

Student Spotlight

Dear Parents,

Each child in our class is very special. We will celebrate each child for a whole week when he/she is our "Student Spotlight." The children were each scheduled for their special week. It was all scheduled randomly and it is important to stick to the schedule to ensure everyone has a turn. If there is inclement weather or the child is absent on the first day that your child is a star, they will begin the next school day. **Please keep the schedule in a safe place so that you can prepare for your child's week.** Below is the schedule of special activities for your child on their week.

Monday- The student should bring 5 or more pictures to school to hang on their special Spotlight board. Ex. Family, child as a baby, playing a sport, on vacation, etc. Pictures can be photos or drawings. Your child should be able to talk about each picture.

Tuesday- The student should bring in an item that is their favorite color.

Wednesday- Free choice. The student can bring in any item of their choice to share with the class. It could be

a favorite stuffed animal, trinket, toy. It should fit in his/her backpack. (Non-breakable items only)

Thursday- The student will receive a mystery bag during the week. He/She should choose a small item to hide inside. Parents should help them come up with clues to share with the class so that the class can guess what is inside.

Friday- Parents are invited to come in (8:15 OR after lunch at 11:35) to read a story of the Student Spotlight's choice to the class. If a parent is unable to attend, please send in the student's favorite book for the teacher to read. Please let me know which time you plan to read.

****This is also posted on Mrs. Rihs' web page.**
