Parents – if you are dropping off lunch for your children, please personally drop off lunches in the main office prior to their lunch shift. We do not accept food deliveries from take-out vendors, ordered by parents or students.

Thursday is the end of Semester 1 - Only 4 days left until the end of the semester! Please log into Parent Vue with your child and make a plan for any make up or missing work. Teacher Work Day is January 18.

January 15 at 6 PM – 6th grade Strings concert.

Wireless earbuds were very popular gifts this past holiday. They are tiny and easily lost. We encourage students to leave these at home. If students bring them to school, they are responsible for them.

Thank you to the secret parent out there in our community who paid off all the student cafeteria charges last month!

This winter, all students in grades 6-8 took the Measures of Academic Progress (MAP) Growth test from NWEA. Students take the online MAP Growth assessment in Reading and Math three times each year to determine their instructional readiness and to provide a measure of their academic growth throughout the school year. Schools and teachers use MAP Growth data, aligned to Virginia Standards of Learning, to support differentiated instruction, meet your child’s individual learning needs, and inform course placement decisions along with other related data. Students will take the MAP Growth test again in March. On January 3rd in ParentVUE, you will be able to see your child’s national percentile rank. For more information about the MAP Growth test, visit: NWEA.org/Parent-Toolkit or contact your child’s school.

A student’s percentile rank is the percentage of students that had a MAP score less than or equal to this student’s score according to the most recent NWEA RIT Scale Norms study. It compares a student’s score to other students around the country and provides an overview of how a student has performed relative to others in their same grade level. For example, a third grade student with a national percentile rank of 49 has a MAP Growth score that is equal to or higher than 49% of all third graders nationally who took MAP within the same time period.

TALLER: REUNIFICACIÓN DE FAMILIAS

Este taller de 4 semanas se enfoca en crear un ambiente para apoyar caminos positivos de comportamiento para los padres, tutores y jóvenes.

¿Te has mudado a los Estados Unidos en busca de una mejor vida, pero has tenido sus seres queridos de su hijo o hijos por un año o más?
¿Se ha reunido con su hijo o hijos, pero encuentra la situación difícil y abrumadora?
Únete a otros padres para aprender maneras de hacer frente a esta situación, y mejorar la relación con sus hijos.

Los miércoles
20 de marzo al 10 de abril
10 de marzo → 3, 10 de abril

5:30 pm – Cena
6:00 pm – 8:00 pm – Taller

Park View High School
400 W. Laurel Avenue
Sterling, VA 20164

Para registrarse por favor llame a:
Diana Sefalese-Gorman al 703.220.9001 x109
DGGorman@lasda.org

El programa puede ir más allá del 10 de abril si LCPS tiene cierres de invierno.
