Algonkian Families,

I want to thank our entire community and staff for a fantastic year! It is truly a privilege to be the principal of Algonkian Elementary. I want to thank the PTA for their support and the programs they provided for us this year.

Our students are great examples of hard work and high character. Early results show a positive trend in SOL scores. I want to thank all the students for their hard work and effort throughout the year. We have many teachers continuing their growth as educators by attending project based learning workshops and technology workshops this summer. The staffs desire for continuous learning is unmatched by any staff in the county.

Please look at the upcoming dates for events in August. This year Kindergarten will have their own orientation a day before the rest of the grade levels. Also new this year, each back to school night will begin in the gymnasium then parents will proceed to the classroom. Open house will be from 9:00-10:00 on August 28. This is the time for students to meet their teacher.

I hope everyone has a great summer and gets some time to relax. Enjoy spending time with family and friends. The first day of school will be here before you know it.

Sincerely,

Mr. Brian Blubaugh

Principal Algonkian Elementary
