HARPER PARK WEEKLY NEWSFLASH

Tomorrow is an A Day

Students should bring their chrome books to school every day, fully charged. Students are allowed to use ear buds at the direction of their teachers.

If you are cleaning out your garage or basement, we are always looking for donations of outdoor toys such as balls, frisbees, jump ropes for our recess time. Just send the items into the main office.

Our SAC is collecting leftover Halloween Candy Oct 31 – Nov 2 to send to our deployed troops! Collection boxes will be in each House Area.

Sibling Picture Day for the yearbook will be held in the Library this Thursday, November 1st during Homeroom. If you have multiple children that attend Harper Park remind them to report to the Library after checking in with their Homeroom teacher on Thursday.

Friday is the end of Quarter 1. Please check Parent Vue.

Halloween is Wednesday. Please no face makeup or hair dye that is sprayed on – kids are kids and this tends to get smeared all over the school.

Harper Park Middle School welcomes a new member to our school community. His name is Zenith and he is a service dog serving one of the students in our building. Please join us in welcoming this new member of our school. The following statement is offered to our school as part of an educational component regarding service dogs in public buildings: "Please remember that Zenith is here to work and we ask that you respect the following guidelines regarding service dogs: since he is working, please do not stare, distract or approach him in any way. It’d also be appreciated if you don’t try to pet, touch, or call him to come to you as it will upset his handler and makes things a bit more difficult for the both of them. You may ask questions about him but please refrain from asking to pet or touch him as it will never be allowed while he is working. Thank you!"

PTA NEWS: Please join the PTA – form is included in this news flash.
