

Community Purchasing

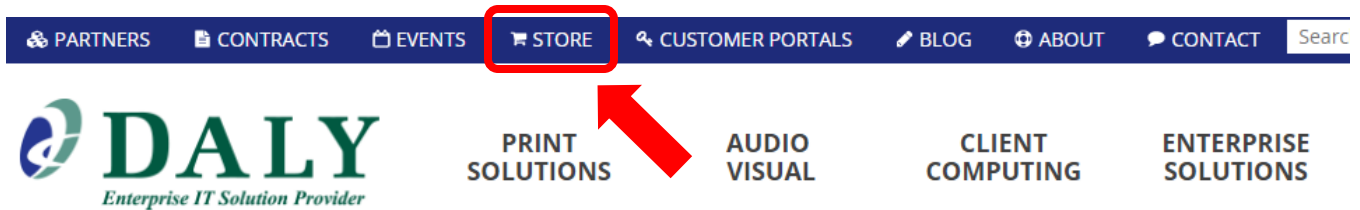

Follow the instructions below and receive the LCPS discounts for approved Lenovo technology purchases

End User Instructions

1 Visit our partner website:

Open your favorite browser and navigate to <http://www.daly.com>
Click on the "Store" link at the top of the page

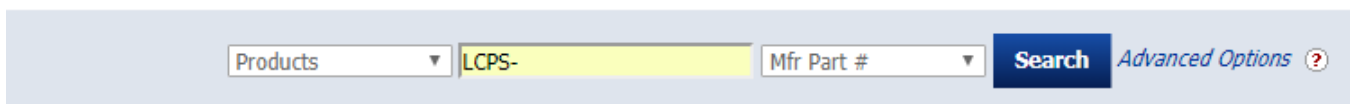

2 Log into our partner website:

Create a new account by clicking "Create an account" and providing the necessary information, or Log in using your previously created account credentials

3 Search for LCPS products:

Enter "LCPS-" into the search bar at the top of your screen
Change "Keyword" to "Mfr Part #" and click "Search"

Visit: [Customer Feedback](#) | [Client Computing](#) | [Data Center/Networks](#) | [Education](#) | [Professional Services](#) | [Security](#)

4 Make your purchase:

Find the items you want and add them to your cart
Checkout by providing your payment and shipping information
Input "LCPS2018" into the Special Instructions box on the credit card page

Be sure to check back often as we continue to expand the products available for personal purchase

Note: This process is intended for purchasing items with personal funds, and is not to be utilized for school or departmental purchases.
