Attention Parents of Students Receiving Special Education (or 504) Services:

Please complete the Special Education Advisory Committee (SEAC) 2019 Annual Parent Survey at:

https://forms.gle/soYpwWoYbparQywvZA

Deadline: Friday, May 31, 2019

* Please Respond *

As an advisory committee to the School Board, SEAC solicits formal parent feedback each year to inform our work, guide our priority setting, and develop programming for the upcoming school year. Therefore, parent input is essential to ensure that SEAC can identify common themes that point to service gaps and systemic unmet needs in the education of over 10,000 special education students in LCPS.

Please provide us with your anonymous feedback by answering the survey questions accessible through the link above no later than Friday, May 31st. Be sure to complete one survey for each special education student that you have enrolled in LCPS. This survey should take approximately 5-10 minutes to complete. To obtain reliable and generalizable data to develop appropriate priorities in response to needs and concerns, it is important that we receive a large representative response rate from parents.

SEAC meetings are open to the public and generally take place the first Wednesday of each month during the school year, beginning at 6:00 p.m. at the LCPS Administration Building. Please visit the SEAC page of the LCPS website later this summer for a list of meetings for the 2019-2020 school year, our presentation schedule, and guidelines for public comment. We hope you will join us.

On behalf of SEAC, thank you for your valuable input.

Carol Williams-Nickelson, PsyD, SEAC Chair

Horse Budz are unique, fun and exciting co-ed workshops designed to help youth deal with the challenges they face daily in school, at home, and in the world at large, such as:

Setting boundaries - Saying no - Physical and emotional safety - Expanding social skills - Improving problem solving skills - Dealing with bullying - Peer pressure - Setting priorities - and much more!

Horses make outstanding "coaches" by helping promote and improve self-esteem and self awareness. Horses are naturally non-judgmental and friendly, and create a very motivating learning environment.

For details and online registration visit www.ProjectHorse.org.
Located in beautiful Purcellville, Virginia in Loudoun County.
TEEN EMPOWERMENT

Our 4-legged mentors & 2-legged staff offer helpful lessons each month!

January: Habits
February: Being Proactive
March: Putting the Cart Before the Horse
April: First Things First
May: A Win-Win Mindset
June: Listen Twice

These co-ed workshops do not require prior horse experience and are non-sequential. Attend one, a few, or attend them all. Each theme-focused workshop includes fun ground-based activities, hands-on horse time and lots of positive peer support.

Discover new ways of thinking, enhance your skills & build confidence!
