

How will your
child *SOAR*
this school
year?

This year, we are putting
extra focus on student's

ability to *SOAR*.

We will look to behaviors
surrounding Self-Control,
Ownership, Appreciating
Others, and Respect.

Questions?

Please feel free to reach out with any
questions you may have. We have a
PBIS Team here at CRES comprised
of classroom teachers, specialists,
administrators, and parents.

PBIS at Cardinal Ridge

Welcome to Cardinal
Ridge Elementary
School! Along with
other schools in
Loudoun County, the
PBIS framework is
followed here. We
have put together this
pamphlet to help you
learn all about PBIS at
our school.

What is PBIS?

PBIS stands for Positive Behavior Intervention & Supports. It is an evidence-based approach for creating a common vision of behavioral expectations. This is done through consistent language and practices among staff and students.

The students are asked to demonstrate the expected behaviors of RESPECT YOURSELF, RESPECT OTHERS, and RESPECT PROPERTY throughout their school and community.

Benefits

of PBIS

- Increased school community
- Improved school climate
- Increased academic performance
- Reduced office referrals and suspensions

SWOOPs

When your child shows expected behavior, they may be rewarded with a SWOOP.

Each time your child is rewarded a SWOOP, they will put them bottom part into a weekly drawing to win recognition on our morning news show. They will also receive a spirit stick.

Your child will be bringing home the top part of the SWOOP to share with their family. Please try to reinforce their great behavior by praising them for their SWOOPs!
