Principals memo

ERMS Parents,

As we are now solidly in the middle of fourth quarter, I am always amazed at how quickly the year has gone. I want to remind parents that if you are like me and haven't ordered your child's yearbook yet, but mean to, May 5th is the last date to do so. The yearbook company sends a very limited number of extra books, so if you intend to order, please do so now. For our Rising 7th and 8th graders, a reminder that any course changes for next year that you would like to make need to be completed by the end of school year by contacting your grade level counselor. The same is true for notifying Briar Woods. In addition, School Supply kits for next year are available for purchase through the end of June, so get yours ordered while you are thinking of it. I have ordered one each of the last three years, and we have worked very hard to make them all inclusive of what your child will need so you can just purchase one and have very little needed in terms of supplies for your student to use during the school year. As we come closer to the end of the school year, there are many events for our current 8th graders – we'll keep you posted on those, as well as all of the updates we receive from Briar Woods as to athletics, extracurricular activities, and school events targeting Rising 9th graders. We are so proud to watch our Eagles SOAR into their futures as they leave us – it's a little sad this time of year, but awesome to witness at the same time. Finally, I want to take this opportunity to thank the parents that have invested the last three years in Eagle Ridge – thanks ever so much for sending your great kids to us!

Scott F. Phillips

Important Information

"Please help support this years 7th Grade Community Run on JUNE 2nd. Last year with your support we were able to raise \$13,000 dollars towards our fundraising goal, but we are not done yet!

This year we are working to expand our impact to both humans and animals. We are partnering our efforts with local Youth organization "Choppin the field" who provides opportunists for all kids to have access to sports camps and training.

We are also continuing our partnership with Rhinos without Borders to help raise enough money to finish the mission we started last year to save an endangered rhino from the dangers of pouching.

Run Date and time: June 2 starting at 8am events ending at 12 noon.

\$30 per runner

4 runners bundle package = \$100

**** Registration begins at Eagle Excellence night in front of the Gym.**

The Run will be starting here at Eagle ridge with local vendors and activities for the whole family.

We look forward to see you!!!!

“Education is the most powerful weapon which you can use to change the world.”

Is your student missing anything? Please check the lost and found carts in each house office.

Eagle Ridge Middle School will be holding our Annual Kid's Day Out Program on April 26th and 27th. This is a program designed by students in the Family and Consumer Science classes. They design lesson plans for pre-school aged students and then they are able to teach kids in the community. It is a great hands-on learning for all. Please consider bringing your pre-school aged student to Eagle Ridge for a fun experience. If you are interested, please email beth.newport@lcps.org for more information.
