Dear Parents and Class of 2022:

We at Victor O’Neill Studios, your school’s official school photographer, are excited to see you on the following date(s) for your senior portraits at Freedom High School:

**November 18, 19 & 22-This is the last opportunity for senior portraits at the school.**

Due to safety concerns during the COVID-19 crisis, we will no longer be mailing appointment notices home. It is safer to communicate with everyone through email and allows us to control the number of appointments throughout the day. Therefore, instead of pre-assigning a date and time for your senior portrait, we are offering you the opportunity to select your date and time through our new scheduling software.

For the yearbook portraits, the photographer will provide the tuxedo and drape as has been the tradition in the past. They will also offer cap/gown and personality portraits. Please note that the tuxedos, drapes and Cap/gowns will be shared clothing and you must bring the signed waiver with you to the session. If alternate attire is desired, please contact Assistant Principal Tonya Smith at 703-957-4300 to discuss. We will have the following modifications in place to ensure a safe environment for students, parents, and our staff:

- We will have signage in place to encourage social distancing while students wait for their turn at each camera.
- Photographers will not come within physical contact with any student and will stay behind the camera.
- Photographers and assistants will wear masks while students are present.
- All of our staff will have their temperature checked before reporting to work each day.
- We will take the temperature of anyone entering the room where portraits will be taken.

**We appreciate your cooperation with the following recommendations:**

- We recommend that anyone with underlying health conditions not accompany the high school senior to the school for their portraits if at all possible.
- Masks will be provided to any customers desiring one.
- Give each other space and follow the social distancing guidelines
- Wash and sanitize your hands often. We will have sanitation stations throughout our portrait areas for your convenience.
Most importantly, if you feel sick, have a fever, are coughing, have difficulty breathing, or if in the last two weeks you been in close contact with a person with a suspected or confirmed case of COVID-19, please stay home.

We strongly encourage you to reschedule your appointment if you or anyone in your household is feeling unwell.

Please sign up for your session time here:
