

Youth Afterschool Newsletter

August & September Newsletter

Welcome Back!

We have been very busy getting things in place for our new and returning students! This year will be looking to enhance the program with more trips, cooking projects, STEAM (Science-Technology-Engineering-Art-Math) activities, fitness activities, and so much MORE!!

During YAS students will be offered a snack and have an opportunity to complete their homework on site. The hours of operation are from dismissal until 6:15.

We encourage you to refer a friend! The more the merrier, we want students to have a great time and interact with their friend while making new ones in a safe and fun environment! We look forward to another wonderful year!

Dates to Remember

- Aug. 24: FIRST DAY!!
- Aug. 31: STEAM Activity
- Sep. 4: Closed Labor Day
- Sep. 14: Dance Battle
- Sep. 19: Special Visitor
- Sep. 27: Cooking Project

A Little About Us...

Mrs. Thomas will be returning to Smart's Mill for her 12th year! She loves working with children and believes all children have a bright future! She enjoys molding them and helping them stay on the right track and be the best version of themselves they can be!

Ms. Bush will begin her first year with Smart's, but has been working with the site on and off since last year! She enjoys working with children because she believes in creating a loving and fun environment where children can explore and be themselves!
