

# Mathematics Process Goals

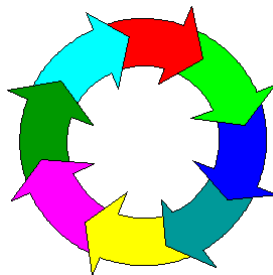

**REPRESENTATIONS**

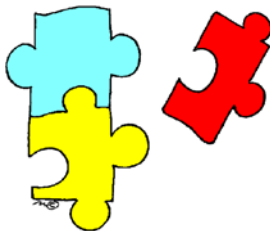

**COMMUNICATION**

**MATHEMATICAL  
REASONING**

**CONNECTIONS**

**PROBLEM SOLVING**

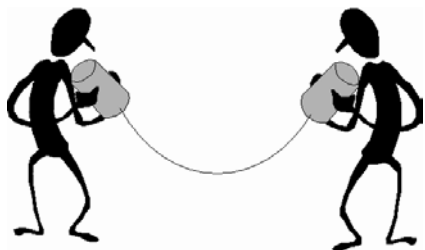

## Mathematics Process Goals

© www.ClipProject.info

### REPRESENTATIONS

I use pictures, numbers, and words to show my thinking.

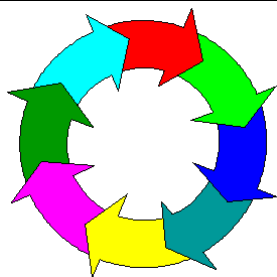

### COMMUNICATION

I use math vocabulary to explain my thinking to others.

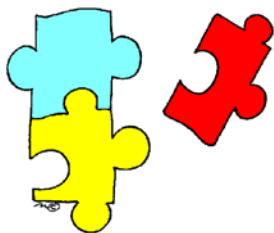

### MATHEMATICAL REASONING

I describe why I think my strategy makes sense when solving a problem.

### CONNECTIONS

I show how the problem is like something else I already know.

### PROBLEM SOLVING

I use effective strategies to solve a problem.
