

MEET THE TEACHER!

MISS. VAL

This is my 13th year teaching. I live in West Virginia with my husband and rescue dog, Atari, a Collie-Chow mix. You will see lots of pictures of our adventures hiking, camping, and even biking. Yes, you heard that right, Atari has a bike trailer! My passion is to incorporate nature into the classroom. I love teaching the kiddos about birds, flowers, and providing lots of opportunities for child-led exploration and sensory experiences.
