

I do want to take a moment and thank the Woodgrove community for an outstanding first semester. Our ninth graders have completed their first semester of high school and have adapted very well to life at Woodgrove, while our seniors have but one more semester to go and the excitement for graduation grows daily as news of college acceptances and other post high school plans present themselves. In addition, this first semester offered excellent athletic and academic competitions on our fields and in our classrooms. While on our stage, superb concerts and plays were performed by our students and they were, of course, exceptional. Overall, the first semester brought many remarkable events at Woodgrove. With the beginning of our second semester, we expect February to bring many more positive activities and opportunities - I do encourage you to attend these events and support our students in their endeavors. Please see our school calendar for the dates and times of upcoming events.

We are looking forward to an excellent second semester and spring - best wishes to everyone and I thank you again for your support!

Early Dismissal and Front Office Policies

In order to minimize interruptions to classes and disruption to the school routine the following have been implemented:

- EARLY DISMISSALS – Early dismissal requests should be submitted by 9:15 am by emailing WHSearylydismissal@lcps.org. The request should include the student's name, time of dismissal, reason for dismissal and parent name. It is your student's responsibility to pick up their dismissal note at the Welcome Center located in the main foyer. If a request is made through this email you will receive a confirmation and will not be required to sign your student out. If a request is not made in advance, the student will not be dismissed from class until a parent or guardian arrives to sign the student out. Unless for an emergency, phone calls will not be permitted for early dismissal requests.

- When dropping off lunch or other items for your child, please leave them on the table next to the Welcome Center. This drop off is intended to be for your child only. We do not accept food or other items intended for a group of students. Communicate with your child to pick up the item between classes only – students will not be allowed to leave a class to pick up items left at the table.

- The school does not permit restaurant food deliveries at any time.

- Visitors are not permitted unless arranged in advance, in writing with teachers and administration. All visitors are required to supply a government issued ID when entering the building and signing in at the Welcome Center.

Students
Parents,

*Did you know that this year we have Math, English, and Science teachers available every block to help students with homework assignments, preparing for assessments, or reviewing for SOL exams? We also have Writing Center tutors available during all lunch periods and during all study halls. Our new Learning Labs have already been very helpful for many students, and if your students could use a little help in these subjects, they should definitely take advantage of these opportunities during their study hall.*

Contact Dr. Cuozzo, Academic Coordinator, with any questions (*Christopher.Cuozzo@lcps.org*).

Please join the Woodgrove Theatre Department beginning January 25th as they present this year’s Musical Theatre class production, Stephen Sondheim’s Company. 24 student cast members will dazzle you with their amazing voices, quick wit, and quick feet. Company is a 1970s musical comedy that was nominated for an amazing 14 Tony Awards. The musical revolves around Robert (Bobby), a young, single man who is unable to commit fully to a relationship. Along with Bobby for the ride are five married couples and his three girlfriends. Unlike other musicals, Company is a series of short vignettes and does not follow a clearly dictated path, thus it is considered a "concept" musical. Come follow along as Bobby, his married friends, and his girlfriends deal with "the little things you do together - that make marriage a joy..." or in some cases - a nightmare.

Cross Curricular Connections

February marked the culmination of a months long project we embarked on with AP US History and AP English Language students in Mr Balas's, Ms Mulloy's, Ms Elbaum's and Ms Harar's classes. Shortly after the midterm elections, students used primary source documents to research voting rights issues in the Antebellum, Progressive, and Civil Rights eras.

Student in APUSH returned to the library to do further research on one of the three time periods of their choosing. They had to create and give a presentation that addressed the driving question "How has the U.S. lived up to what it has preached regarding opportunity for all, equality before the law, and legally protected liberties, over its history?

In AP Lang, students learned about persuasion in speeches and analyzed a speech from the area they researched in APUSH to unveil its persuasive qualities. Students then learned about speech-writing and chose a current social justice issue relevant to their lives. Honing their best persuasive writing skills, they wrote an original speech about their issue of choice. To showcase their writing, each student picked a "golden line" from their speech, which captured the essence of their ideas. These golden lines are presented in a display outside the Woodgrove High School library.

Senior Vs. Staff Basketball Game

Over 700 students took to the bleachers to watch the Seniors vs. Staff Basketball Game. Students excitedly cheered on their peers and staff members alike as they went head to head on the court. Ultimately, the team of seniors were victorious, scoring 20 points against the staff’s 11. The basketball game was a lot of fun for all those who attended and participated.

According to Mr. Greening, a social studies teacher who played in the game, explains his experience, explaining how he “enjoys playing in these student/faculty games because it fosters school spirit and encourages a different kind of interaction between us. It is remarkable how each person expresses his or her personality on the court. For example, Mr. Shipp is such a predictable, steady person in everything he does, including playing basketball. His shot form is perfect, and he plays with a steady ease that matches his personality. The students bested us this time. Our shooting percentage was atrocious. We’re actually much better players than we showed on the court. It’s not about winning and losing (said the loser). But seriously, it’s about the camaraderie.”

According to Giovanni Cianciaruso, a senior who played for the student team, “playing in the Senior vs. Staff Basketball Game was a really fun experience. It was especially cool for me, and other non-basketball players, to try out our skills on the court as we faced off against our teachers.” Members of the audience also had a great time watching the game. Malcolm Woehrle, a junior who loves basketball, says “The game was a really great way to bring everyone together and I can’t wait to get the chance to play next year.”

Overall, the Senior vs. Staff Basketball Game was a really successful event, increasing school spirit and raising funds that the Senior Class Council will use to help cover the costs of graduation.
NHS Induction Ceremony

The Woodgrove High School National Honors Society inducted its new members on January 4th, 2019, led by president Darin Avila, sponsor Dr. Cuozzo, and Woodgrove High School principal Mr. Shipp. The National Honors Society is present in high schools across the country, and serves to recognizes students who have proven to be outstanding in the areas of academics, service, character, and leadership. Acceptance into the NHS is considered a great honor, as these students will now become even further involved in their communities, and be asked to uphold high academic, and moral standards. President Avila commented, “I thought the evening went very well, and it was a great opportunity for all of the accepted students to be recognized for all of their hard work. Hopefully the event will inspire both members and nonmembers to become active and engaged in their communities and studies.” Congratulations to all recent inductees.

Valley Basketball Games

Woodgrove's women's and men's basketball teams took on Loudoun Valley's basketball teams on January 4th. For Woodgrove it was an unfortunate defeat, with the women’s team losing 61-33 and the men’s 74-70. According to Lauren Sheehan, a senior on the women’s varsity team, “since we have such a young team it was definitely a nerve racking experience for the young girls. The next game should be a better result since they now have a better understanding of the environment.” While Woodgrove may not have won this time around, the basketball players were glad to have their peers supporting them in the bleachers, cheering them on as they faced off against the cross-town rivals.

Company Production

This month, the Woodgrove theater department is showing of Stephen Sondheim's Company, produced by Woodgrove’s musical theater class. This musical comedy a “concept” musical, revolves around a man named Bobby as he navigates the struggles of his reluctantly single lifestyle amidst his friends who are all already married. Congrats to the cast and crew on a series of great performances!

Academic Team Win

Woodgrove's Academic Team competes in quiz bowl, a quiz-based buzzer competition in which teams of four students compete to answer questions about academic subjects such as science, literature, and current events faster than their opponents. Woodgrove’s Academic Team has competed successfully in the local competitions against other Loudoun County Public Schools. According Darin Avila, a senior and veteran Academic Team member, “we are incredibly proud of the academic teams' accomplishments this year and our ability to win the district championship, be the runner up in the regional tournament, and qualify for super regionals. Hopefully, we will continue to compete successfully and make it to the state competition.”
VSCA Advisory Committee Meeting

On Saturday, January 26th, several Woodgrove SCA members, including State Vice President Sam Payne, travelled to Prince George High School to attend the third and final VSCA Advisory Committee meeting of the year. During this meeting, Payne helped lead the representatives from schools all around the Commonwealth of Virginia in preparations for the 2019 VSCA Convention. According to Sam, “this is the last meeting before convention and I can’t wait to have everything lying flat before we throw down in March.”

The VSCA will be returning to the The Founders Inn in Virginia Beach, March 22 - 24, 2019, for its 93rd annual student leadership convention! At VSCA Convention, student leaders from across the state gather to learn from one another ways that they can promote greater school spirit in their schools, develop integral leadership skills, and work together for the state service project. This year the state service project is assembling craft kits for hospitalized children.

The week begins on Tuesday with the NHS’s winter blood drive. Sign-ups will be the week of February 5 during lunch shifts outside the cafeteria.

The Community Service Committee will be organizing a Survivors’ Wall at the start of the day on Tuesday to remember all those who have experienced heart-related illnesses in life and to offer support to those currently fighting. On Thursday, the committee will be hiding heart facts, known as “Power-Ups” throughout the building for students to find and turn in for prizes.

During lunches on Wednesday and Friday of that week, we’ll have heart-healthy contests in the Aux Gym like Tug-o-War and a Hoops Challenge!
On February 5, the Student Council Senators will be choosing the charity of the year at general assembly meeting. The meeting is at 8:15am in L401 and is open to the entire school. Everyone in attendance is eligible to vote. All proceeds from Woodgrove’s annual dodgeball tournament will be donated to this charity.

Lastly, the eligible voting members of the Student Council will be electing the Executive Board officers that will co-serve for the remainder of this year and be sworn in at the May Banquet. These student leaders will be elected on February 13 during lunches. Those students running for positions are:

- President: Riley Parsons
- Administrative Vice President: Nathan Rand
- Budget Director: Kolbee Wisniewski
- Communications Director: Ben Alter and Kildea McMahon
- Community Service Director: Ashton Smyth
- Marketing: Ava Eckenrode and Julia Murray
- Student Activities: Jack Hughes and Charlie Piercy

Best of luck to all the candidates!
January 2019 Wrap-Up

What a short – but busy – month in the world of student activities!

Amidst several snow days, two-hour delays, and the first two-hour planned early release in recent history, Woodgrove wrapped up the first half of the year with semester assessments and a four-day weekend for the student body. Report cards are currently available in Phoenix (StudentVue and ParentVue). Please check yours if you have not done so already.

Our electronic pass system, eHallPass, continues to thrive throughout the building. As of mid-January, we passed the 42,000 mark for active passes for the school year so far! We’re spreading the word to other LCPS schools who are looking into possibly using the service for the rest of the year. As is often the case, Woodgrove helps lead the way in new and innovative ideas.

Our planned all-school assembly for Wednesday, January 30 was postponed due to the snow day. We will work with the company for a make-up date later in the third quarter. Point of View is a new 40-minute multi-media experience from Camfel Productions designed to look beyond the violence, racism, intolerance, harassment, and hate in this world, giving students a new perspective on the differences that separate them from their peers, their parents, and the others who are around them. While they gain a new sense of their own innate worth, they’ll grow to appreciate the diversity of race, language, and culture that make up the community in which they live.

The yearbook staff is excited about the club picture days scheduled for Friday, February 1 and Monday, February 4. The list of pictures for each day is attached.

As February begins, we look forward to celebrating the 100th Day of School, the NHS Blood Drive, and the Student Council’s C.A.R.E. About Your Heart Week. The Counseling Department will be rolling out information on scheduling for next year’s classes and electives for grades 9-11 this month. The Parent Info Night is planned for Monday, February 11 in the auditorium. Two big events we’re hosting in February – the District Chorus Competition and an Odyssey of the Mind Contest – both on Saturday, February 9. Our Blue and Green Clubs return to meetings on Wednesday, February 13.

Looking further down the calendar, we are planning for our annual Eighth Grade Expo on March 21 and the new We’re All Human Wellness Fair on March 28.

As always, plenty of fun and exciting things happening in Wolverine World. Stay up-to-date by viewing the school calendar and the “Our School” tab on the school website.

INFORMATION ABOUT NOROVIRUS FOR PARENTS

At this time of the year, families are seeing an increase in gastroenteritis which is an inflammation of the stomach, small intestine, and large intestines. Although it may have many causes, the most frequent one appears to be “Norovirus”. The following information from the Virginia Department of Health may prove helpful in understanding it.

WHAT ARE NOROVIRUSES?

Norovirus is a virus that causes the “stomach flu”, or vomiting and diarrhea, in people. This can sometimes be confusing because influenza (flu) symptoms include: headache, muscle aches and pains, cough, fever > 100.0, but influenza does not involve the gastrointestinal tract. The term “stomach flu” presumes a viral infection, even though there may be other causes of the infection. Viral infections are the most common cause of gastroenteritis but bacteria, parasites, and food–borne illnesses (such as shellfish) can also be the offending agents.

WHAT ARE THE SYMPTOMS OF ILLNESS CAUSED BY NOROVIRUSES?

Norovirus illness usually begins 24-48 hours after exposure, but can appear as early as 10 hours after exposure. Symptoms usually include nausea, vomiting, diarrhea, and stomach cramping. Sometimes there may be a low-grade fever, chills, headache, muscle aches, and a general sense of tiredness. The illness is usually brief, with symptoms lasting only 1-2 days.

HOW SERIOUS IS THE NOROVIRUS?

Norovirus disease is usually not serious, but people may feel very sick. Most people get better within 1-2 days, and have no long-term health effects from the illness. Sometimes individuals are unable to drink enough liquids to replace what they have lost through vomiting and diarrhea, and they can become dehydrated and need to see a doctor. This problem usually occurs only among the very young, the elderly, and persons with weakened immune systems.

HOW IS IT SPREAD?

Noroviruses are very contagious and spread from person to person. The virus is found in the stool, and vomit of infected people. One can become infected in several ways, including eating food or drinking liquids that are contaminated by infected food handlers, touching surfaces or objects contaminated with norovirus and then touching their mouth before handwashing, or having direct contact with another person who is infected and then touching their mouth before hand washing. Outbreaks also have occurred from eating undercooked oysters (shellfish) harvested from contaminated waters- cooking kills the virus. Drinking water contaminated by sewage can also be a source of these viruses. Persons working in day- care facilities or nursing homes should pay special attention to children or residents who have norovirus illnesses. This virus can spread quickly in these places.
HOW LONG ARE PEOPLE CONTAGIOUS?

Individuals infected with norovirus are contagious from the moment they begin feeling ill to at least 3 days after recovery. Some people may be contagious for as long as 2 weeks after recovery. Therefore, good handwashing is important. Persons infected with norovirus should not prepare food while they have symptoms and for 3 days after they recover. Infected people do not become long-term carriers of norovirus.

WHO GETS NOROVIRUS INFECTION?

Anyone can become infected with these viruses. Because there are many different strains of norovirus, norovirus infection and illness can re-occur throughout a person’s lifetime.

WHAT IS THE TREATMENT?

Currently, there is no specific medication or vaccine for norovirus. Norovirus infection cannot be treated with antibiotics. By drinking fluids, such as water or juice, individuals can reduce their chance of becoming dehydrated. Sports drinks do not replace the nutrients and minerals lost during this illness.

DO INFECTED INDIVIDUALS NEED TO BE EXCLUDED FROM SCHOOL, WORK OR DAYCARE?

Since the virus is passed in vomit and bowel movements, students should not go to school and children to daycare while they have diarrhea or vomiting. Once the illness ends, they can return, but handwashing is essential. Persons who work in nursing homes, take care of patients, or handle food should stay out of work until at least 3 days after symptoms end.

CAN NOROVIRUS INFECTIONS BE PREVENTED?

You can decrease your chance of coming in contact with noroviruses by:

- frequent hand washing with warm water and soap
- promptly disinfecting contaminated surfaces with household chlorine bleach-based cleaners
- washing soiled clothing and linens
- proper hand washing following a bowel movement or handling a soiled diaper
- avoiding food or water from sources that may be contaminated
- cooking oysters (shellfish) completely to kill the virus

As always, if you have any questions or would like to discuss a health concern of your child, please give me a call at 540-751-2606 (clinic).

Top 3 Myths of Running Shoes

Athletes always ask “What’s the best running shoe for me?” There is a big problem when a clinician’s knowledge base of shoe prescription has been largely, and in some cases, entirely shaped by the shoe industry itself. It is important to understand how shoes impact gait and how gait impacts shoes. Here are 3 common myths:

1. **Running shoes prevent injury**– Both minimalist and ultra-padded shoe companies think they can prevent you from breaking down. Despite what you might hear in clever marketing, no scientific studies have actually proven that one type of shoe can prevent injury compared to another. Not everyone will react the same to changes in foot ware. What works better for you might be horrible for someone else.

2. **You need to shop for your foot type**– You’ve likely heard the shoe companies recommend these general rules of thumb. Overpronators (flat feet) need motion control. Supinators (high arch) need more cushion and Neutral runners should be in a more neutral shoe. Turns out, there is actually no proof backing these concepts. The arch is dynamic. It moves. You don’t hold it in one place. Research shows that when running, different foot types move much more similarly than differently. There’s zero proof that arch height or foot shape plays an effective role in foot ware prescription.

3. **Energy return makes you faster**– The biggest myth out there is probably the concept of “energy return”. Shoe companies claim that different materials will help absorb some of the shock from running and return it to your stride for added speed and endurance. No shoe, unless it has an engine in it, will ever return energy to a runner.

The bottom line? There’s just not a magical “cure-all” shoe. Gimmicks aside, the only way to help yourself run faster and prevent injury is to spend more time in the weight room to establish a proper strength training base.

Nutrition

Caffeinated Gum

Caffeinated gum is making an impact within the sports nutrition market. With expectations of reaching $52 billion in sales by 2020, this energy aid's advantage comes from a quick delivery. You can get similar effects to caffeine gels and tablets, but caffeine gum is absorbed faster and you may not need a big of dose. Along with delivering energy, caffeine can help performance by making physical challenges feel easier and reducing feelings of fatigue.

Due to its performance-enhancing quality, the World Anti-Doping Agency had limited caffeine intake until 2004. That limit has since been lowered because caffeine is so common, paving the way for the caffeinated gum craze. However, the gum is still banned at the NCAA level.

One side effect for the gum is that high caffeine consumption can lead to building up a tolerance. Therefore, athletes who have a tolerance wouldn't benefit from the extra caffeine. In general, athletes who typically consume one or two cups of caffeine each day should still a boost from the gum. Caffeine sensitivity differs, so trying out the gum before a big event is recommended.

All in all, although caffeinated gum may help in giving a quick boost of energy, researchers remind athletes not to forget basic fueling. In a major endurance event, you can’t survive on the gum alone. You’ll need carbohydrates, too!

Loudoun County Public Schools’ Insurance Does Not Provide Coverage for Students’ and Employees’ Personal Property Brought to School.

Each year the LCPS Procurement/Risk Management Office receives claims where school students and employees have lost valuable personal property brought to school. Every type of personal property is subject to loss by accident, theft, or vandalism.

Examples of personal property include:

iPods, iPads, cell phones, smart phones, cameras, tablets, lap top computers, etc.

The Worth Avenue Group has been providing insurance programs to thousands of students and staff across the country since 1971. Their personal property insurance plans have been utilized by many colleges and universities and have been made available to public school students, faculty, and staff nationwide.

Losses Covered: The plans cover loss or damage, occurring during the policy period, to personal property, which you own or have leased. See policy for items excluded from coverage. Coverage may be purchased on a “cash value or replacement cost” basis with a deductible as low as $50 per occurrence.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY
Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: www.studentinsurance-kk.com or call 1-855-742-3135.

Expenses for the following are not covered: Prosthetic Devices, Mental and Nervous Disorders, Home Health Care, Injections.

This policy contains an excess provision. Benefits will not be paid under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.

Details of these benefits may be found in the Master Policy on file at the School District. **NOTE:** This is a brief summary of the benefits and not a contract. A Master Policy has been provided to your school district that contains all of the provisions, limitations and exclusions and qualifications of the insurance benefits. The Master policy is the contract and will govern and control the payment of benefits.
Choose Your Coverage Plan:  

One-Time Payment For Accident Coverage

**PLEASE NOTE - FOR COVERAGE PLANS LISTED BELOW**

**Coverage Effective Date:** A person’s coverage takes effect at the later of the date his or her completed application and premium is received by the company or the effective date of the policy issued to his or her school or school district.

**Coverage Termination Date:** Coverage ends on the earlier of the date his or her coverage has been in force for twelve months or the first day of the next school year. All coverage ceases if the policyholder cancels the policy or when the person ceases to be eligible. Termination of coverage for any reason will not affect a claim which occurs before coverage ends.

### Facts about the Policy

1. **WHO IS ELIGIBLE:** students of the policyholder who make the required premium contribution for the coverage selected are eligible. Student status continues after graduation and between school years unless the person enrolls at a different school district.
2. The Master Policy on file with the school district is a non-renewable policy.
3. **This is a limited benefit policy.**
4. **COVERAGE EFFECTIVE DATE:** A person’s coverage takes effect at the later of the date his or her completed application and premium is received by the company or the effective date of the policy issued to his or her school or school district.
5. **COVERAGE TERMINATION DATE:** Coverage ends on the earlier of the date his or her coverage has been in force for twelve months or the first day of the next school year.
   
   All coverage ceases if the policyholder cancels the policy or when person ceases to be eligible. Termination of coverage for any reason will not affect a claim which occurs before coverage ends.
6. **LATE ENROLLMENT:** Coverage may be purchased at any time during the school year. There is no premium reduction for any individual who enrolls late in the year.
7. **CANCELLATION:** Coverage under the Policy will not be cancelled, and accordingly, premiums may not be refunded after acceptance by the Company. However, a pro-rata refund of premium shall be made in the event a Covered Person enters the Military Service.
8. **STUDENT TRANSFER:** The policy continues to be in force anywhere in the world if the Covered Person should relocate prior to the expiration of coverage.

!!NOTICIA IMPORTANTE!!
Las Escuelas Públicas del Condado de Loudoun no disponen de seguro médico o de accidente para cubrir a los estudiantes cuando se accidentan en la escuela.

Estimados Padres/Guardianes Legales:

LCPS recibe reportes de estudiantes que accidentalmente se hieren cuando participan en actividades escolares, incluyendo algunas con heridas graves que requieren atención médica costosa. La oficina de adquisiciones y manejo de riesgos rutinariamente recibe llamadas de padres de quien sus hijos son accidentalmente heridos cuando participaban en actividades escolares y no tenían cobertura de seguro o tienen cobros por encima del valor de pago de su seguro.

LCPS no proporciona seguros de accidentes médicos para los estudiantes accidentados que han participado en actividades escolares. Pero, nosotros proveemos la opción de compra voluntaria de seguro para accidentes por medio de K&K seguros.

El seguro de accidentes por K&K ofrece planes opcionales de cobertura basado en “excesos” para heridas de accidente que puedan ocurrir durante actividades escolares o incluyendo a tiempo completo. Esto depende del plan elegido.

Si usted ya tiene seguro a través de otra poliza, estos planes de cobertura de accidente pagan beneficios no cubiertos por su otro seguro. Si no tiene ningún otro plan de seguro disponible, invertiendo una mínima cantidad de dinero ahora en uno de estos planes le podría ahorrar considerables gastos más tarde si tuviese un accidente que requiriese atención médica.

Su registro voluntario en uno de estos planes debe de ser cuidadosamente considerado. Gracias y por favor llame si tiene alguna pregunta o inquietud.

This policy is applicable to students at all grade levels. The term "weapon" is intended to be construed broadly and includes any instrument or device which, by its design or use, is capable of causing injury, harm, or threat of injury or harm to the physical well-being of another person, as largely defined within both federal and state law. For the purposes of determining appropriate penalties for violations of this policy, “weapons” are classified as either Category A or Category B, except under specified circumstances.

A. Category A:

1. Firearms, starter guns or any weapon that is designed or can be readily converted to expel a projectile by action of an explosion. Examples of firearms would include any pistol, shotgun, rifle, or revolver;

3. Explosive or incendiary devices, including those containing poison gas, acid or in the form of a grenade, rocket or bomb and any combination of parts either designed or intended for use in converting any device into any destructive device. “Destructive device” does not include any device that is not designed or redesigned for use as a weapon, or any device originally designed for use as a weapon and that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or other similar device.

B. Category B:

1. Any knife or other instrument or device that has a blade designed to cut or a point designed to penetrate, including a dirk, Bowie knife, switchblade, folding knife, ballistic knife, or machete;

2. Any gun or device designed to expel a projectile by any non-pneumatic or non-explosive action, including those using trigger, battery power or tension action. Examples include slingshots, bows, nail guns and toy shooting devices;

- continued on back-
§8-32  Weapons (continued)

3. A stun weapon of any kind;

4. Any club, baton, stick, flailing or thrown instrument or other similar device designed for use as a weapon, such as a blackjack, spring stick, brass or metal knuckles, nunchakka (nun chuck or nunchaku), fighting chain, shurken, throwing star or oriental dart;

5. Any chemical or chemical compound, including pepper spray, that produces an adverse effect on the normal functions of the human body;

6. Any instrument or device that is actually used intentionally to injure, harm, endanger or induce fear in another person, including “toy” or “look-alike” weapons; and

7. Any instrument or device, not included in Category A, which has as one of its designed purposes to be used as a weapon to injure, harm, or endanger another person.

C. Exceptions to Weapons Classifications:

The following weapon or weapons may be exempted from those categorized above, depending on the appropriateness of their use and provided that such weapons are authorized by a school official:

1. Those that are specifically a part of the school’s curriculum or activities or any organization authorized by the school to conduct its programs;

2. Those tools, such as a knife, customarily used for food preparation or service and is being used for such purpose; or

3. Those used within the Junior Reserve Officers Training Corps (JROTC) program in conducting marksmanship training when such training is a normal element of such programs; such programs may include training in the use of pneumatic guns. Such marksmanship training shall occur only at a location or locations approved by the Division Superintendent.

D. Penalties for Violation:

1. Category A Weapons Violation: Any student who violates this policy with respect to a Category A weapon shall be automatically recommended for expulsion from Loudoun County Public Schools by the Principal and disciplined according to Policy §8-28. In accordance with that policy, however, the Principal may indicate special circumstances that may exist and therefore also recommend an alternative disciplinary action be considered. The Superintendent or the Superintendent’s designee shall determine if special circumstances exist and may determine that the recommended disciplinary action is appropriate, or if special circumstances are found not to exist, proceed with the expulsion recommendation in accordance with Policy §8-28.

2. Category B Weapons Violation: Any student who violates this policy with respect to a Category B weapon or any other terms of this policy may be subject to expulsion from Loudoun County Public Schools, or to such lesser disciplinary action, including long-term suspension, as may be deemed appropriate by the Superintendent or the Superintendent’s designee in accordance with Policy §8-28.

3. Safe Harbor Provision: The accidental or inadvertent possession of a weapon by a student, either brought onto or found on school property or at a school-sponsored activity shall not constitute a violation of this policy, provided the student immediately reports the same to a teacher or administrator upon discovery thereof by such student and before it is discovered or seen by a teacher, administrator or other school employee or by another student.

4. Reporting to Law Enforcement: Notwithstanding the foregoing, there may be a requirement to report such possession to law enforcement officials as provided in state law.

5. Right of Appeal: Certain disciplinary actions for violations of this policy are appealable to or must be formally determined by a Committee of the School Board as provided in Policy §8-28.

CONDUCTA DE LOS ALUMNOS

§8-32 Armas

Está prohibida la posesión o el uso de armas, cargadas o descargadas y en funcionamiento o no, por los alumnos mientras estén bajo el control o la supervisión del personal del sistema escolar, en una actividad patrocinada por la escuela o en las instalaciones escolares. Esta política se aplica a los alumnos de todos los grados. El término “arma” se interpreta en su sentido más amplio e incluye cualquier instrumento o dispositivo que, por su diseño o uso, sea capaz de causar lesión, daño o amenaza de lesión o daño al bienestar físico de otra persona, según se define en gran medida tanto en las leyes estatales como federales. A los efectos de determinar las sanciones adecuadas por infringir esta política, las “armas” se clasifican en las Categorías A o B, excepto en algunas circunstancias específicas.

A. Categoría A:
1. Armas de fuego, pistolas de salva o cualquier arma diseñada para propulsar un proyectil mediante una explosión, o que pueda ser convertida fácilmente para ello. Entre los ejemplos de armas de fuego se encuentran las pistolas, escopetas, rifles y revólveres;
2. Armas neumáticas, incluidas las de bolas de pintura (paintballs), de aire comprimido BB o balines (pellets), o rifles que usen presión neumática para expulsar proyectiles; y
3. Dispositivos explosivos o incendiarios, incluidos los que contengan gas venenoso, ácido o funcionen como granadas, bombas o cohetes, y cualquier combinación de piezas diseñadas para, o con la intención de, convertir cualquier dispositivo en destructivo. El término “dispositivo destructivo” no incluye dispositivos que no hayan sido diseñados o rediseñados para su uso como armas, ni dispositivos diseñados originalmente para su uso como armas y rediseñados para señalización, pirotecnia, lanzamiento de líneas, seguridad o similares.

B. Categoría B:
1. Cualquier cuchillo u otro instrumento o dispositivo que tenga una hoja diseñada para cortar o una punta diseñada para penetrar, incluidos puñales, cuchillos Bowie, navajas de resorte, navajas plegables, cuchillos balísticos o machetes;
2. Cualquier arma o dispositivo diseñado para lanzar proyectiles con métodos no neumáticos o no explosivos, incluidos los que usan gatillos, los alimentados a batería o por tensión. Algunos ejemplos son tirachinas o gomeras, arcos, pistolas de clavos y dispositivos de juguete que disparan.

–continúa en el reverso–
§8-32  Armas (continuación)

3. Cualquier arma para aturdir;
5. Cualquier producto o compuesto químico, incluido el gas pimienta, que produzca un efecto adverso en las funciones normales del cuerpo humano;
6. Cualquier instrumento o dispositivo usado intencionalmente para causar lesión, daño, poner en peligro o inducir miedo en otra persona, incluso las armas de “juguete” o “imitaciones”; y
7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

C.  Excepciones a las clasificaciones de armas:

Las siguientes armas pueden quedar exentas de las categorías anteriores según lo apropiado de su uso y siempre que hayan sido autorizadas por un funcionario escolar:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o
3. Las utilizadas por el Cuerpo de Entrenamiento de Oficiales de Reserva [Junior Reserve Officers Training Corps (JROTC)] para realizar ejercicios de tiro cuando sean parte normal de esos programas; los programas podrán incluir entrenamiento en el uso de armas de aire comprimido. Ese entrenamiento de tiro sólo podrá realizarse en ubicaciones aprobadas por el Superintendente de la División.

D. Sanciones por las infracciones:

1. Violación de la política sobre armas categoría A: Cualquier estudiante que violare esta política con respecto a un arma categoría A será recomendado automáticamente para que se lo expulse de las Escuelas Públicas del Condado de Loudoun por el Director y disciplinado de conformidad con la Política §8-28. No obstante, de conformidad con la política mencionada, el director puede indicar que pueden existir circunstancias especiales y por lo tanto recomendar asimismo que se considere una acción disciplinaria alternativa. El Superintendente o la persona designada por el Superintendente determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.
2. Infracciones con armas de la Categoría B: todo alumno que cometa una infracción relacionada con las armas de la Categoría B o cualquier otro de los términos de esta política puede ser expulsado de las Escuelas Públicas del Condado de Loudoun y recibir una sanción menor, incluida su suspensión a largo plazo, según lo considere adecuado el Superintendente o la persona por él designada, según la Política §8-28.
3. Disposiciones de protección legal: la posesión accidental o inadvertida de un arma por el alumno si la llevó a las instalaciones escolares o a una actividad patrocinada por la escuela, o la encontró en ella, no constituye una infracción de esta política siempre que el alumno lo informe inmediatamente a un docente o administrador al darse cuenta, y antes de que sea descubierta o vista por un docente, administrador, otro empleado de la escuela u otro alumno.
4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.
5. Derecho de apelación: ciertas acciones disciplinarias por infracciones a esta política son apelables o deben ser determinadas formalmente por un Comité de la Junta Escolar, según lo determina la Política §8-28.
