

Riverside High School
19019 Upper Belmont Place | Leesburg, VA 20176

January 16, 2024

Dear Families:

As you prepare for your student to attend Riverside High School next year, we know the transition process from one school to another can sometimes feel overwhelming. We strive to make this process as simple as possible. If you are interested in registering your student for the 2024-2025 school year, please click this [link](#) to learn about the process of registration. If you have any questions, please do not hesitate to contact our Registrar at Kathleen.Jackson@lcps.org. Registration is initiated online and will open on February 1st.

While this is an exciting time and many students look forward to exploring options for next year's classes, some are more ready than others. We want to help increase the knowledge of all students about what is available so they are confident and prepared for the next year.

At this time, we are planning to host a Curriculum Fair Night on Tuesday, February 6 (snow date February 8). A rising 9th grade parent meeting will be held 6:30-7pm in the Auditorium, to explain the scheduling process and course curriculum. Riverside Faculty will also be available starting 7:00 pm in the Cafeteria and Main Hallway to further discuss their subjects. Mrs. Jackson will be available to answer any questions related to the registration process.

Whether or not you attend the Curriculum Fair Night, we encourage you to view our [curriculum videos](#), presented by Riverside Faculty, and view other Academic Resources on the Riverside School Counseling [website](#) to assist in your course selection planning.

Please visit our Riverside HS School Counseling [website](#) for further information related to scheduling. You will find samples of forms we use, a list of course offerings, and the LCPS Program of Studies. The [LCPS Program of Studies](#) is a great resource to review course descriptions as well as graduation requirements.

The Riverside School Counseling Team, Administration, and Faculty endeavor to create a master schedule which fulfills as many student requests as possible. No student is guaranteed to be scheduled for every course requested, regardless of when they register for LCPS or when they submit their course requests. Course availability may be impacted by many factors, such as staffing, student requests exceeding course limits, etc.

Riverside School Counselors will be meeting with current students late January through early March. We will begin meeting with families new to Riverside in mid-March. Students are not scheduled on a first-come basis. Throughout the spring, we continue to register students and evaluate scheduling requests. The last day to change course requests for all students is June 14.

We look forward to collaborating with you and your student during the course selection process for the 2024-2025, and ensuring your needs are supported in pursuit of academic and career goals.

Mrs. Kathy Jackson
School Counseling Registrar

Mr. Luke Mason
Director of School Counseling
