Woodgrove is certainly in full bloom and thriving with a number of exciting activities planned for May.

A sincere thank you to our students, Mr. Noland, and our Fine Arts Department for such superb performances of *Chicago*. What a fantastic show!

Also, many thanks to Mr. Noland for his tremendous efforts at Woodgrove since the school’s opening – we certainly wish him the very best as he helps Independence High School open next year. Mr. Noland has also been working with Ms. Addie Schafer, who will be our Theatre teacher next year, to help ensure the transition is as seamless as possible. We are grateful for his efforts.

Also, please check our school calendar as the celebration of the Arts will continue in May as we host our spring music concerts. In addition, on Friday, May 10, our WMAA is hosting a Fine Arts Gala – this wonderful evening will include musical and theatrical performances by our students. This is a fundraiser for the WMAA and I hope that you can take time to come out and enjoy this evening and support our students.

May 1 was decision day for our seniors. We celebrated this day by having our seniors share their post high school plans. Whether they are going into the military, workforce, or college/university, we are excited about their futures and the adventures they have before them. Pictures and information regarding this special day are included in this newsletter.

In addition, May brings with it conference, regional and state competitions for our athletic teams. Please be sure to check the school calendar and come out to Woodgrove to cheer on the teams.

I also am very pleased to share that our PTSO is in the midst of finalizing plans for our Seniors’ Graduation Party. This party is for graduating Seniors only and it will be held at Woodgrove on Monday, June 3, beginning after the Senior luncheon.

Graduation is scheduled for Tuesday, June 11, at 8 AM. Seniors need to be at school by 6:30 AM.

Also, this year we are continuing our senior capstone projects. Seniors will have the opportunity to complete a senior project for the school or community as a way of giving back to the Woodgrove community. To be eligible, students must

have met the same criteria to be exempt from the final summative assessment. All seniors have received this information. In addition, teachers and parents will have to sign off indicating their approval of their son’s or daughter’s participation in the senior project. The projects will begin on Monday, May 21 and go through Friday, May 31. We are looking forward to seeing what our seniors accomplish this year!

Please note that students choosing not to participate in a capstone project are expected to come to school during that time.

During May we also will honor the work our teachers have performed throughout the year. Much of our success can be attributed to the dedication and devotion our teachers give to our students daily. Woodgrove is fortunate to have such extraordinary adults guiding our students. We will begin our celebration with our Teacher Appreciation Week on May 6 - May 10. We encourage students, parents and the community to take time during this week to share an expression of gratitude to a teacher or some other member of the faculty. Thank you to the PTSO for their amazing contributions to this celebration as well!

Standards of Learning (SOL) tests and Advanced Placement (AP) tests will be administered in May. Included in this newsletter is information regarding our testing schedule and on-line testing. These tests are important, and we have devoted many resources to ensure that all our students are prepared to take these tests. Please be sure your son/daughter gets plenty of rest, eats breakfast and is on time to school during these testing sessions.

With regards to spring and the warm weather which is here to stay, we have reminded students of our dress code. Please take time to discuss appropriate school attire with your son/daughter.

Best wishes to everyone and thank you for your support.

Early Dismissal and Front Office Policies

In order to minimize interruptions to classes and disruption to the school routine the following have been implemented:

- EARLY DISMISSALS – Early dismissal requests should be submitted by 9:15 am by emailing WHSearlydismissal@lcps.org. The request should include the student's name, time of dismissal, reason for dismissal and parent name. It is your student's responsibility to pick up their dismissal note at the Welcome Center located in the main foyer. If a request is made through this email you will receive a confirmation and will not be required to sign your student out. If a request is not made in advance, the student will not be dismissed from class until a parent or guardian arrives to sign the student out. Unless for an emergency, phone calls will not be permitted for early dismissal requests.

- During a power outage, instruction continues as normal as possible. To limit the interruptions during this situation, your student will be dismissed when the bell rings for class change. Your child should then report to the Welcome Center for their early dismissal. If it is an emergency your child will be notified as soon as possible.

- When dropping off lunch or other items for your child, please leave them on the table next to the Welcome Center. This drop off is intended to be for your child only. We do not accept food or other items intended for a group of students. Communicate with your child to pick up the item between classes only – students will not be allowed to leave a class to pick up items left at the table.

- The school does not permit restaurant food deliveries at any time.

- Visitors are not permitted unless arranged in advance, in writing with teachers and administration. All visitors are required to supply a government issued ID when entering the building and signing in at the Welcome Center.

Center for Legal & Court Technology at W&M
As spring approaches, we wanted to remind you that registration is open for our upcoming summer law-related program for high school students. Classes are filling up, and if any of your students are interested in original extra-curricular activities, our courses would be perfect!

Our unique and innovative program consists of interactive and dynamic modules designed to stimulate students’ conceptual learning and problem-solving skills. The courses cover a variety of topics ranging from:

- the U.S. legal system,
- contracts and torts, and
- legal issues arising from emerging technologies like Artificial Intelligence.

We recommend these courses to students who are keen to explore what studying law entails, and also for those who have a passion for government studies or are interested in business and technology.

The courses are taught by Professors Fred Lederer and Iria Giuffrida, members of the faculty at William & Mary Law School and respectively CLCT’s Director and Associate Director for Research. All classes are held at the William & Mary Law School in Williamsburg, VA, which offers an exceptional opportunity for high school students to experience life in a law school that is home to the most technologically advanced courtroom in the nation.

The full list of courses, including dates, prices, and enrolment details, is available on CLCT’s website: www.legaltechcenter.net. For more information, please don't hesitate to contact Mary Beth Dalton at medalt@wm.edu or 757-221-2494.

Today at Woodgrove High School, the School Counseling Department celebrated #WHSdecisionday19 to recognize the Class of 2019. We are so proud of our seniors!

Congratulations Class of 2019! We are so proud of each and every one of you! #WHSdecisionday19
The We’re All Human group at Woodgrove High School hosted a Mental Health & Wellness Fair on Thursday March 28th. The Mental Health & Wellness Fair focused on Sources of Strength. The eight sources of strength (Family Support, Positive Friends, Mentors, Generosity, Spirituality, Health Activities, Medical Access and Mental Health) were introduced to the students during advisory in the weeks preceding the fair. We’re All Human invited community members and in-house clubs to demonstrate the Sources of Strength, for example, charity organizations, such as Tree of Life and Mobile Hope represented generosity, local therapists represented mental health and Joey Burr Strength and Fitness represented healthy activities. In addition to the community members and clubs, there were also activities for students to do, such as making stress balls and friendship bracelets.
Cool Kids Carnival

On April 6th, the project management class conducted its big annual service project. This year, according to Maddy Davis, a member of the class, they decided “to do something that impacted our peers at Woodgrove and the rest of the western Loudoun community.” After many weeks of planning and recruiting volunteers from the Woodgrove student body, the Cool Kids Carnival finally came to fruition on April 6th. This Cool Kids Carnival was created for the kids and students with special disabilities, giving them an entire day of fun, inclusive games and activities. Maddy explains “Overall it was an amazing day that really made not just an impact on the kids and students, but everyone who was involved. My favorite part of hosting this event was really bonding and spending personal time with the kids and students.”

Spring Fever Week

During the final week of April, the SCA sought to “boost everyone’s spirit and peak energy before exams begin”, according to Maddy Davis, the SCA Activities Director. Spring Fever Week surely achieved this goal, as students happily cheered on their classmates as they competed in the daily lunch games. This year, the lunch games had great participation among the younger classes and a lot of excitement in the lunchroom.

For triumphing as the fastest to eat Oreos without hands or stacking cups while blindfolded, the competitors were rewarded with spirit points to go towards their respective class’s collection. Lizzie Clark, a senior member of student council, remarks that “the games got the whole school pumped up for spirit plate points.” The class with the highest number of spirit points at the end of the year is given an opportunity for a class party. The victor will be determined soon!

According to Charley, the newly elected Student Activities Director for next year, “In addition to the lunch games, the student council created a spirit week. The spirit days are spring themed such as tacky tourist day and we used May 1st, which is college acceptance day, as wearing college gear or dressing up as the profession you would like to pursue. To end off the week, we played music from different decades between classes to go along with decades day. This week is a fun and interactive way for the classes to get involved in school spirit!”
Loudoun County School Board - Woodgrove High School Representative

For the second year in a row, senior Grace Kostal, the Student Council Co-President, acted as Woodgrove High School’s student representative. This month, Grace spoke at the school board meetings at the Loudoun County Public Schools administrative building on April 9th and April 23rd.

On the 9th, she spoke about the accomplishments and values of Woodgrove this year, including student events, We’re All Human’s mental health initiatives, and other activities that Woodgrove uses to promote a better understanding and appreciation for diversity in the student body. On the 23rd, Grace moved into suggestions on how to better Woodgrove and the rest of the county. She talked about improving transparency regarding recycling, mental health, exorbitant student fees, traffic, and gun violence.

Class Council Elections

The season for class council elections is always one of the most exciting times of the school year. As students campaign rigorously for their desired positions, the hallways are filled with posters and debates about which candidates have the best policies. After a few weeks of campaigning, the contest of the candidates culminated in the final election day, where candidate speeches were shown during FACEtime for the entire student body to watch. After an extraordinary election, the class council officers for the 2018-2019 school year have been officially selected.

Drug Safety Awareness Assembly

Woodgrove High School hosted guest speaker Anthony Lucania on April 11th, 2019. Anthony went into depth about his personal life, and how through any dark times anybody can persevere. He shared first hand experiences on the negative effects of substance abuse including: gateway behavior, alcohol, marijuana, cigarettes, JUULs, cocaine, and prescription pills. Through his personal stories, Anthony illustrated how if he simply asked for help his life would have been on the correct path much sooner. He used personal accounts as well as questions that were used to create a connection with the students in hope to shape students’ perception regarding the risk of substance use, as well as to encourage help seeking behavior among the youth.

International Summit and International Night:

From March 30th through April 12th students from around the world were welcomed into Woodgrove High School. Students from Hungary, Poland, Panama, Estonia, and Germany made the trip to Purcellville to immerse in American culture and joined Woodgrove High School students from the club Global Ambassadors in activities ranging from visiting D.C. to participating in conferences within the county that focused on global issues. Consequently, Students United, a club devoted to promoting cultural awareness, hosted their annual “International Night” on Thursday, April 4th. International Night featured a variety of acts ranging from singing to dancing, and concluded with a dinner full of international dishes. The International Summit was a great success, Ben Alter, Vice President of Students United, “Hosting the international students was an amazing experience, as it allowed people from different backgrounds to interact and converse about important world issues.”
Woodgrove Theatre Presents: Chicago

To close out the end of the year, Woodgrove theatre had a wonderful production of Chicago! This timeless musical followed the story of Roxie Hart, played by Colleen Clark, as she is sent to prison for killing her lover. In the confines of Cook County Jail, she meets another murdereress, famous for her crime, Velma Kelly, played by Julia Condie. The two women vie for the same lawyer, Billy Flynn, played by Lukas D’Errico, as they leverage their fame to set themselves free. Woodgrove’s performance had everything that makes a great musical: an incredible cast of actors, a remarkably talented live pit orchestra, and some of the most staggering dance performances to cross the Woodgrove stage. According to Grace Harkins, a senior who played the role of Matron Mama Morton, “What was so awesome about this year’s production of Chicago was that all of the students involved were so incredibly excited to put on this show. We really wanted to do it justice, so a lot of kids who normally don’t take on a leadership role took responsibility on their own to go home, learn the choreography, and come in prepared to teach it. In the end, the result was fantastic and I really had a great time as a member of this year’s cast.” The productions at the end of April were a great success. According to Mr. Shipp, this year’s performance was particularly phenomenal, and he encourages everyone to come support the Woodgrove theatre department on May 2nd, 4th, and 5th for the final three productions for the year.
UPCOMING

Chicago - Spring Musical
Woodgrove Springhouse Theater will present its spring musical, Chicago, Thursday, May 2nd and Saturday, May 4th at 7pm and Sunday May 5th at 2pm. In this timeless musical, two murderesses rival one another as they compete for celebrity criminal status. It would be criminal to miss it!

Sports Injuries

Tennis Elbow

Tennis elbow is one of the most frequently seen sports injuries of the upper body. It’s caused by a repetitive stress to the forearm muscles that originate from the wrist and hand. Repetitive or excessive wrist extension (bending back) can cause microtears in the lateral (outer) forearm muscles. These microtears cause inflammation and result in local pain that may radiate down the forearm.

Some of the symptoms of tennis elbow include lateral elbow pain, weakness in the wrist and hand and pain with activities such as picking up objects from the refrigerator, turning knobs, or shaking hands. It is usually diagnosed with a physical exam and medical history. X-rays may sometimes be taken to rule out abnormal bone spurs.

Tennis elbow is usually treated with rest and elimination of the activity that led to the problem. Most important are therapeutic stretching and strengthening exercises of the forearm muscles to prevent re-injury to the tendon when the stresses of tennis are resumed. Ice, anti-inflammatory medication, cortisone injections, ultrasound, and electrical stimulation are other modalities commonly used to treat tennis elbow.

As with many injuries, prevention is the key. Adequate warm-up prior to participation is important. Proper tennis mechanics and properly fitted equipment to the athlete’s ability and strength are also vital. And finally, do not try to play through pain.
Fitness

Stretching - What’s the Point?

How many of you include passive or active stretching in your workouts to “lengthen a muscle”? How many of you think “short and tight” muscles as precursors to inhibition of movement or pain? Most of us do, right?

Here’s the thing; you can’t change the length of a muscle! Muscles do not change in length when “stretched”. To change the actual length of a muscle it would have to be immobilized for around 6 to 8 weeks. For example, when you have an elbow or ankle in a cast and the joint is kept in a flexed position.

So, 10 minutes of passive or active “stretching” will do essentially nothing. However, don’t you feel like it lengthens when you stretch? This is the sensitivity at the end of the joint range of motion (ROM). When you initially pull a muscle into a stretch, the end ROM is sensitive and the nervous system responds with a “pain like” signal. When you hold the angle, you desensitize the nervous system and feel a reduction in the “pain” signal so we can move further into the joint.

To summarize, while you might not be changing muscle lengths when you “stretch”, it still has value overall to your wellbeing. By holding stretches we desensitize that end ROM, calm the nervous system and that, in itself promotes an overall feeling of release from “tension” and its associated pains.

IMPORTANT INSURANCE NOTICE—READ CAREFULLY
Loudoun County Public Schools does not provide medical or accident
insurance for students injured while participating in school activities.

Dear Parents and Students:

LCPS receives reports of students who are accidentally injured while participating in
school activities, including some serious injuries that require costly medical attention. The
Procurement/Risk Management Office routinely receives calls from parents whose
children are accidentally injured while participating in school activities and have no
insurance coverage or have bills over-and-above what their insurance will pay.

LCPS does not provide medical or accident insurance for students injured while
participating in school activities. But we do provide voluntary purchase of student
accident insurance through K&K Insurance.

The insurance provided by K&K Insurance offers optional plans of coverage provided
on an “excess basis” for accidental injuries that may occur during school activities or
even around the clock, depending on the benefit option you choose.

If you already have insurance coverage through another policy, the K&K Student
Accident Plans pay benefits for those eligible expenses not paid by your primary
insurance. If there is no other insurance available to you, the plans will provide coverage
on a primary basis.

Your voluntary enrollment in one of these plans should be carefully considered. For
further details and to enroll in the K&K Student Accident Insurance coverage please go
online to this link:  www.studentinsurance-kk.com or call 1-855-742-3135.
Protect your child with student accident insurance. If you don’t have other insurance, this student accident insurance is vital. If you have other insurance, student accident insurance can help with deductibles and copays.

- At-School Accident Only

Details of these benefits may be found in the Master Policy on file at the School District. **NOTE:** This is a brief summary of the benefits and not a contract. A Master Policy has been provided to your school district that contains all of the provisions, limitations and exclusions and qualifications of the insurance benefits. !!NOTICIA IMPORTANTE!!
Las Escuelas Públicas del Condado de Loudoun no disponen de seguro médico o de accidente para cubrir a los estudiantes cuando se accidentan en la escuela.

Estimados Padres/Guardianes Legales:

LCPS recibe reportes de estudiantes que accidentalmente se hieren cuando participan en actividades escolares, incluyendo algunas con heridas graves que requieren atención médica costosa. La oficina de adquisiciones y manejo de riesgos rutinariamente recibe llamadas de padres de quien sus hijos son accidentalmente heridos cuando participaban en actividades escolares y no tenían cobertura de seguro o tienen cobros por encima del valor de pago de su seguro.

LCPS no proporciona seguros de accidentes médicos para los estudiantes accidentados que han participado en actividades escolares. Pero, nosotros proveemos la opción de compra voluntaria de seguro para accidentes por medio de K&K seguros.

El seguro de accidentes por K&K ofrece planes opcionales de cobertura basado en “excesos” para heridas de accidente que puedan ocurrir durante actividades escolares o incluyendo a tiempo completo. Esto depende del plan elegido.

Si usted ya tiene seguro a través de otra poliza, estos planes de cobertura de accidente pagan beneficios no cubiertos por su otro seguro. Si no tiene ningún otro plan de seguro disponible, invertiendo una mínima cantidad de dinero ahora en uno de estos planes le podría ahorrar considerables gastos más tarde si tuviese un accidente que requiriese atención médica.

Su registro voluntario en uno de estos planes debe de ser cuidadosamente considerado. Gracias y por favor llame si tiene alguna pregunta o inquietud.

2. Category B Weapons Violation: Any student who violates this policy with respect to a Category B weapon or any other terms of this policy may be subject to expulsion from Loudoun County Public Schools, or to such lesser disciplinary action, including long-term suspension, as may be deemed appropriate by the Superintendent or the Superintendent’s designee in accordance with Policy §8-28.

CONDUCTA DE LOS ALUMNOS

§8-32 Armas

Está prohibida la posesión o el uso de armas, cargadas o descargadas y en funcionamiento o no, por los alumnos mientras estén bajo el control o la supervisión del personal del sistema escolar, en una actividad patrocinada por la escuela o en las instalaciones escolares. Esta política se aplica a los alumnos de todos los grados. El término “arma” se interpreta en su sentido más amplio e incluye cualquier instrumento o dispositivo que, por su diseño o uso, sea capaz de causar lesión, daño o amenaza de lesión o daño al bienestar físico de otra persona, según se define en gran medida tanto en las leyes estatales como federales. A los efectos de determinar las sanciones adecuadas por infringir esta política, las “armas” se clasifican en las Categorías A o B, excepto en algunas circunstancias específicas.

A. Categoría A:
1. Armas de fuego, pistolas de salva o cualquier arma diseñada para propulsar un proyectil mediante una explosión, o que pueda ser convertida fácilmente para ello. Entre los ejemplos de armas de fuego se encuentran las pistolas, escopetas, rifles y revólveres;
2. Armas neumáticas, incluidas las de bolas de pintura (paintballs), de aire comprimido BB o balines (pellets), o rifles que usen presión neumática para expulsar proyectiles; y
3. Dispositivos explosivos o incendiarios, incluidos los que contengan gas venenoso, ácido o funcionen como granadas, bombas o cohetes, y cualquier combinación de piezas diseñadas para, o con la intención de, convertir cualquier dispositivo en destructivo. El término “dispositivo destructivo” no incluye dispositivos que no hayan sido diseñados o rediseñados para su uso como armas, ni dispositivos diseñados originalmente para su uso como armas y rediseñados para señalización, pirotecnia, lanzamiento de líneas, seguridad o similares.

B. Categoría B:
1. Cualquier cuchillo u otro instrumento o dispositivo que tenga una hoja diseñada para cortar o una punta diseñada para penetrar, incluidos puñales, cuchillos Bowie, navajas de resorte, navajas plegables, cuchillos balísticos o machetes;
2. Cualquier arma o dispositivo diseñado para lanzar proyectiles con métodos no neumáticos o no explosivos, incluidos los que usan gatillos, los alimentados a batería o por tensión. Algunos ejemplos son tirachinas o gomeras, arcos, pistolas de clavos y dispositivos de juguete que disparan.

—continúa en el reverso—
Armas

3. Cualquier arma para aturdir;
5. Cualquier producto o compuesto químico, incluido el gas pimienta, que produzca un efecto adverso en las funciones normales del cuerpo humano;
6. Cualquier instrumento o dispositivo usado intencionalmente para causar lesión, daño, poner en peligro o inducir miedo en otra persona, incluso las armas de “juguete” o “imitaciones”; y
7. Cualquier instrumento o dispositivo no incluido en la Categoría A que haya sido diseñado para, entre otras cosas, ser usado como arma para causar lesión, daño o poner en peligro a otra persona.

C. Excepciones a las clasificaciones de armas:

Las siguientes armas pueden quedar exentas de las categorías anteriores según lo apropiado de su uso y siempre que hayan sido autorizadas por un funcionario escolar:

1. Las que específicamente formen parte de las actividades o el plan de estudios de la escuela o de una organización autorizada por la escuela para implementar sus programas;
2. Armas como, por ejemplo, cuchillos utilizados habitualmente para la preparación de alimentos o servicios gastronómicos y que sean utilizados para esos propósitos; o
3. Las utilizadas por el Cuerpo de Entrenamiento de Oficiales de Reserva [Junior Reserve Officers Training Corps (JROTC)] para realizar ejercicios de tiro cuando sean parte normal de esos programas; los programas podrán incluir entrenamiento en el uso de armas de aire comprimido. Ese entrenamiento de tiro sólo podrá realizarse en ubicaciones aprobadas por el Superintendente de la División.

D. Sanciones por las infracciones:

1. Violación de la política sobre armas categoría A: Cualquier estudiante que violare esta política con respecto a un arma categoría A será recomendado automáticamente para que se lo expulse de las Escuelas Públicas del Condado de Loudoun por el Director y disciplinado de conformidad con la Política §8-28. No obstante, de conformidad con la política mencionada, el director puede indicar que pueden existir circunstancias especiales y por lo tanto recomendar asimismo que se considere una acción disciplinaria alternativa. El Superintendente o la persona designada por el Superintendente determinará si existen circunstancias especiales y puede determinar que la acción disciplinaria recomendada es apropiada, o si se considera que no existen circunstancias especiales, proceder con la recomendación de expulsión de conformidad con la Política §8-28.

2. Infracciones con armas de la Categoría B: todo alumno que cometa una infracción relacionada con las armas de la Categoría B o cualquier otro de los términos de esta política puede ser expulsado de las Escuelas Públicas del Condado de Loudoun o recibir una sanción menor, incluida su suspensión a largo plazo, según lo considere adecuado el Superintendente o la persona por él designada, según la Política §8-28.

3. Disposiciones de protección legal: la posesión accidental o inadvertida de un arma por el alumno si la llevó a las instalaciones escolares o a una actividad patrocinada por la escuela, o la encontró en ella, no constituye una infracción de esta política siempre que el alumno lo informe inmediatamente a un docente o administrador al darse cuenta, y antes de que sea descubierta o vista por un docente, administrador, otro empleado de la escuela u otro alumno.

4. Informe a las fuerzas del orden: sin perjuicio de lo anterior, es posible que se deba informar la posesión a los funcionarios de las fuerzas del orden público según lo estipula la ley estatal.

5. Derecho de apelación: ciertas acciones disciplinarias por infracciones a esta política son apelables o deben ser determinadas formalmente por un Comité de la Junta Escolar, según lo determina la Política §8-28.
