

Riverside High School English Department:

Grading Policy: The students will participate in a number of activities designed to foster learning and to enhance their reading and reading skills.

1. The students will be tasked with both formative and summative assessments. The summative assessments will comprise 90% of the individual student's overall grade, while formatives make up the remaining 10%.
2. Individual activities may be worth zero to as many points as are deemed appropriate by the teacher. No single assessment will be worth more than 15% of a student's overall grade EXCEPT for the honors assessments.
3. Letter grades attached to activities will follow the standard A, A-, B+, etc., reporting format.

Late work policy:

1. 10% of the total points earned will be subtracted for each class day that an assignment is late.
2. At five class days, the assignment receives 50% of the points earned.
3. After five class days, the material may be turned in for discussion or remediation but will not be accepted for points.
