

SOL testing takes place at various times throughout the year within test windows that are established by the state of Virginia. Please take a look at the SOL calendar so you will know when testing is planned. SOL testing will be done online for the following courses in May:

<b>SCIENCE</b>	Earth Science
	Biology
	Chemistry
<b>HISTORY</b>	World History 1
	World History 2
	US and Virginia History
<b>MATH</b>	Algebra 1
	Geometry
	Algebra 2
<b>ENGLISH</b>	English 11 Reading
	English 11 Writing

During testing it is important that your child gets the appropriate rest, eats a well-balanced breakfast, bring their eye glasses if needed, and arrives to school on time.
