Beyond Academics: A Conversation about Substance Use for Parents and Teens
Thursday, November 15th
6:30—8:30 pm
LCPS Administration Building
21000 Education Court, Ashburn, VA 20148

We invite teens and parents to a shared workshop experience. The workshop will begin with a powerful personal story of recovery from speaker Sam Lucania. From Sam’s website, "Sam Anthony is a person in long term recovery from substance use disorder, who uses his personal experiences with drugs, alcohol, depression, anxiety, and suicidal behavior to educate and motivate others. He has passionately shared his story with thousands of high school and college students, health care professionals, and government officials through motivational speaking, panel discussions, and personal testimonials. Sam’s message emphasizes awareness and encouragement."

Following Sam’s presentation, parents and teens will participate in small group discussions led by Student Assistance Specialists to learn how to navigate conversations with their loved ones about substance use and mental health.

TO REGISTER: go to lcps.org/parentresource/services, call 571-252-6540 or CLICK HERE

If, due to a disability, you need assistance to enable you to participate in a workshop or need an interpreter, please call Parent Resource Services at 571-252-6540 at least five working days prior to the event.
Más allá de lo Académico: Una Conversación sobre el uso de Sustancias para Padres y Adolescentes

El jueves, 15 de noviembre
6:30—8:30 pm
La Oficina Administrativa de LCPS
21000 Education Court, Ashburn, VA 20148

Invitamos a los adolescentes y padres a una experiencia de taller compartida. El taller comenzará con una historia personal y potente sobre la recuperación del orador Sam Lucania. Desde la página de web de Sam, ‘Sam Anthony es una persona en la recuperación a largo plazo del trastorno del uso de sustancias, que utiliza sus experiencias personales con las drogas, el alcohol, la depresión, la ansiedad y el suicidio para educar y motivar a los demás. Él ha apasionadamente compartido su historia con miles de estudiantes de secundaria y universitarios, profesionales de la salud y funcionarios del gobierno a través de las conferencias motivacionales, discusiones en grupo y testimonios personales. El mensaje de Sam enfatiza la conciencia y el ánimo.’

Después de la presentación de Sam, los padres y los adolescentes participarán en discusiones de grupos pequeños dirigidos por especialistas de asistencia estudiantil para aprender cómo navegar conversaciones con sus seres queridos sobre el uso de sustancias y la salud mental.

Para el Registro: vaya a lcps.org/parentresourceservices, llame al 571-252-6540 o CLICK HERE

Si, debido a una incapacidad, usted necesita asistencia para permitirle participar en un taller o necesita un intérprete, por favor llame a los Servicios de Recursos para Padres al 571-252-6540 por lo menos cinco días hábiles antes del evento.
