Student Guide to Accessing LoudounVision
Woodgrove High School
Fall 2012

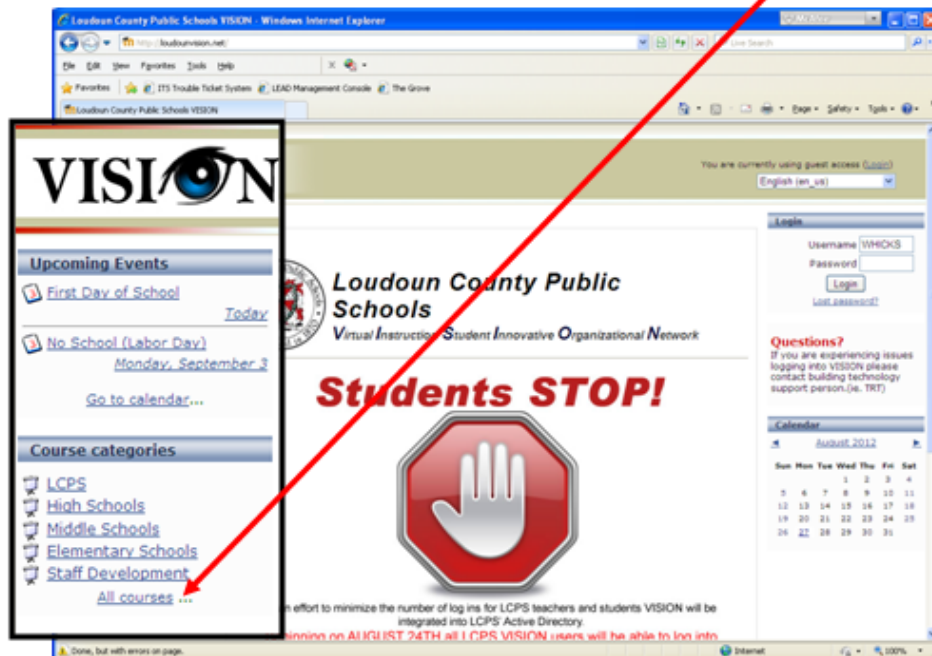

Overview

LoudounVision is a Loudoun County Public Schools course delivery system. Content available in these courses is uploaded by teachers for access by students. All high school students in the LCPS system have an account and access to these resources. Student passwords for the computer network in the schools are now synchronized with the password for LoudounVision.

Access at Woodgrove High School

Students gain access to courses by an enrollment key. This enrollment key is the word 'wolverines' in lowercase letters. Use of this enrollment key also provides access to the guest account which can be used by parents to view resources and upcoming assignments.

To find a teacher's course, begin at 'http://www.loudounvision.net' and click on the 'All Courses' link on the front page.

Subject: Substance Abuse Meeting

Hi Renee,

Last Tuesday, a group met together with Mrs. Suzanne Petersen, our Substance Abuse Coordinator, and Mrs. Kim Hager our Substance Abuse Counselor for the county.

We came up with the following plan:

10th grade students will receive a substance training through their Health and PE classes in March.

We will hold two parent nights for the school and our cluster in April.

We will also work with seniors in April prior to prom to discuss substance abuse, dangers of substance abuse, binge drinking, etc.

Please let me know if you need any additional information.
