Despite the chilly temperatures and the forecast of snow, spring really is upon us! There is nothing like the whirlwind of activity and wonderful happenings in a high school during the spring time! I encourage you to view the school’s calendar on our website for upcoming events and opportunities. In addition to their studies, our students put hours upon hours practicing for plays, performances, and competitions - please attend all that you can and support our Wolverines!

School safety is in the forefront of our minds and it is of the utmost importance to all of us. As a reminder, please have your identification ready when you enter the school. All visitors must check in at the Wolverine Welcome Center in the main foyer.

In addition, we have many new drivers and with regards to safety, for those parents or guardians who have a son or daughter driving to school, please continue to review with them the importance of safe driving. The beginning and end of the day are very busy times in our parking lots and students, staff, and parents must be diligent so that we can avoid any accidents. Your assistance with this certainly is appreciated.

March also brings with it the SOL English Multiple-Choice Test and the SOL Direct Writing Test for our Juniors during the week of March 4. We have devoted many resources to ensure that all of our students are prepared to take and pass the SOL Tests. Please be sure your child gets sufficient rest, eats breakfast, and is on time to school during these testing sessions.

Once again, many thanks for your ongoing support and encouragement.

Early Dismissal and Front Office Policies

In order to minimize interruptions to classes and disruption to the school routine the following have been implemented:

• EARLY DISMISSALS – Early dismissal requests should be submitted by 9:15 am by emailing WHSearlydismissal@lcps.org. The request should include the student's name, time of dismissal, reason for dismissal and parent name. It is your student's responsibility to pick up their dismissal note at the Welcome Center located in the main foyer. If a request is made through this email you will receive a confirmation and will not be required to sign your student out. If a request is not made in advance, the student will not be dismissed from class until a parent or guardian arrives to sign the student out. Unless for an emergency, phone calls will not be permitted for early dismissal requests.
• During a power outage, instruction continues as normal as possible. To limit the interruptions during this situation, your student will be dismissed when the bell rings for class change. Your child should then report to the Welcome Center for their early dismissal. If it is an emergency your child will be notified as soon as possible.
• When dropping off lunch or other items for your child, please leave them on the table next to the Welcome Center. This drop off is intended to be for your child only. We do not accept food or other items intended for a group of students. Communicate with your child to pick up the item between classes only – students will not be allowed to leave a class to pick up items left at the table.
• The school does not permit restaurant food deliveries at any time.
• Visitors are not permitted unless arranged in advance, in writing with teachers and administration. All visitors are required to supply a government issued ID when entering the building and signing in at the Welcome Center.

Procedure for Early Dismissal During Power Outage:

During a power outage, instruction continues as normal as possible. To limit the interruptions during this situation, your student will be dismissed when the bell rings for class change. Your child should then report to the Welcome Center for their early dismissal. If it is an emergency your child will be notified as soon as possible. Thank you for your cooperation.

Parents,

Did you know that this year we have Math, English, and Science teachers available every block to help students with homework assignments, preparing for assessments, or reviewing for SOL exams? We also have Writing Center tutors available during all lunch periods and during all study halls. Our new Learning Labs have already been very helpful for many students, and if your students could use a little help in these subjects, they should definitely take advantage of these opportunities during their study hall.

Contact Dr. Cuozzo, Academic Coordinator, with any questions (Christopher.Cuozzo@lcps.org).
**SOL News:**

All students enrolled in English 11 or 11th graders enrolled in AP Lang will take the online SOL Writing test in March. The SOL Writing test has two components; multiple choice and essay.

11th grade students will be administered the Multiple-Choice component of the SOL Writing test during their English 11 or AP Lang class on Tuesday, March 5, and Wednesday, March 6, 2017.

The essay portion of the SOL Writing test will then be given during their English 11 or AP Lang class on Thursday, March 7, and Friday, March 8, 2017.

Students will test on their school issued chrome book. One test day they should bring three items with them for testing: fully charged chrome book, charger, and a pencil. Attendance is also highly important. Any questions please contact Justine Jarvis, School Test Coordinator.
Spotlight on Graphic Novels

When Ms. Pyle and Ms. Somers brought their 10th grade English classes to the library to check out books for independent reading, one of the books Ms. Somers recommended to her students was the graphic novel *The Boxer* which tells the true story of Harry Haft, a Holocaust survivor who was forced to fight other prisoners in Auschwitz to entertain the Nazi guards.

Consider pairing *The Boxer* with Alan Gratz's *Prisoner B-3087*, based on Yanek Gruener's experiences surviving Auschwitz and nine other concentration camps, or with Elizabeth Wein's *Code Name Verity*, a Printz Honor winning book about a female secret agent captured in Nazi occupied France.

The depth and breadth of our graphic novel collection has grown to the point that we have followed librarian Tim Yorke's suggestion and "genrified" our collection. We now have a Biography section and a Nonfiction section in addition to Fiction, Superheroes, and Manga.
Spotlight on Graphic Novels

Whether you choose to pair a graphic novel with traditional prose or not, we have many excellent and varied choices in our collection. Click on any cover to learn more.
February 2019 Wrap-Up

Another short month – thanks for a few snow days – has come and gone.

As a school, we celebrated several large items during February. The Student Council celebrated the 100th Day of School on Monday the 4th with 100-themed prize give-a-ways during lunch shifts. 100 high-fives, 100 dimes, a 100 emoji t-shirt, and a $100 Visa gift card were among the items that were won.

In conjunction with the American Heart Association, we also celebrated C.A.R.E. For Your Heart Week from February 19 through 26. Donations were accepted in the main lobby each morning to help the AHA, the school participated in a week of red-related spirit days, and heart-healthy lunch games (Human Tic-Tac-Toe and a Basketball Challenge) were played. Thanks to everyone who helped promote heart awareness.

Congrats to the NHS for their successful Winter Blood Drive this month, having had over 75 donors was a great accomplishment!

Our electronic pass system, eHallPass, continues to thrive throughout the building. As of the end of the month, we passed the 51,000 mark for active passes for the school year so far! We’re spreading the word to other LCPS schools who are looking into possibly using the service for the rest of the year. As is often the case, Woodgrove helps lead the way in new and innovative ideas.

Our rescheduled school assemblies took place on February 26. The Point of View presentation from Camfel Productions gave students the opportunity to look beyond the violence, racism, intolerance, harassment, and hate in this world, while giving them a new perspective on the differences that separate them from their peers, their parents, and the others who are around them.

Our many school clubs continue to meet and plan great events. One of the goals for the past few weeks as been to update their pages on the school website. Check them out (under the “Clubs” tab) if you haven’t looked at them lately.
March promises to be a busy month as we wrap up the third quarter. We’re looking ahead to Woodgrove Idol on Wednesday, March 20 during DenTime, the Eighth Grade Expo on Thursday, March 21, the annual charity DodgeBall Tournament on March 27, and the We’re All Human Wellness Fair on the last day of the quarter, Thursday, March 28.

Take a look, also, at the following flyer. This event, hosted by the EOD Foundation and Boulder Crest, is a free, family event that is open to everyone. Put it on your calendar now and make plans to attend!

As always, plenty of fun and exciting things happening in Wolverine World. Stay up-to-date by viewing the school calendar and the “Our School” tab on the school website.

100th Day of School

To celebrate the 100th day of school, the SCA handed out HUNDREDS of prizes to mark the milestone on February 4th. As students entered the school, they were happily greeted by volunteer SCA members who passed out pens and pencils as they entered the building. During each lunch shift, every student received a raffle ticket. At the end of each lunch, the raffle winner was selected and received a prize: 100 lollipops, 100 dimes, 100 Chick-Fil-A sauces, or a 100 emoji shirt. The grand prize was won by senior Michael Destefano, who received a $100 gift card! Each of these were given to help excite the student body about successfully making it to this major mile marker in the school year.

VSCA Advisory Committee Meeting

Woodgrove Student Council representatives Brent Ritner and Sam Payne attended the third and final VSCA Advisory Committee Meeting at Buckingham County High School this month. At this meeting, delegates voted to amend the constitution in order to add two new cabinet positions. These positions included a historian and a VSCA outreach representative, each of which will be appointed by the VSCA president at the start of their term. As the Vice President in charge of spirit activities at the upcoming VSCA convention in March, Sam Payne explains that his committee’s goal during this meeting was to “finalize the pep rally games, energizers, and supply lists for the general assembly meetings at convention”. Several Woodgrove Student Council members will be attending the state convention in a few weeks, and are working hard to prepare to represent our school well with project boards and spirit cheers when they spend the weekend with fellow SCA members from around the state.
Elections for Executive Board

This year, there were several enthusiastic student leaders who campaigned as candidates for the Student Council Executive Board. Each candidate worked hard to create campaign videos and go through interview sessions, by which they proved their dedication and worthiness for a crucial leadership position in the student council. In order to introduce the candidates to the student body of voters and give the candidates themselves an opportunity to explain their platform, the student council hosted a Meet the Candidates session. With poster boards and the best smiles, each of the candidates presented themselves to potential voters. When asked about his thoughts on the Meet the Candidates session, Colin Hoffer said, “I thought it was a good experience. I got to discuss SCA plans with my successor, Kolbee Wisniewski. I learned we have a lot of young leaders in Woodgrove, and have a bright future.” The following day, the elections were held, during which eligible voters selected seven students to serve as the Student Council leaders for the next year. The elected officers are very enthusiastic about being selected for their new positions. Ben Alter explains “Running for Communications Coordinator was an enlightening experience as I got to know my peers better and share ideas I've had about our school community with them. I look forward to working with my fellow Executive Board members to make Woodgrove a better place.”

Congratulations to all the newly elected officers!

C.A.R.E. About Your Heart Week

From February 19th-26th the Student Council celebrated Heart Health Awareness Month by hosting some fun and informative events in coordination with the American Heart Association. On Tuesday, the National Honor Society conducted its annual Blood Drive. The student council ran several games such as Tic-Tac-Toe and Hoops Basketball Challenge during lunch, offering students the chance to compete for prizes and spirit plate points. On Thursday, heart shaped clues were hidden around the school. If found, these heart clues were redeemable for prizes from the SCA! Students showed their support by participating in various spirit days including:
- **Capitals (Washington Caps) Day** - Tuesday
- **America Day** - Wednesday

National Counselor Appreciation Week

The school counselors at Woodgrove are an incredible team of hardworking advisors that help students in our school get the assistance they need with course selections, college applications, and mental health needs. As part of National School Counselor Week, the Student Council Association expressed gratitude on behalf of the Woodgrove community to the wonderful counselors at our school. Each counselor was given a thank you card, hand-delivered by the SCA Community Service committee members. Ashton Smyth, one of the volunteers who helped to deliver the cards to the counselors explains “we are very grateful to have such a great counseling staff at Woodgrove”

Academic Team Places Second at State Championship

The Woodgrove Academic Team travelled to the College of William and Mary on February 22nd in order to compete in the state championship. The Academic Team, composed of seniors Kevin Crandall, Darin Avila, Giovanni Cianciaruso, Hannah Franklin, Becca Faletti, and Mike McKim, faced off against the top teams in the state with their supreme knowledge of academic and popular culture subjects. Woodgrove competed very successfully, earning their spot as the second place runner up in the Commonwealth of Virginia.

According to Kevin Crandall, “As we are all graduating seniors, the team is looking for new recruits. If you are interested in joining, please feel free to talk to any of us or our sponsors, Ms. Barrett and Mr. Kane.” Mike McKim adds, “Please join us!”

Woodgrove Drama Department Productions

This month, the Woodgrove Theater Department produced several student-directed plays. On February 15th and 16th, showgoers were invited into the intimate setting of the black box to view two back to back performances: The Great Grifter and The Whole Shebang.

The Great Grifter

The Great Grifter was written by Woodgrove alum Lily Forrester, who graduated in the class of 2018. This show, inspired by the Great Gatsby, followed the storyline of two women who were accused of murdering Mr. Buchanan through the intense dialogue exchanged between the suspects and law enforcement interrogators. Senior, Everly Soyka said, “The Great Grifter is an intricate, fast paced story that kept the audience on their toes. To understand the story as a whole, you have to understand what each character’s goal is individually, follow the stories of the two separate women being interrogated, and then connect it all at the end.” The show drew a great crowd and was very well received by those who attended. Everly adds, “It was a really rewarding experience being able to portray one of my friend’s ideas in her first produced play, and being able to show off for others how talented she is.”
The Whole Shebang

The Whole Shebang was a comedic play directed by senior, Lukas Derrico. The play is built on the premise of “What if our entire universe was just some nerd’s science project?” In Woodgrove’s production, junior Nick Cooper acts the part of a student striving for his “Master of the Universe” degree. Two professors and the dean interrogate the student about his project, the creation of the heavens and the Earth - as well as the “typical” human couple he has brought along as visual aids. According to Seth Drenning, a junior who acted in his first show as one of the professors, explains “It was an incredible experience, my favorite part was that I got to work with people that I’ve always admired and respected. Being able to perform with such a talented group of people as well as having such a great director was an opportunity I couldn’t pass up, not to mention how funny and well-written the play is. Performing a comedy is great because you get instant gratification if you deliver a line well. It felt great to hear a whole room laugh at something you’ve worked on for so long.” And boy was the room laughing! The show was a great success and truly amazed the audience. According to critic and AP Literature teacher Ms. Sim, the show was “existentialist” and “well done”.

Gaslight

The following weekend, Woodgrove Theater put on its third student directed play for the month of February. A production of Gaslight, directed by Woodgrove senior Merideth Gleason took the spotlight on February 22nd and 23rd. Meredith explains “Gaslight is a thriller that focuses on a married couple and their lives in Victorian, London. The show covers topics of domestic abuse, adultery, and murder. Picking a show of such quality really put me to the test, learning how to get an old, dialogue based show to relate to modern audiences while also keeping the true intent of the show. I could say it was easy completing set, costuming and lighting by myself but it wasn’t, and that’s the good part of it. It was a learning curve that both my cast and I had the mutual experience of facing. I couldn’t do it without them and would never chose too. Making it an experience I could never forget.”

Upcoming SCA Events

Dodgeball Tournament for Share and Care Cockayne Syndrome Network
Just around the corner is the next big SCA event: the annual Dodgeball Competition on Wednesday, March 27th! If you are interested in helping to plan and promote this event, please come to the Student Council meetings on Tuesday mornings in L401. Permission forms for dodgeball teams will be made available soon. Woodgrove Idol
Woodgrove will host its annual talent show competition on Wednesday, March 20. The Woodgrove Idol provides students with an opportunity to showcase their talents to students and staff members. The competition has seen many great performers, last year Cole Zimmerman blew the judges and audience away with his performance of an original song, winning first place. This year, the PBIS will sponsor the Woodgrove Idol Competition. Be sure to attend and support the students who will take to the stage to perform.
Euro-American Student Alliance, a local exchange organization, is seeking Woodgrove H.S. host families for a group of students from Morteau, France from Sunday, March 31 to Monday, April 8, 2019.

Students will get to know what life is like in the U.S. through the combination of field trips, visits to the high school, and staying with local families.

Students will meet at Woodgrove High School each morning to travel to their daily excursions, and spend one day shadowing their hosts around from class to class to see what life in like in an American high school.

ABOUT THE TOWN WHERE THESE STUDENTS COME FROM!

Morteau, France is nestled at the base of the Alps, near the Swiss border. The scenic Doubs River cuts through the town amidst the backdrop of rolling pastures and mountainsides. The area is known for its gastronomical delights and watch making industries. Amongst the fine foods you can enjoy are its famous sausages, Franche-Comte cheese and Klaus chocolates. Many of its residents cross the border to Switzerland daily to go to work. Its highly skilled timekeeping workers create watches and other timepieces that are sold under the brand names of Yonger & Bresson and Mortimer.

If you are interested in hosting a French teen this spring, please contact Francesca Contento, Program Coordinator, at 240-575-4898 or francesca@euro-american.net.

INFORMATION ABOUT NOROVIRUS FOR PARENTS

At this time of the year, families are seeing an increase in gastroenteritis which is an inflammation of the stomach, small intestine, and large intestines. Although it may have many causes, the most frequent one appears to be “Norovirus”. The following information from the Virginia Department of Health may prove helpful in understanding it.

WHAT ARE NOROVIRUSES?

Norovirus is a virus that causes the “stomach flu”, or vomiting and diarrhea, in people. This can sometimes be confusing because influenza (flu) symptoms include: headache, muscle aches and pains, cough, fever > 100.0, but influenza does not involve the gastrointestinal tract. The term “stomach flu” presumes a viral infection, even though there may be other causes of the infection. Viral infections are the most common cause of gastroenteritis but bacteria, parasites, and food-borne illnesses (such as shellfish) can also be the offending agents.

WHAT ARE THE SYMPTOMS OF ILLNESS CAUSED BY NOROVIRUSES?

Norovirus illness usually begins 24-48 hours after exposure, but can appear as early as 10 hours after exposure. Symptoms usually include nausea, vomiting, diarrhea, and stomach cramping. Sometimes there may be a low-grade fever, chills, headache, muscle aches, and a general sense of tiredness. The illness is usually brief, with symptoms lasting only 1-2 days.

HOW SERIOUS IS THE NOROVIRUS?

Norovirus disease is usually not serious, but people may feel very sick. Most people get better within 1-2 days, and have no long-term health effects from the illness. Sometimes individuals are unable to drink enough liquids to replace what they have lost through vomiting and diarrhea, and they can become dehydrated and need to see a doctor. This problem usually occurs only among the very young, the elderly, and persons with weakened immune systems.

HOW IS IT SPREAD?

Noroviruses are very contagious and spread from person to person. The virus is found in the stool, and vomit of infected people. One can become infected in several ways, including eating food or drinking liquids that are contaminated by infected food handlers, touching surfaces or objects contaminated with norovirus and then touching their mouth before handwashing, or having direct contact with another person who is infected and then touching their mouth before hand washing. Outbreaks also have occurred from eating undercooked oysters (shellfish) harvested from contaminated waters- cooking kills the virus. Drinking water contaminated by sewage can also be a source of these viruses. Persons working in day-care facilities or nursing homes should pay special attention to children or residents who have norovirus illnesses. This virus can spread quickly in these places.
HOW LONG ARE PEOPLE CONTAGIOUS?

Individuals infected with norovirus are contagious from the moment they begin feeling ill to at least 3 days after recovery. Some people may be contagious for as long as 2 weeks after recovery. Therefore, good handwashing is important. Persons infected with norovirus should not prepare food while they have symptoms and for 3 days after they recover. Infected people do not become long-term carriers of norovirus.

WHO GETS NOROVIRUS INFECTION?

Anyone can become infected with these viruses. Because there are many different strains of norovirus, norovirus infection and illness can re-occur throughout a person’s lifetime.

WHAT IS THE TREATMENT?

Currently, there is no specific medication or vaccine for norovirus. Norovirus infection cannot be treated with antibiotics. By drinking fluids, such as water or juice, individuals can reduce their chance of becoming dehydrated. Sports drinks do not replace the nutrients and minerals lost during this illness.

DO INFECTED INDIVIDUALS NEED TO BE EXCLUDED FROM SCHOOL, WORK OR DAYCARE?

Since the virus is passed in vomit and bowel movements, students should not go to school and children to daycare while they have diarrhea or vomiting. Once the illness ends, they can return, but handwashing is essential. Persons who work in nursing homes, take care of patients, or handle food should stay out of work until at least 3 days after symptoms end.

CAN NOROVIRUS INFECTIONS BE PREVENTED?

You can decrease your chance of coming in contact with noroviruses by:

- frequent hand washing with warm water and soap
- promptly disinfecting contaminated surfaces with household chlorine bleach-based cleaners
- washing soiled clothing and linens
- proper hand washing following a bowel movement or handling a soiled diaper
- avoiding food or water from sources that may be contaminated
- cooking oysters (shellfish) completely to kill the virus

As always, if you have any questions or would like to discuss a health concern of your child, please give me a call at 540-751-2606 (clinic).

Sports Injuries

Sports Hernia

A Sports Hernia is not in fact a hernia, but rather a term that refers to chronic groin pain typically found in athletes. It occurs when there is a weakening of the muscles or tendons of the lower abdominal wall. A Sports Hernia differs from an inguinal hernia in that there is no hernia or pouch to be felt through the abdominal wall. It is more of an overuse injury that leads to high shear stresses across the abdominal wall and pubic symphysis. These stresses lead to tearing of the musculature that attach at the pubic tubercle (rectus abdominus, internal oblique, transversalis fascia).

A Sports Hernia typically begins with a slow onset of aching pain in the lower abdominal region. However, some athletes may describe a sudden, tearing sensation. There may be tenderness over the conjoined tendon and pubic tubercle and pain with resisted hip adduction. Pain increases with activities such as running, cutting, kicking or bending forward which may subside with rest. Discomfort with sit-ups and when getting in and out of a car is also frequently described. Male athletes are more likely to be diagnosed with a Sports Hernia than females because the pelvis is formed differently in women.

It may be difficult to diagnose a Sports Hernia because the diagnostic tests (MRI, ultrasound) aren’t very reliable. The diagnosis is made by the athlete’s history and physical examination. Treatment initially is non-operative with rest, ice, anti-inflammatory medication and rehabilitation focusing on abdominal strengthening, adductor flexibility and gradual return to sports activities. In 6-8 weeks, if these measures do not relieve the symptoms, surgery may be recommended to repair the weakened area of the abdominal wall. Rehabilitation from surgery for a Sports Hernia usually takes about 8 weeks.

Nutrition

Prebiotic shows promise against Exercise-Induced Asthma

A proprietary carbohydrate complex called Bimuno or (B-GOS) may help reduce the severity of exercise-induced asthma. A study published in the British Journal of Nutrition showed that this unique patented trans-galactooligosaccharide complex, resulted in a 40% reduction in exercise-induced asthma’s severity in subjects who used it for three weeks. It was the first human study to show the beneficial effects a prebiotic can have, by lessening the extent of airways narrowing and inflammation in adults with asthma. These findings suggested that B-GOS could help therapy for those with exercise-induced asthma by increasing the growth and activity of “good gut bacteria” resulting in a noticeable improvement in the patient’s health.

Researchers admit they are only just starting to understand the role of gut microbiome plays in health and disease. It is becoming increasingly recognized that microbes living in the gut can have a substantial influence on immune function and allergies which is likely to be important in airway disease. B-GOS significantly increases the growth and activity of good gut bacteria. This in turn may reduce the inflammatory response of the airways in asthma patients to exercise. Importantly, the level of improvement in lung function that appears after the administration of B-GOS is perceivable by the patient and therefore is potentially clinically relevant.

ATTENTION: STUDENTS, PARENTS, FACULTY & STAFF
Loudoun County Public Schools’ Insurance Does Not Provide Coverage for Students’ and Employees’ Personal Property Brought to School.

Each year the LCPS Procurement/Risk Management Office receives claims where school students and employees have lost valuable personal property brought to school. Every type of personal property is subject to loss by accident, theft, or vandalism.

Examples of personal property include:

iPods, iPads, cell phones, smart phones, cameras, tablets, laptop computers, etc.

The Worth Avenue Group has been providing insurance programs to thousands of students and staff across the country since 1971. Their personal property insurance plans have been utilized by many colleges and universities and have been made available to public school students, faculty, and staff nationwide.

Losses Covered: The plans cover loss or damage, occurring during the policy period, to personal property, which you own or have leased. See policy for items excluded from coverage. Coverage may be purchased on a “cash value or replacement cost” basis with a deductible as low as $50 per occurrence.

What about Coverage Under Your Homeowners Policy? If you have questions about your homeowner's policy, ask your agent to go to the Worth Avenue Group website for more information and then to give you advice. These plans are typically primary to the homeowner's coverage and can be used to cover high insurance deductibles.

For further information on this coverage please call 1-800-620-2885 or visit http://www.worthavegroup.com/ and read about the various available coverages.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY

Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: www.studentinsurance-kk.com or call 1-855-742-3135.
Protect your child with student accident insurance. If you don’t have other insurance, this student accident insurance is vital. If you have other insurance, student accident insurance can help with deductibles and copays.

---

This policy contains an excess provision. Benefits will not be paid under the Basic Accident Medical Expense for Covered Expenses to the extent that they are collectible under another Health Care Plan.

Details of these benefits may be found in the Master Policy on file at the School District. **NOTE:** This is a brief summary of the benefits and not a contract. A Master Policy has been provided to your school district that contains all of the provisions, limitations and exclusions and qualifications of the insurance benefits. The Master policy is the contract and will govern and control the payment of benefits.

!!NOTICIA IMPORTANTE!!
Las Escuelas Públicas del Condado de Loudoun no disponen de seguro médico o de accidente para cubrir a los estudiantes cuando se accidentan en la escuela.

Estimados Padres/Guardianes Legales:

LCPS recibe reportes de estudiantes que accidentalmente se hieren cuando participan en actividades escolares, incluyendo algunas con heridas graves que requieren atención médica costosa. La oficina de adquisiciones y manejo de riesgos rutinariamente recibe llamadas de padres de quien sus hijos son accidentalmente heridos cuando participaban en actividades escolares y no tenían cobertura de seguro o tienen cobros por encima del valor de pago de su seguro.

LCPS no proporciona seguros de accidentes médicos para los estudiantes accidentados que han participado en actividades escolares. Pero, nosotros proveemos la opción de compra voluntaria de seguro para accidentes por medio de K&K seguros.

El seguro de accidentes por K&K ofrece planes opcionales de cobertura basado en “excesos” para heridas de accidente que puedan ocurrir durante actividades escolares o incluyendo a tiempo completo. Esto depende del plan elegido.

Si usted ya tiene seguro a través de otra poliza, estos planes de cobertura de accidente pagan beneficios no cubiertos por su otro seguro. Si no tiene ningún otro plan de seguro disponible, invirtiendo una mínima cantidad de dinero ahora en uno de estos planes le podría ahorrar considerables gastos más tarde si tuviese un accidente que requiriese atención médica.

Su registro voluntario en uno de estos planes debe de ser cuidadosamente considerado. Gracias y por favor llame si tiene alguna pregunta o inquietud.

7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

C. Excepciones a las clasificaciones de armas:

Las siguientes armas pueden quedar exentas de las categorías anteriores según lo apropiado de su uso y siempre que hayan sido autorizadas por un funcionario escolar:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o

No obstante, de conformidad con la política mencionada, el director puede indicar que pueden existir circunstancias especiales y por lo tanto recomendar asimismo que se considere una acción disciplinaria alternativa. El Superintendent o la persona designada por el Superintendent determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.
2. Infracciones con armas de la Categoría B: todo alumno que cometa una infracción relacionada con las armas de la Categoría B o cualquier otro de los términos de esta política puede ser expulsado de las Escuelas Públicas del Condado de Loudoun o recibir una sanción menor, incluida su suspensión a largo plazo, según lo considere adecuado el Superintendent o la persona por él designada, según la Política §8-28.

Disposiciones de protección legal: la posesión accidental o inadvertida de un arma por el alumno si la llevó a las instalaciones escolares o a una actividad patrocinada por la escuela, o la encontró en ellas, no constituye una infracción de esta política si el alumno lo informe inmediatamente a un docente o administrador al darse cuenta, y antes de que sea descubierta o vista por un docente, administrador, otro empleado de la escuela u otro alumno.
4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.
