

Riverside English Department:

Retakes and Reassessments:

Mastery is defined as the attainment of 84% of the assessed material. Therefore, students receiving an 83% or lower qualify for a “re-take.”

1. Students have 1 retake per unit exam
2. Students receive the higher of the two grades

Remediation: How do students get remediated?

1. Remediation must occur before a reassessment takes place
2. Remediation is not a gatekeeper exercise designed to keep students from re-assessing; instead it is a necessary step to prepare the student for the re-assessment.

When: Remediation and reassessment must take place before 2 weeks have elapsed from the date of the original assessment OR by the end of the next unit of study when appropriate.

Other important information:

1. The rigor of the second assessment will be commensurate with original
2. The highest grade a reassessing student can achieve is a 83%
