

Who We Are?

We love to READ and THINK about BOOKS!

We also love the challenge of answering intriguing trivia questions about books. At present, we are reading selected books and writing questions about these books. In the spring, we will be competing against all of the High Schools in Loudoun County.

Our GOAL

Our goal is to **WIN the Battle of the Books competition**. To win this battle, we must answer the most questions about the books and earn the most points for our Woodgrove TEAM!.

Check out the books we are reading and find out the details about the Battle of the Books competition.

Most importantly, if you love to read.... JOIN the Battle of the Books TEAM!

You will meet a great FAMILY of READERS!

See Dr, J Haugh for details :)
Library

Upcoming Events
