As we prepare for April, this time of year offers many activities with regards to our fine arts, sports, and club activities. I believe we have something scheduled nearly every night of this spring so I do encourage you to come out and support our Wolverines! Please see our calendar on our school webpage for announcements and updates regarding these events.

I do want to highlight our spring musical, Chicago, which will be performed on April 26, 27, May 2, and May 4 at 7 PM. Matinees will be on both Saturday, April 27, and Sunday, May 5, at 2 PM. Come enjoy the play which is set in the Jazz-age and experience Woodgrove’s rendition of one of Broadway’s longest-running musicals!

Springtime is a very busy time for our students, especially our Seniors. If you have a son or daughter preparing to graduate, please see the information regarding upcoming events for Seniors. Also, please note that our graduation this year is on Tuesday, June 11, beginning at 8 AM. Seniors will need to be at school at 6:30 AM.

With regards to graduation, our wonderfully supportive PTSO will be hosting a Grad Celebration Party for Seniors on Monday, June 3, at Woodgrove. This celebration will be at Woodgrove’s stadium following the Senior Awards Ceremony and luncheon. Currently the PTSO members are finalizing plans for the afternoon and they are seeking some additional support. If you can chaperone or are willing to provide a donation or prizes for this exciting event, please contact President Dana Carmichael at WoodgrovePTSOPresident@gmail.com Our seniors are working very hard to earn their diplomas – it is our hope that we can make this celebration outstanding for them!

This year, prom will be held on Friday, May 3, from 8 PM to 12 AM at the Washington Dulles Airport Marriot. Students attending prom must attend school that day. Students, with parent or guardian permission, may request an early dismissal for that day no earlier than 12:50 PM.

Also, regarding spring and the warm weather which will soon be here to stay, we have reminded students of our dress code. Please take time to discuss appropriate school attire with your son/daughter.

Best wishes to everyone – thank you for your continued support!

Early Dismissal and Front Office Policies

In order to minimize interruptions to classes and disruption to the school routine the following have been implemented:

• EARLY DISMISSALS – Early dismissal requests should be submitted by 9:15 am by emailing WHSearlydismissal@lcps.org. The request should include the student's name, time of dismissal, reason for dismissal and parent name. It is your student's responsibility to pick up their dismissal note at the Welcome Center located in the main foyer. If a request is made through this email you will receive a confirmation and will not be required to sign your student out. If a request is not made in advance, the student will not be dismissed from class until a parent or guardian arrives to sign the student out. Unless for an emergency, phone calls will not be permitted for early dismissal requests.
• During a power outage, instruction continues as normal as possible. To limit the interruptions during this situation, your student will be dismissed when the bell rings for class change. Your child should then report to the Welcome Center for their early dismissal. If it is an emergency your child will be notified as soon as possible.
• When dropping off lunch or other items for your child, please leave them on the table next to the Welcome Center. This drop off is intended to be for your child only. We do not accept food or other items intended for a group of students. Communicate with your child to pick up the item between classes only – students will not be allowed to leave a class to pick up items left at the table.
• The school does not permit restaurant food deliveries at any time.
• Visitors are not permitted unless arranged in advance, in writing with teachers and administration. All visitors are required to supply a government issued ID when entering the building and signing in at the Welcome Center.

April is National Poetry Month as well as Mathematics and Statistics Awareness Month. Be sure to check out some of our newest books highlighted on the next page, but first here is an excerpt from Nobel Laureate Wislawa Szymborska’s poem *A Word on Statistics*, found in the Anthology *Imaginary Numbers*.

Out of every hundred people,

those who always know better:
fifty-two.

Unsure of every step;
almost all the rest.

Ready to help,
if it doesn’t take long:
four-nine.

Always good,
because they cannot be otherwise:
four-well, maybe five.

Check out the anthology if you want to read the rest.

March 2019 Wrap-Up

March was certainly a busy month in the world of student activities at Woodgrove.

The weekend of March 2-3 saw us hosting the Odyssey of the Mind tournament with over 1,000 competitors and spectators taking in all the fun, energy, and excitement that comes along with such an event. Congrats to our very own OOM team which participated and did very well!

The following weekend, an equally large number turned out for the AIA Band Competition. Thanks to Mr. Strickler, the parent volunteers, and the great student helpers that pulled the event off very successfully. Another great showing by our own marching band, as well.

The final two weeks of the month saw a large number of activities – Woodgrove Idol, the Eighth Grade Expo, the Dodgeball Tournament, and the We’re All Human Health and Wellness Fair.

Six amazing acts took the auditorium stage on Wednesday, March 20 to compete in the annual Woodgrove Idol contest. A record $986 was collected for the event which helps support the PBIS Culture Team incentives and activities throughout the year. Congratulations to Brendon Fernandez and Jim Stevens for winning the competition with their terrific rendition of John Denver's “Take Me Home, Country Roads.” Darryl and Nathan Nyamedi, Cole Zimmerman, Kirsten Woods, Mason Leuck, David Peele, Miki Czarnecki, and Katie Hicks all did great jobs, as well.

On Thursday, March 21, the 386 Harmony eighth graders and about two dozen other local soon-to-be-Wolverines spent the morning with us getting a taste of what WHS is all about. Despite the rainy start to the day, the students were met with smiling faces from over 50 Student Leaders who took them on
building tours, answered questions, showed them many of the club offerings we have, and sat with them during administration and athletic presentations. Each student got one of Ms. Bartling’s delicious chocolate chip cookies and their Class of 2023 t-shirt before having their first class picture taken and then departing back to Harmony. We look forward to seeing all of them in the fall.

Two gentlemen, Andy and Nathan, from eHallPass visited with us on Tuesday, March 26. They met with the eHP All-Stars in the building, listened to input and suggestions from the staff, and were even interviewed by reporters from our Woodgrove Outlander newspaper. The duo was visiting Loudoun as they were meeting with administrators from Dominion HS, Freedom HS, and Rock Ridge HS in hopes of getting those buildings into the software soon, as well.

Last Wednesday, the Student Council hosted the seventh annual Dodgeball Tournament which raised over $600 for their charity of the year, the Cockayne Syndrome Network. Six very spirited teams took to the floor during DenTime and battled for the gold medals. Congratulations to ICY on their victory.

The last day of the quarter, last Thursday, was a special schedule that involved our Health and Wellness Fair from the We’re All Human club. This was the first year of the fair which replaced the assembly and walk we have conducted for the last three years, in conjunction with The Ryan Bartel Foundation. All students were given the opportunity to walk through the Fair – in the main and aux gyms – at their own pace for about 40 minutes. Stations were set up to give the students a sense of how to find their own sources of strength when times become difficult or stress gets to be too much. Stations included coloring tables, cornhole, and yoga, as well as trained professionals to talk to, and even Jo the therapy dog!

As of this writing, we’re gearing up for the EOD Warrior Foundation event this Saturday, March 30. We’ll report next month of the success of the event – including the first-ever parachute jump to land on an LCPS property, the 5K race, and the world record attempt at a mile run in a full bomb suit.

Have a great April, a great Spring Break, and a great start to the final quarter of the academic year.
Woodgrove Idol

Woodgrove's annual talent show, Woodgrove Idol, featured a display of six great acts this year. Woodgrove Idol kicked off with a performance from Mason Leuk and David Peele and their rendition of the late 60’s hit, “I’m a Believer” by The Monkees. Next Cole Zimmerman, the former Woodgrove Idol victor, and Kirsten Woods took to the stage to perform of “Stay” by Post Malone. After a wonderful performance, and receiving a perfect score of 50 from the table of judges, their day got much better when Cole asked Kirsten to prom before the entire audience and she said, “yes.” The following two acts were by Katie Hicks on her piano, and Miki Czarnecki. Both performers brought the crowd’s hands together, and received high scores from the judges. Up next, Darryl and Nathan Nyamedi, co-founders of Woodgrove’s Modern Music Collaboration Society, tapped into the crowd’s energy with a rousing performance of an original rap. While all participants put on a show, the final act of the night ultimately won the crowd, and the judges over. Brendon Fernandez and Jim Stevens brought the room together in their singing of, “Take Me Home, Country Roads.” As the duo sang this timeless classic, the crowd joined in, singing, swaying with their arms around their friends, and holding up their phones as flashing lights, shining as they rocked to the beat. According to Cole, “Woodgrove Idol was really great this year, the best one in my memory. Every act was well prepared and well received by the judges. Having such a variety of music was super cool too.” He adds, “It really kept the audience on their toes the whole time. I was certainly a day I’ll never forget.”

Food Drive with Harmony Middle School

This month, the Woodgrove Student Council joined forces with the SCA at Harmony Middle School in a collaborative Food Drive. The food drive was a wonderful success, collecting 358 pounds of food in total. At Woodgrove, the honor for most amount of canned food items brought in was awarded to Mr. Dick’s DenTime, which reeled in 52 cans!

All collected food items have since been donated to Loudoun Hunger Relief, a local food pantry organization that provides food assistance to the hungry and food insecure in Loudoun.
VSCA Convention

Twenty-three Student Council members travelled to The Founders Inn in Virginia Beach for the 93rd annual Virginia Student Council Association Convention this month. This year, Woodgrove senior Sam Payne served as the Vice President of the VSCA, working hard to prepare for this year’s convention. According to Sam, “VSCA was lit as it ‘lit the fire of leadership’. As the Vice President I started and maintained the hype throughout the Convention through energizers, general session, and pep rally games. My favorite memory was leading the pep rally and leaving the room barely able to hear the person speaking next to me.” Under the overarching theme of “Lighting the Fire of Leadership”, the student leaders from Woodgrove were able to exchange ideas with their peers from across the Commonwealth with the hope of bringing back great ideas to implement in their home school. According to Maddy Davis, a senior who attended this year’s state convention, “There were many learning labs and idea exchanges that took place amongst the students” In addition, we voted for the new executive board of VSCA for next year.” With many motivational speeches and productive discussions with members of the Virginia Board of Education, students were able to realize their potential as young student leaders to mitigate the issues affecting the Commonwealth.
Dodgeball Tournament for Charity

Woodgrove students packed the stands of the school gymnasium, cheering eagerly as the teams took their places, poised and ready to run for the coveted balls lined up in the center of the court. Giovanni Cianciaruso, one of the students who competed on the Bhatta’s Ballers team of STEM students, remarked jokingly “Before the game, I had a dream that the softball pitcher’s wind up was so good, her ball blasted me into the wall behind me.” He adds, “The dodgeball tournament was a lot of fun to participate in, and was definitely for a very important cause.”

This year, the Woodgrove Student Council is donating every penny from the Dodgeball Tournament to a nonprofit organization called Share and Care Cockayne Syndrome Network. Lizzie Clark, one of the council members who volunteers for Share and Care, explains, “Share and Care is an organization that aids children and their families with a rare genetic disorder characterized by dwarfism and rapid aging. I am so glad that so many people turned out for this event - to both enjoy the games and to support this wonderful cause.”

After six rounds of competition the victor emerged, a team of basketball and football players - called ICY. At the end of the final round, they jumped around excitedly in a victory huddle, hollering as the crowd of students went wild. As the winners, they donned their medals and wristbands from Share and Care Cockayne Syndrome Network.
Open Mic Night

On March 22nd, the International Thespian Society hosted its monthly Open Mic Night in the beloved Woodgrove Black Box. While it was a smaller turn out than normal, the Black Box created an intimate and comfortable space for students to take the stage to show off their talents to their peers. According to Seth Drenning, the host of Friday night Open Mic, explains, “There was no pressure to do anything spectacular, so people who don’t usually perform in front of a crowd got to try it out.” Ally Bjerke, a sophomore, elaborates on her experience, “It was my first time performing. It was scary but luckily not that many people came that one time so it was a calm night and everyone was nice about it. I sang and played a song I wrote.” The Woodgrove Theater Department will be hosting their next Open Mic Night on April 5th. Be sure to come to the Black Box for delicious concessions and live performances!

Sports Specialization: How Early is Too Early to Specialize?

There are many obvious benefits of youth sports and being active. Children have fun and can learn how to be leaders. Children learn teamwork skills and how to socialize and gain self-esteem. Children who are active are more likely to be healthier, attend college, be active in their future lives and be more successful in work life. There has been a cultural shift in how our youth play. In the past, play was considered “free”, where the child directed and decided what was to be done. The youth of today play differently than they once did. Play is much more structured. Now, the goal is focused on skill development and very skill focused drills and practices.

A perception exists that if their child specializes early, it will ensure the child will have sports success in the future. Research shows, except for gymnastics and figure skating, the odds of excelling at the elite level do not seem to increase by early specialization.

Early sports specialization is defined as “intensive yearlong training in a single sport at the exclusion of other sports”. The goals are to develop skills in one specific sport, with very deliberate practice focusing on improving performance and enhancing the chances of playing at the elite level. However, research shows that this specialization is dangerous for the youth! A youth athlete who trains year-round (>8mos.), chooses one main sport, and quits all other sports are at a higher risk for not only injury, but also overuse injury. Specialization can cause young athletes to not develop important neuromuscular skills and can also not allow enough rest for specific body regions. Also, specialized athletes can also be more prone to burnout, have anxiety or depression.

It is important that care-givers and educators create opportunities for free, unstructured play during the growing years. Youth should also be encouraged to participate in a variety of sports. Diversification is preferred over specialization!
Nutrition

Chocolate Milk as a Recovery Drink

Chocolate milk has been touted in research as a recovery drink for athletes, but many of the prior studies showing this have been small. However, a recent review published in the European Journal of Clinical Nutrition suggests that chocolate milk is indeed a good option.

The review compared chocolate milk against a placebo and a sports drink. In the studies, athletes completed exercise tests that were mostly based on running or cycling. Their time to exhaustion, heart rate, creatine kinase, and lactic acid levels were assessed. Compared against the placebo, the time to exhaustion was about one minute longer for the chocolate milk drinkers. Compared with the sports drinks, the time to exhaustion for chocolate milk drinkers was about six minutes longer. In addition, the blood serum lactate was lower for the chocolate milk drinkers than those who took the placebo.

Chocolate milk contains carbohydrates, proteins, fats, flavonoids, electrolytes, and some vitamins which make this drink an excellent choice for recovery in athletes. These nutrients can also influence how well athletes' bodies replace fluids and electrolytes that are lost.

Plain water would not be as effective at promoting fuel replenishment (due to lack of carbohydrates), muscle repair (due to lack of protein), or fluid retention/rehydration (due to low electrolyte content) in comparison to chocolate milk (which has all three). Traditional sports drinks have the carbohydrates and electrolytes, but usually no protein.

The take-home message is that chocolate milk is a low-cost, delicious, and palatable option for recovery and provides either similar or superior effects compared with commercial drinks.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY
Loudoun County Public Schools does not provide medical or accident insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in school activities, including some serious injuries that require costly medical attention. The Procurement/Risk Management Office routinely receives calls from parents whose children are accidentally injured while participating in school activities and have no insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while participating in school activities. But we do provide voluntary purchase of student accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided on an “excess basis” for accidental injuries that may occur during school activities or even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student Accident Plans pay benefits for those eligible expenses not paid by your primary insurance. If there is no other insurance available to you, the plans will provide coverage on a primary basis.

_Your voluntary enrollment in one of these plans should be carefully considered._ For further details and to enroll in the K&K Student Accident Insurance coverage please go online to this link: [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com) or call 1-855-742-3135.
Protect your child with student accident insurance. If you don’t have other insurance, this student accident insurance is vital. If you have other insurance, student accident insurance can help with deductibles and copays.

!!NOTICIA IMPORTANTE!!
Las Escuelas Públicas del Condado de Loudoun no disponen de seguro médico o de accidente para cubrir a los estudiantes cuando se accidentan en la escuela.

Estimados Padres/Guardianes Legales:

LCPS recibe reportes de estudiantes que accidentalmente se hieren cuando participan en actividades escolares, incluyendo algunas con heridas graves que requieren atención médica costosa. La oficina de adquisiciones y manejo de riesgos rutinariamente recibe llamadas de padres de quien sus hijos son accidentalmente heridos cuando participaban en actividades escolares y no tenían cobertura de seguro o tienen cobros por encima del valor de pago de su seguro.

LCPS no proporciona seguros de accidentes médicos para los estudiantes accidentados que han participado en actividades escolares. Pero, nosotros proveemos la opción de compra voluntaria de seguro para accidentes por medio de K&K seguros.

El seguro de accidentes por K&K ofrece planes opcionales de cobertura basado en “excesos” para heridas de accidente que puedan ocurrir durante actividades escolares o incluyendo a tiempo completo. Esto depende del plan elegido.

Si usted ya tiene seguro a través de otra poliza, estos planes de cobertura de accidente pagan beneficios no cubiertos por su otro seguro. Si no tiene ningún otro plan de seguro disponible, invertiendo una mínima cantidad de dinero ahora en uno de estos planes le podría ahorrar considerables gastos más tarde si tuviese un accidente que requiriese atención médica.

Su registro voluntario en uno de estos planes debe de ser cuidadosamente considerado. Gracias y por favor llame si tiene alguna pregunta o inquietud.

§8-32   Weapons

Possession or use of a weapon, loaded or unloaded, operable or inoperable, by a student while under the control or supervision of school system personnel, at a school-sponsored activity, or on school property is prohibited. This policy is applicable to students at all grade levels. The term "weapon" is intended to be construed broadly and includes any instrument or device which, by its design or use, is capable of causing injury, harm, or threat of injury or harm to the physical well-being of another person, as largely defined within both federal and state law. For the purposes of determining appropriate penalties for violations of this policy, “weapons” are classified as either Category A or Category B, except under specified circumstances.

A. Category A:

1. Firearms, starter guns or any weapon that is designed or can be readily converted to expel a projectile by action of an explosion. Examples of firearms would include any pistol, shotgun, rifle, or revolver;

2. Pneumatic guns, including a paintball gun, BB or pellet gun, or air rifle that use pneumatic pressure to expel a projectile; and

3. Explosive or incendiary devices, including those containing poison gas, acid or in the form of a grenade, rocket or bomb and any combination of parts either designed or intended for use in converting any device into any destructive device. “Destructive device” does not include any device that is not designed or redesigned for use as a weapon, or any device originally designed for use as a weapon and that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or other similar device.

B. Category B:

1. Any knife or other instrument or device that has a blade designed to cut or a point designed to penetrate, including a dirk, Bowie knife, switchblade, folding knife, ballistic knife, or machete;

2. Any gun or device designed to expel a projectile by any non-pneumatic or non-explosive action, including those using trigger, battery power or tension action. Examples include slingshots, bows, nail guns and toy shooting devices;

§8-32  **Weapons** (continued)

3. A stun weapon of any kind;

4. Any club, baton, stick, flailing or thrown instrument or other similar device designed for use as a weapon, such as a blackjack, spring stick, brass or metal knuckles, nunchakka (nun chuck or nunchaku), fighting chain, shurken, throwing star or oriental dart;

5. Any chemical or chemical compound, including pepper spray, that produces an adverse effect on the normal functions of the human body;

6. Any instrument or device that is actually used intentionally to injure, harm, endanger or induce fear in another person, including “toy” or “look-alike” weapons; and

7. Any instrument or device, not included in Category A, which has as one of its designed purposes to be used as a weapon to injure, harm, or endanger another person.

C.  **Exceptions to Weapons Classifications:**

The following weapon or weapons may be exempted from those categorized above, depending on the appropriateness of their use and provided that such weapons are authorized by a school official:

1. Those that are specifically a part of the school’s curriculum or activities or any organization authorized by the school to conduct its programs;

2. Those tools, such as a knife, customarily used for food preparation or service and is being used for such purpose; or

3. Those used within the Junior Reserve Officers Training Corps (JROTC) program in conducting marksmanship training when such training is a normal element of such programs; such programs may include training in the use of pneumatic guns. Such marksmanship training shall occur only at a location or locations approved by the Division Superintendent.

D.  **Penalties for Violation:**

1. Category A Weapons Violation: Any student who violates this policy with respect to a Category A weapon shall be automatically recommended for expulsion from Loudoun County Public Schools by the Principal and disciplined according to Policy §8-28. In accordance with that policy, however, the Principal may indicate special circumstances that may exist and therefore also recommend an alternative disciplinary action be considered. The Superintendent or the Superintendent’s designee shall determine if special circumstances exist and may determine that the recommended disciplinary action is appropriate, or if special circumstances are found not to exist, proceed with the expulsion recommendation in accordance with Policy §8-28.

2. Category B Weapons Violation: Any student who violates this policy with respect to a Category B weapon or any other terms of this policy may be subject to expulsion from Loudoun County Public Schools, or to such lesser disciplinary action, including long-term suspension, as may be deemed appropriate by the Superintendent or the Superintendent’s designee in accordance with Policy §8-28.

3. Safe Harbor Provision: The accidental or inadvertent possession of a weapon by a student, either brought onto or found on school property or at a school-sponsored activity shall not constitute a violation of this policy, provided the student immediately reports the same to a teacher or administrator upon discovery thereof by such student and before it is discovered or seen by a teacher, administrator or other school employee or by another student.

4. Reporting to Law Enforcement: Notwithstanding the foregoing, there may be a requirement to report such possession to law enforcement officials as provided in state law.

5. Right of Appeal: Certain disciplinary actions for violations of this policy are appealable to or must be formally determined by a Committee of the School Board as provided in Policy §8-28.

Esta política se aplica a los alumnos de todos los grados. El término "arma" se interpreta en su sentido más amplio e incluye cualquier instrumento o dispositivo que, por su diseño o uso, sea capaz de causar lesión, daño o amenaza de lesión o daño al bienestar físico de otra persona, según se define en gran medida tanto en las leyes estatales como federales. A los efectos de determinar las sanciones adecuadas por infringir esta política, las "armas" se clasifican en las Categorías A o B, excepto en algunas circunstancias específicas.

3. Dispositivos explosivos o incendiarios, incluidos los que contengan gas venenoso, ácido o funcionen como granadas, bombas o cohetes, y cualquier combinación de piezas diseñadas para, o con la intención de, convertir cualquier dispositivo en destructivo. El término “dispositivo destructivo” no incluye dispositivos que no hayan sido diseñados o rediseñados para su uso como armas, ni dispositivos diseñados originalmente para su uso como armas y rediseñados para señalización, pirotecnia, lanzamiento de líneas, seguridad o similares.

B. Categoría B:

2. Cualquier arma o dispositivo diseñado para lanzar proyectiles con métodos no neumáticos o no explosivos, incluidos los que usan gatillos, los alimentados a batería o por tensión. Algunos ejemplos son tirachinas o gomeras, arcos, pistolas de clavos y dispositivos de juguete que disparan.

7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

C. Excepciones a las clasificaciones de armas:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o

El Superintendente o la persona designada por el Superintendente determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.

4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.
