OUR MISSION STATEMENT

The mission of Freedom High School, in partnership with the parents and community, is to provide all students a diverse and challenging educational experience that will prepare them for their role in an ever-changing global society.

Our Guiding Principles are to:

1. Provide a safe, secure environment.

2. Continually look for effective ways students learn and effective ways we provide instruction.

Our motto is:

“Where There is Unity,

There is Freedom.”
LCPS COMMITMENT TO EQUITY

LCPS centers equity as one of its foundational core values. For our community, equity means being committed to providing a safe, supportive, inclusive, affirming, and respectful environment for each student and staff member that fosters success, growth, and academic rigor. The cultivation of this environment requires us to reject and condemn the use of hate speech, racial slurs, antisemitism, and any action or behavior that discriminates based on race, ethnicity, national origin, gender, orientation, gender expression, socio-economic status, religion, ability, or other cultural identities or expression. Such noninclusive speech, behavior, and actions do not reflect who we are as a learning community.

We embrace and value the unique identities, backgrounds, experiences, perspectives, and needs of each student and employee. Celebrating our diversity is important and helps define us as a school division.

Demonstrating the courage to address inequities and remove barriers represents an integral part of our collective effort towards excellence in education. Equity is the vehicle that leads to greater access, opportunity, and equality so that each student is empowered to make meaningful contributions to the world.

STUDENT HANDBOOK FRONT AND BACK COVER DESIGNERS

This year’s Student Handbook’s Front Cover was designed by Anneysha Auddy (Grade 10). Her cover idea was inspired by the Freedom banners and the school colors. Anneysha likes to read and play with her younger brother. She enjoys painting and her ambition is to be a doctor; Science is one of her favorite subjects.

The Student Handbook’s Back Cover was designed by Jena Beitzel (Grade 11), her cover was an impromptu design using a computer. Jena loves art, especially online and pencil drawings, as well as listening to music. Jena enjoys playing video games and hanging with friends.
The purpose of this Student Handbook is to act as a resource for Students and Parents. The contents of this handbook is subject to change.

PRINCIPAL’S MESSAGE

Dear Freedom Students,

Welcome to the 2022-23 school year! We are looking forward to an excellent school year, free of COVID restrictions! It seems like it has been a long time since we started school under “normal” circumstances.

When you come on the first day of school, you will be entering the largest high school in the county. This will be Freedom’s 18th year as a high school and we have gone from 440 students in 2005 to 2100 students this year.

As I begin my second full year as principal of your school, I am proud of your accomplishments and am looking forward to building a better Freedom High School together in collaboration with you. Your past academic and extracurricular accomplishments outshine any in the county, and I am confident that you will continue to build on them.

I want you to know that we listened to you last spring and are doing the following things to improve your days at school. We have scheduled a 10-minute break between the first two blocks on non-advisory days (Mondays, Wednesdays and Thursdays) for you to get a snack and take a little break. We are working with the cafeteria personnel to make the purchasing of snacks efficient. We are also working on adding more fun activities that will allow you to participate with students from other advisories on Fridays.

My challenge to you this year is to continue improving our school motto, “Where there is UNITY, there is Freedom.” I know that you are a compassionate student body that respects and takes care of each other. But remember to look around and see if there is someone who could use a little extra care. Reach out to the person and bring them into your circle. I know that together we aspire to be an inclusive, caring and safe community, so let’s add more examples of this to our already enriched history.

I serve as your principal with a great deal of pride and commitment to our community. I want to hear from you so that together we make Freedom even better. If my office door is open, I invite you to come in for a chat. See you on August 25th.

Your proud principal,

Ms. Chaudhry
SCA MESSAGE

Dear Freedom Eagles,

I am so honored to serve as your Student Council President for the 2022-2023 school year! I cannot wait for all the school spirit this upcoming year has in store. Experiencing a new normal and a series of firsts this past year has taught the Freedom community the importance of adaptability. With this adaptability, we have learned to appreciate the positive moments of every experience and to find joy in each new adventure. Going into another school year, I look forward to seeing the entirety of our student body experiencing the fun of high school together. I encourage you to put your best foot forward in the classroom setting by participating and advocating for yourself when you need help. The staff at Freedom are here to aid you in all your educational endeavors. Beyond the classroom, I would like to motivate you to support your peers to create an uplifting, welcoming Freedom community. I hope you get involved by pursuing your interests, whether in sports, theater, clubs, etc. Everyone has a home at Freedom; it’s just waiting for you to find it! This year, the other SCA officers and I are thrilled to support you all in creating a lasting high school experience filled with spirited events and happy memories. We believe that communication is vital in fostering an accepting and inclusive atmosphere in which everyone feels comfortable learning. Please feel free to express your opinions and ideas to any of the SCA officers because you deserve a voice as a member of the Freedom community. We are always here for you, and we look forward to an amazing school year with all of you.

Sincerely,
Rashmi Admala, 2022-2023 SCA President

POSITIVE BEHAVIORAL INTERVENTION SYSTEMS (PBIS)

PBIS (Positive Behavior Interventions and Systems) is a systems approach for establishing a safe and supportive learning environment to promote social, behavioral, and academic success for all students and for developing a common vision, language and practices used consistently across the school. PBIS is important because it helps improve school climate, strengthen relationships, teach and reinforce expectations, increase positive behaviors, academic achievement and equitable learning experiences, and decrease office referrals and suspensions.

At Freedom High School, our motto is:

**Where There is Unity, There is Freedom.**

Here are our **core values** and what they mean:

- **Empathy and compassion:** Listening and understanding someone else’s reality, caring about their story and their contribution to the community.

- **Embracing diversity and inclusion:** Recognizing the diversity in our community and being actively inclusive so all voices are heard and everyone is invited to be a participant.

- **Perseverance:** Building the fortitude and resilience to overcome challenges, learn from the experiences, and move forward.

- **Trustworthiness:** Creating authentic relationships by believing that adults and students are making decisions with each person’s best interests in mind.

- **Accountability:** Investing the time to self-reflect, be honest with ourselves, and communicate effectively when taking ownership of our actions.

ADVISORY

Advisory lessons are about 25 minutes long, and occur every Tuesday and Friday morning. Students are with the same advisor for 4 years; from Freshman through to Senior year. Advisories provide an opportunity for students to participate in meaningful activities to help them build positive connections with a trusted advisor and their peers. This will be a time to disconnect from schoolwork.
ACADEMIC GRADING

Our primary mission is to create an environment that provides opportunities, challenges, and support to help each student achieve academic success and meet the challenges of life after high school. We believe that all students are capable of learning and that by working together as a partnership of parents, students, and staff, we can help students reach their potential and prepare them for the future. Students and parents should work closely with the school counselors to design a four-year plan to ensure that students are taking appropriate courses to meet their goals.

For the specific LCPS grading policy, please refer to LCPS School Board Policy #5030 and #5030 Reg A on the LCPS website.

Grading and Assessments
Teachers use a variety of assessments to derive student grades. Assessments include, but are not limited to, tests and quizzes, projects, presentations, displays, reports, and homework.

Formative Assessment
A formative assessment is assessment for learning that occurs during the learning process and is designed to guide next steps toward mastery. The goal of a formative assessment is to monitor learning, provide feedback to students, and set goals to move learning forward. Information gathered during formative assessment is used to inform next steps in instruction. Formative assessments will not be used to determine final grades.

The teachers will:
- Provide a formative assessment before every major summative assessment.
- Provide feedback that is specific, timely, clear, consistent, and actionable.
- Provide feedback within 6 consecutive school days from the date the assignment is collected. Teachers have 10 consecutive school days from the date the assignment is collected when grading full-length written assignments, research papers, and analytical writing.

The students will:
- Complete formative assessments
- Review the feedback to prepare for the major summative assessment.
- Meet with the teacher if the student needs additional help based on teacher feedback.

Summative Assessment
A summative assessment is assessment of learning that occurs at the end of a learning cycle and is designed to determine a student’s level of mastery of specified content or competencies. Summative assessments become the source of information for grading.

Reassessments
Reassessments encourage a growth mindset in students and allow them to demonstrate mastery.

The teacher will:
- Provide one opportunity for reassessment of all major summative assessments to students who score below an 80%.
- Remediation may be required prior to reassessment.
- Schedule reassessments with the student who must take the test within ten (10)
consecutive school days after the student receives feedback from the original assessment and remediation.

- Place a note to the grade book documenting the original score and the retake score.
- The reassessment may be in a different format than the original assessment
- It should be the same level of difficulty and measure the same standards/competencies.

The Student will:

- Review the teacher's feedback.
- Meet with the teacher to discuss a reassessment plan.
- Complete the necessary remediation.
- Retake the assessment within 10 school days of receiving the feedback.

Late work
Teachers, in consultation with student support teams and parents, will provide students who demonstrate a pattern of repeated late or missing work with an appropriate intervention, including assigning a grade less than 50%.

The teacher will:

- Speak with the student when the assignment is late.
- Offer opportunities for extra help.
- Assign Homework club for the following Tuesday or Thursday afterschool from 4:25-5:25 p.m.
- Transportation is provided for students who ride the bus.
- Make a note if work is submitted before the assigned homework club, remove the student from the afterschool list.

If the student does not meet the agreed-upon deadline:

- The teacher will contact the parent by email or phone and assign Homework Club for one more week.
- Make a note in the grade book about missing work and the plan made with the student.

If the student does not meet the agreed-upon deadline:

- The teacher may give the student less than 50% on the assignment.
- The teacher will contact the counselor and Administrator.
- If this is a repeated pattern then a conference with the student, parent, counselor, and Assistant Principal will be needed to create an Academic Success Plan.

Floor grade
Students who make a reasonable effort in completing assessments will receive a grade of no lower than 50% for quarters 1, 2 and 3. However, the floor of 50% will not apply to the final grading quarter of the year or the final quarter of a semester class.

Academic Supports
Students are expected to communicate to teachers about late and missing work, as well as reach out to teachers for academic help. Furthermore, academic support from teachers and peer-tutoring is available throughout the school day during every study hall, and after school on late bus days. Counselors and administrators can also assist students with communicating to their teachers.

*Quality points are assigned to grades in order to calculate the GPA. Weight is also added for Honors/AP/Dual Enrollments courses. Honors classes receive a .5 point additional weight value and AP courses and dual-enrollment courses receive a 1 point additional weight value.*

**Honor Societies**

Membership is an honor and privilege bestowed on students who demonstrate exemplary qualities of scholarship, leadership, character, and service. The school staff will make efforts to recognize this honor through written communications to parents and through announcements. A breach of school policies and academic dishonesty of any type may result in removal from the honor societies.
ACADEMIC HONOR CODE

Freedom High School exemplifies and upholds a community built on mutual trust, respect, and honesty that is central to the very nature of learning. As members of this community, all students are expected to act with honor and integrity.

The work of a student reflects directly on their own character. When submitting any assignment, the expectation is that the student submits their own work. The student is expected to uphold the integrity of their work by not allowing another student to copy and submit their work under false pretenses.

Honor Code Criteria

Abiding by the Honor Code requires that each student do the following:

- Request or provide only authorized assistance on any assignment.
- Complete assignments independently with the understanding that completing formative work helps students succeed on summative assessments.
- Protect the integrity of the work by not allowing other students to copy assignments.
- Prepare for summative assessments and only use authorized study aids during tests.
- Uphold the validity of assessments by not sharing information about quizzes or tests with peers who will be taking the assessment at a later time/date.
- Give proper credit to the ideas, opinions, or work of others incorporated into the student’s work.
- Make every effort to stay current with assignments when absent. Students are responsible for completing any missed work in a timely fashion.

Consequences for Honor Code Violations

1st Offense:

*The Teacher Will:*
- Speak with the student about the concern and allow students an alternative assessment to be completed within 6 consecutive school days.
- Notify the parent by phone and explain the alternative assessment and due date.
- Notify the Assistant Principal. (this is important because this is a CUMULATIVE Offense and can impact future honor society acceptance.

2nd Offense:

*The Teacher Will:*
- Speak with the student about the concern and allow students an alternative assessment to be completed within 6 consecutive school days.
- Notify the parent by phone and explain the alternative assessment and due date.
- Notify the Assistant Principal - The administrator and student support team will have a parent and student conference.
- Discipline consequences may be assigned including removal from honor societies.

**NOTE: Academic dishonesty infractions accumulate from year to year, and can jeopardize any honor society membership.**
STUDENT RECOGNITION

Efforts will be made to recognize students for academic accomplishments, outstanding attendance, improvement, positive attitudes, character and citizenship, volunteerism, and leadership. Among the established recognition opportunities are the following:

**Honor Roll** — Recognizes students every nine weeks for academic achievement based on a county formula.

**Academic Letters** — are given to students who have an average GPA of 4.0 or higher for the academic year.

**Activity Letters** — Students can earn an activity letter by completing 100 hours of community service during high school. Students will receive an Activity letter and a pin for earning 150 hours of community service. Please see Career Center Specialist for a Community Service Sheet to track and verify hours.
ABSENCES

The Virginia compulsory attendance law requires that every child who will have reached the age of five years on or before September 30 of the school year and has not reached the age of 18 shall regularly attend school unless exempt by law or excused by the School Board. Regular attendance and promptness are expected in all classes in order to teach valuable life skills. A student should understand that excessive absences, whether excused or unexcused, may drastically affect the class grade. The attendance secretary will make every effort to inform parents of a student’s absence. The school must have correct home, work, and cell phone numbers for both parents/guardians. If telephone numbers change, please contact the school to make the necessary changes or make changes in ParentVue. For the specific LCPS attendance policy, please refer to LCPS School Board Policy #8120 on the LCPS website.

I. SCHOOL ABSENCES

Excused Absences

There are circumstances that may prevent a student’s attendance in school. Absences that may be classified as excused are the following:

- Personal illness
- Death in the family
- Medical or dental appointments
- Court appearances
- Religious holidays
- Trips and activities that enhance or extend the student’s education, when approved in advance by the principal

Make Up Work Due to Absences

Whenever a student has an excused absence, a reasonable amount of time consistent with the length of the absence will be given to make up the work. The student will work with his/her teacher to complete the missed assignments.

II. REPORTING ABSENCES

ParentVue Attendance Options

LCPS schools use ParentVue as our primary tool for families to communicate student absences, tardies, and early dismissals to our school. You will find the Report Attendance option in both the mobile app and web version. Note that this function only reports attendance to the front office - teachers will not see the notes submitted through this process.

Additionally, parents can opt-in or opt-out from receiving push notifications and emails for attendance.

- Push Notifications: enable using the ParentVUE app on your mobile device. You will receive notifications for both period and daily attendance.
- Emails: enable using either the ParentVUE web portal or with the ParentVUE app. You will receive emails for period attendance only.
Please note that only a parent/guardian can report a student’s absence in ParentVue. Students do not have access to this attendance feature in StudentVue. Also, only a parent/guardian may call our attendance line. Any absence not confirmed by a parent/legal guardian will be considered unexcused. Click here for Information on how to use ParentVue to report absences. The ParentVue feature can be used from the date of absence forward up to 30 days.

Attendance Line

The second way is to leave a voicemail on the attendance line at 703-957-4309. Include the following in your call:

- Student name (slowly spell name when calling)
- Student ID#
- Parent/Legal Guardian Name
- Date(s) of Absence(s)
- Reason for Absence(s)

*Please do not leave a phone message for an early dismissal for your student

Early Dismissal Reporting and Procedure

- Please use the “Report Attendance” button and select “Report Dismissal” in ParentVue. The time of dismissal must be included in the note section.
- All early dismissal requests require a 1-hour processing time.
- You may also send in a handwritten note with the student and have them turn it into the attendance office before 9:45 a.m.
- If you need a dismissal within one hour, parents need to come into the building with a government ID card to sign out their student.
- For student safety, we cannot accept phone calls for early dismissals.
- All students need to enter and exit through the main front doors.

It is strongly suggested that students download the following apps on their smartphone for the following reasons:

- **StudentVue app.** - This will help facilitate tardy check in and early dismissal sign out.
- **E-hall pass** - E-hall pass is the preferred method by which students can leave class for any reason. For early dismissal, the student will receive an E-Hall pass from the Attendance Office once the parent/guardian completes the process above. The student needs to show this pass to their teacher from their mobile device and/or Chromebook before they are dismissed from class. The student then needs to check out at the attendance office, and afterwards exit through the main front doors.

*Please have the student sign up for text notifications in their student profile within their E-Hall pass account to be alerted when a pass is assigned to them.

Pre-Arranged Absences

If a student plans to be absent for **five or more consecutive days**, they must complete a **pre-arranged absence form**. The student will pick up the form from the Attendance Office and obtain the signatures of each teacher and meet with the school principal prior to returning the form to the Attendance Office. The student should obtain this form and arrange a meeting.
with the principal at least 15 days before the student’s absence. Class periods or school days missed can never be fully recovered. Therefore, the school encourages scheduling these activities at times which would not require absence from school and affect student learning.

III. CONSEQUENCES FOR UNEXCUSED ABSENCES.

Excessive Absences

Any student who has accumulated more than five absences during the school year will have a meeting with administrators. Depending on the situation, medical documentation may be required for each absence.

Unexcused Absences and Truancy

Loudoun County Public Schools (LCPS) implements attendance reporting practices that comply with the information and reporting requirements for report cards and performance indicators of the Every Student Succeeds Act (ESSA) and the Virginia Compulsory Attendance Law 22.1-254. The Virginia Department of Education (VDOE) has provided new directives for the reporting of student absences from school as follows:

**These requirements apply only to unexcused absences, and truancy:**

- At five unexcused absences, the principal or administrative designee is required to have direct contact with parent(s) and develop an attendance improvement plan;

- At ten unexcused absences, the principal or administrative designee is required to schedule and hold an in-person attendance conference with parent(s) and student. The conference consisting of a multi-disciplinary team, must be held regardless of whether the parent approves of the conference. The multidisciplinary team will continue to monitor student’s attendance and communicate with the attendance officer. The principal or administrative designee shall consult with the school social worker to determine appropriate team members for the multidisciplinary team. Team members may include school counselor, school psychologist, student assistance specialist, attendance officer, parent liaison, school nurse, private providers, etc

- If the student accumulates additional unexcused absences and the attendance plan and conference were completed, the principal or administrative designee may make a formal referral to the attendance officer.

- The attendance officer will schedule a conference with the student and the student’s parents/guardians. In addition, the attendance officer may consult with the Juvenile and Domestic Relations Court regarding possible judicial interventions.
Consequences for Leaving Class Without Permission (Student is Still on Campus)

- One hour detention with 1 week of hallway restriction

Consequences for Leaving Campus Without Permission

For the student’s safety concerns, this is considered a serious offense and will be dealt with accordingly.

- 1st Offense: 1 x Friday-School, and 1 week of hallway restriction. Students will also not be able to attend Friday after-school activities. Parents will be notified.

- 2nd Offense: 2 x Friday-School, and 2 weeks of hallway restriction. Students will also not be able to attend Friday after-school activities. Parents will be notified.

- 3rd Offense: Hall Escort for the quarter and other disciplinary consequences set by administration. Parents will be notified.

IV. EARLY RELEASE FOR SENIORS

Seniors who have met various state and school board criteria can apply for early release at the start of the school year. Once their status has been changed and they are granted early release, they may leave school early. If an early release student is assigned to In-School Restriction they are expected to remain in school until 4:18 p.m. Students on early release are to leave school grounds immediately after their last class through the main doors, unless they have prior approval from the principal. During SOL testing or other occasions that require revised schedules which result in a later dismissal, students with early release must make appropriate arrangements so that they can attend classes that meet after the time originally designated for early release.

Avoiding the Revocation of Early Release

Students are reminded that early release is a privilege that may be revoked for various reasons. In order to maintain this privilege, students must:

- be passing all SOL tests required for graduation
- maintain a C average in courses required for graduation and electives
- have no more than three unexcused tardies to school per quarter
- have no more than five unexcused absences from any class per quarter
- have not committed any rules infractions that would have resulted in In-School Restriction or Out-of-School Suspension, and
- Excessive late work can lead to students attending a study hall during early release

Senior grades are checked at the end of every quarter. If a student does not meet the requirements for early release, then it is revoked for the following quarter. Students will have the opportunity to earn back their early release if they meet the requirements by interim time.

Example:
1. End of each quarter
   - All grades, attendance and behavior infractions for senior students are checked.
   - Administration will notify the students who did not meet the requirements for early release to let them know that their early release has been revoked, and the student will be placed in a study hall. Their Parent/s will be contacted at this point.

2. Interim time
   - Grades, attendance and behavior infractions are checked for students who lost the privilege of early release at quarter time.
   - Students who have now met the requirements for early release, such as improved their grades, attendance, and/or behavior can earn back their early release.
   - Administration will notify the student and their parent/s.

3. End of the quarter
   - All grades, attendance and behavior infractions for seniors students are checked again and the above procedures are followed.

LATE ARRIVAL TO SCHOOL

I. REPORTING LATE ARRIVALS

A parent can do one of two ways:

1. Log into ParentVUE. You will be prompted to the page with your child’s photo on it. To the right of their photo, click on “Report Absence.” This will take you to a screen where you can report if your student will be tardy. If reporting a tardy, please specify time of arrival in the notes section in ParentVue. You can also upload any medical documentation by taking a photo of it with your mobile device.

2. Or, a parent can call the attendance line at (703) 957-4309. Please include the following information in your call:
   - Student’s name (please spell the entire name slowly)
   - Student ID#
   - Student’s grade
   - Parent/guardian’s name
   - Date of tardy
   - Reason for tardy
   - Time of arrival

Tardies and After school Activities

To participate in an evening activity, students must arrive at school by 9:45 a.m. and remain all day unless they have prior approval by the principal. Failure to be in school by 9:45 a.m. and remaining in school all day will result in not being able to practice, play, or participate in all after-school activities. If the student shows up after 9:45 a.m. due to a doctor/dental appointment, parents need to use ParentVUE to report their student’s tardiness. Parents can take a photo of the doctor note with a mobile device and upload it into ParentVUE under “Report Absence” or the student can bring the medical note to school. A student who wishes to participate in extra-curricular activities MUST be a full-time Freedom High School student.
Unexcused Tardy to School Per Quarter

Late arrival to school or to class encourages the formation of undesirable personal habits, hurts the morale of students who are on time, reflects a negative attitude towards the class/school, creates disruptive problems in the hallways, and disrupts the instructional process for the school. For all these reasons, tardiness is not acceptable.

Students are considered tardy to school if they arrive after 9:30 a.m. Please note that the following reasons for coming late to school will NOT be excused: oversleeping, power outages, car trouble, traffic, and missing the bus. A student who is late to school must bring a note from a parent/guardian to excuse the tardy. The parent/guardian may also call the attendance line at (703) 957-4309 or use ParentVue to inform the school of the late arrival. Parents/guardians may only excuse two tardies per quarter.

II. CONSEQUENCES FOR UNEXCUSED TARDIES TO SCHOOL

NOTE: Attendance and discipline consequences are subject to change as needed to ensure continued compliance with federal, state, and local regulations. Unexcused tardies, unexcused absences, and truancy can also adversely impact a Senior’s Early Release.

Unexcused tardy to school before 11:00 a.m. per quarter
- 1st tardy warning
- 2nd tardy warning
- 3rd tardy 1 x one-hour detention (morning 8:15 a.m.-9:15 a.m., afternoon 4:30 p.m.-5:30 p.m.)
- 4th tardy 2 x one-hour detentions (morning 8:15 a.m.-9:15 a.m., afternoon 4:30 p.m.-5:30 p.m.)
- 5th tardy Friday-School, there will also be a parent-student conference and other disciplinary consequences set by the administration

Students who arrive at school after 10:15 a.m. are considered absent from their first block class since they have missed more than 50% of the class.

Unexcused tardy to school after 11:00 a.m. per quarter. An Administrator will meet the student, and contact parents upon the student’s arrival.
- 1st tardy warning
- 2nd tardy 1 x one hour detention (morning 8:15 a.m.-9:15 a.m., afternoon 4:30 p.m.-5:30 p.m.)
- 3rd tardy 2 x one hour detention (morning 8:15 a.m.-9:15 a.m., afternoon 4:30 p.m.-5:30 p.m.)
- 4th tardy Friday-School, there will also be a parent-student conference/s and other disciplinary consequences set by the administration
DISCIPLINARY CONSEQUENCES

Discipline in the school is essential for having an environment in which all students may learn. Freedom High School students are expected to behave in a manner which allows them to receive maximum benefits from the school and which does not interfere with the education of other students. Disciplinary consequences are based on circumstances unique to each individual incident of inappropriate behavior and will be dependent upon such factors as:

- the severity of the incident.
- the student’s attitude which includes the student’s sense of ownership of the behavior (accepts responsibility or shifts blame) and willingness to change.
- the student’s discipline record.

The following is a list of consequences given by the administration for disciplinary infractions. In addition, students may be excluded from extra-curricular activities for violations of disciplinary policies.

Morning Detention 8:15 a.m. - 9:15 a.m.
Students must report to the front office no later than 8:15 a.m. They will be supervised by a staff member. Transportation to school will be the student’s responsibility.

Afternoon Detention 4:30 p.m. - 5:30 p.m.
Students must report to the front office no later than 4:30 p.m. They will be supervised by a staff member. Late buses are available on specific days.

In-School Restriction 9:30 a.m. – 4:18 p.m.
In-School Restriction (ISR) is an assignment to a self-contained classroom for disciplinary reasons. Students could be assigned for several days in this structured, supervised, isolated classroom. They are expected to complete and turn in all class assignments to the ISR supervisor before leaving the last ISR session. Students may also participate in community service projects around the school. Those who are assigned multiple days may be asked to participate in a restorative practice session to discuss and work on personal behavior. Participation in a restorative session may shorten a student’s ISR. ISR will also apply to students attending Academies of Loudoun, and Senior students who have Early Release. Students assigned to ISR may not participate in before or after school activities.

Short-Term Suspension from School

School Board Policy 8220 – Students can be suspended out of school from one to ten days by the administration for serious or habitual offenses. During the period of suspension, students are not permitted on any LCPS school grounds, nor are they allowed to participate in or attend extracurricular activities. A reinstatement conference with the student, parent/guardian, and an administrator may be required before returning from a suspension. Failure of all parties to attend could result in the suspended student not being allowed to re-enter school. Students who are suspended have the opportunity to complete all assignments. The student is responsible for turning in all previously assigned work as arranged by the teacher. The student will work with the teacher to make up any assessments missed.

Long-term Suspension from School

When in the judgment of the school principal a student’s continued pattern of behavior or any
single act, or set of acts, warrants such a recommendation, a student may be suspended from school for 11 to 45 school days.

Students are not permitted on any LCPS school grounds, nor are they allowed to participate in or attend extracurricular activities.

**Extended Long-Term Suspension**

A long-term suspension may extend beyond the 45-school day period but shall not exceed 364 calendar days if (i) the offense is one described in Virginia Code §§ 22.1-277.07 or 22.1-277.08 or involves serious bodily injury or (ii) the School Board or Division Superintendent or the Superintendent’s designee finds that aggravating circumstances exist as defined by VDOE, when:

a. A student engaged in misconduct which caused serious harm (including but not limited to physical, emotional, and psychological harm) to another person(s) or posed a credible threat of serious harm to another person(s), as determined by a threat assessment; or

b. A student’s presence in the school poses an ongoing and unreasonable risk to the safety of the school, its students, staff, others in the school or

c. A student engaged in a serious offense that is: (i) Persistent (repeated similar behaviors are documented on the student’s disciplinary record), and (ii) Unresponsive to targeted interventions as documented through an established intervention process.

Nothing herein shall be construed to prohibit the School Board from permitting or requiring student suspension pursuant to this section to attend an alternative education program provided by the School Board for the term of the suspension.

**Involuntary Transfer**

Students may be removed from one school and assigned to another for adjustment purposes. This usually occurs after other consequences have failed to correct behavior or in cases deemed appropriate by the principal, who makes a recommendation to the superintendent, and/or the superintendent’s designee.

**Expulsion**

Expulsion is the removal, for a minimum of one year, from all Loudoun County Public Schools. It is based on the recommendation of the principal to the superintendent and is approved by the School Board. This is the most severe disciplinary action and denies access to school facilities, programs, and activities.
EXPECTATIONS OF STUDENT BEHAVIOR
(Listed in alphabetical order)

All LCPS policies, regulations, and rules apply to students when they are:
1. present at any LCPS property
2. participating in or attending any school sponsored activity, regardless of the location, including to and from an event
3. going to or returning from school whether or not the student is walking, waiting for or riding a school bus, or is in a personal vehicle or any other mode of transportation
4. involved in conduct regardless of whether it took place off school property or at a school-sponsored event that disrupts school operations

Students are expected to conduct themselves appropriately at all times. They should know that everything they do at or away from school reflects on all of us. If you represent Freedom High School as a participant or spectator, you are accountable for your actions. In addition, you are held accountable for your actions from the time you leave home until you return home (including bus stops). Under Virginia law, certain illegal behaviors in the community, particularly if they result in criminal charges, can affect your status as a student. Any violation of policies may result in such disciplinary action as detention, in-school suspension, community service, Friday school, or out-of-school suspension as determined by the administration and based on School Board policy, Freedom High School rules, and the exact nature of each violation. Any student who violates school rules and policies on a continued basis may be suspended and recommended for further disciplinary action to include involuntary transfer, long-term suspension, or expulsion.

Audio and Video Recordings
Audio and video recording of students without their consent is strictly prohibited. This means, students cannot take a photo or video record a student or member of staff in school or at school events without their consent. Going against this rule will result in disciplinary consequences.

Avoiding Discipline Referrals
If you have a disagreement with a teacher during a class, follow the teacher’s direction but arrange to speak with him/her privately after class to voice your concerns in a respectful manner. Use the resources of your counselor or an assistant principal if you are experiencing a communication or behavioral problem.

Bullying: School Board Policy 8250
Loudoun County Public Schools is committed to a school environment that is free from bullying and cyberbullying. Please click here for detailed information about bullying.

Defiance
Students are expected to conduct themselves in a civil, respectful manner. School administration will not tolerate defiance of any sort, particularly if a staff member directs a student to do what can be reasonably expected. Defiant acts can result in a range of consequences.

Deficiencies (including laptop deficiencies)
All deficiencies must be cleared in order to participate or purchase tickets to homecoming, or prom. Seniors will not have the privilege of participating in graduation practice, which is required to attend the graduation ceremony, unless all deficiencies have been cleared. A deficiency is money owed to Freedom High School, for textbooks/materials damaged or lost,
athletic fees and equipment, etc.

All ninth graders will be issued a Chromebook laptop and a charger during their Health and PE class in the first week of school. Upperclass students keep the computers which were issued to them as 9th Graders. Students will be responsible for damages or lost laptops. The reimbursement price is approximately **$350 for the laptop and $30.00 for the charger.** Other charges may be invoiced for damage that is ruled to be intentional.

**Distribution of Literature or Other Materials**
Anyone wishing to distribute literature, information, or other materials on school property must first obtain permission from the principal, or the material may be confiscated. This includes distribution of materials through cell phones.

**Fights, Assaults and Threats**

**Bullying: Policy 8250**

Loudoun County Public Schools is committed to a school environment that is free from bullying and cyberbullying.

**A. Definition of bullying.**

- Bullying is the systematic and chronic infliction of physical hurt or psychological distress on another person. The Code of Virginia § 22.1-276.01 defines bullying as “any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. “Bullying” includes cyberbullying. “Bullying” does not include ordinary teasing, horseplay, arguments or peer conflict.”
- Cyberbullying refers to bullying by a student(s) towards another through electronic communication. Cyberbullying includes such things as sending mean, vulgar or threatening messages or images; posting sensitive private information about another person; pretending to be someone else in order to humiliate another person; and defamatory online social media websites.

**B. Characteristics of bullying.**

- Bullying involves physical and emotional behaviors that are intentional, controlling, and hurtful and create a harassing, intimidating, hostile or otherwise offensive educational environment.
- Bullying is any unwanted and repeated written, verbal, cyber, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create feelings of intimidation, alienation, or humiliation and which unreasonably interferes with the school performance or participation of others.
- Bullying behavior may be communicated openly and directly, or subtly and indirectly, in person or by other methods of communication, to include technology.
- Bullying behavior is a subtype of the broader concept of peer aggression and victimization; therefore, bullying prevention approaches must focus broadly on reducing all forms of aggressions and victimization, regardless of the intent, frequency, and power differential.
- Bullying behavior may include, but is not limited to, targeting a student’s actual or perceived personal characteristics including race, color, national origin, religion, sex, pregnancy, childbirth or related medical conditions, sexual orientation, gender identity, physical or mental ability or disability, age, genetic information, socioeconomic status, political affiliation, or on a student’s association with a person or group with one or more of these actual or perceived characteristics.

**C. Reporting Bullying Behavior.**

Any student who believes they have been the target of bullying/cyberbullying, or any other person in the school community who observes or receives notice that a student has or may have
been the target of bullying/cyberbullying, should immediately report the incident to a school administrator, counselor or faculty/staff member. Staff members shall take steps to prevent bullying and attempt to take developmentally appropriate steps to intervene with bullying. When allegations of bullying are reported to the principal, or designee, he/she shall investigate such allegations and/or incidents promptly.

D. Parent Notification.

The principal, or designee, shall attempt to promptly report any allegation of bullying, by or against a child, to the parent/guardian via telephone, personal conference, and/or in writing. The status of any investigation of an allegation or incident of bullying, as defined by this policy, shall be reported to the parent/guardian within five (5) school days or sooner. Notification must be consistent with the student privacy rights under the applicable provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA). At any time during the investigation it has been determined that criminal charges may be pursued against the perpetrator, all appropriate local law enforcement agencies should be notified.

E. Positive Behavior/Education.

1. Bullying prevention and intervention programming should include evidenced-based curricula, practices, and strategies. Incidents of bullying are to be reported and investigated as soon as possible. Developmentally appropriate interventions with students accused of bullying, as well as those identified as the victims, and resolutions of all complaints are essential to maintaining a safe learning environment. Records are to be kept and collected, and the data analyzed annually.

2. A school administrator should be designated as the bullying prevention coordinator at each school to oversee the implementation of the division-wide program that includes the following:

   a. annual training for faculty, staff and students on how to prevent and identify bullying, how to report suspected bullying, and how to take developmentally appropriate steps to intervene with bullying;
   b. steps for receiving, reporting and investigating complaints;
   c. parent/guardian education;
   d. privacy and confidentiality for all involved individuals;
   e. notification of law enforcement when it is suspected a criminal offense may have occurred; and

3. This policy should be prominently displayed on the division’s and individual school’s websites.

F. Staff and Administrative Response.

Bullying violations under this policy are prohibited and constitute grounds for interventions to include but not limited to Restorative Practices and/or student discipline ranging from in-school disciplinary measures to involuntary transfer, short or long-term suspensions and/or expulsion under school board policies. When investigating the allegation and/or incident, all of the surrounding facts, circumstances, severity, and age/developmental factors should be considered.

G. Monitoring.
The principal and designated assistant principal(s) are responsible for implementing, enforcing, and monitoring this policy.

**Dress Code:** [Policy 8270](#)

Loudoun County Public Schools’ student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes and that does not reinforce or increase marginalization or oppression of any group based on race, color, national origin, caste, religion, sex, pregnancy, childbirth or related medical conditions, sexual orientation, gender identity, gender expression, marital status, disability, age, or genetic information. The student dress code supports our goal of inspiring students to learn while leaving primary decisions around student clothing and style to students and their parents or guardians. Our expectation is that parents and guardians are responsible for ensuring student compliance with the school’s dress code, and students are responsible for knowing the student dress code and for complying during school hours and school activities.

**A. Values.**

Our values are:

1. All students should be able to dress comfortably for school and engage in the educational environment without fear of, or actual unnecessary discipline, or body shaming.
2. A student’s choice of clothing should not be blamed as a distraction to the learning environment, apart from specific violations of the dress code detailed in this policy.
3. Student dress code enforcement should not result in unnecessary barriers to school attendance.
4. School staff should be trained and able to use student/body-positive language to explain the code and to address code violations.
5. Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
6. Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible.

**B. Appropriate Student Attire.**

1. Students must wear:
   a. a shirt;
   b. a bottom: pants, sweatpants, shorts, skirt, dress, or leggings;
   c. shoes; and
   d. clothing required by specialized courses or activities, such as sports uniforms or safety gear. Students must dress appropriately for gym class, wearing clothing and footwear that permits for full and safe participation in all activities.

2. Students may wear:
   a. hats, including religious headwear;
   b. hoodie sweatshirts (hoods must be lowered during instructional time);
   c. fitted pants, including leggings, yoga pants, and “skinny jeans”;
   d. pajama pants and pajama shirts;
   e. ripped jeans, as long as underwear is not exposed;
   f. shirts with straps;
   g. athletic attire;
   h. clothing with commercial or athletic logos; and
any religiously or ethnically specific or significant clothing, head covering, or hairstyle, including hijabs, yarmulkes, headwraps, braids, locs, and cornrows.

3. Clothing and accessories in violation of dress code are those that:
   a. depict or promote illegal, violent, or lewd conduct;
   b. depict or promote the unlawful possession or use of weapons, alcohol, tobacco, drugs, drug paraphernalia, or other controlled substances;
   c. expose private parts;
   d. expose underwear (however, visible waistbands or straps on undergarments worn under other clothing are not a violation);
   e. are helmets or headgear that obscures the face (except as a religious observance or if medically necessary);
   f. are bathing suits;
   g. include language, slogans, symbols, icons, or images that are reasonably foreseeable to cause a material and substantial disruption or invade the rights of others and that amount to hate speech, are highly offensive or threatening to others, or impede or distract from the Board’s mission of instilling values necessary or appropriate for polite civil discourse or political expression in a school context, social tolerance, nondiscrimination, self-awareness and sensitivity to the feeling of others. For example, displays of certain symbols such as Confederate or Swastika images are perceived by many as racially hostile, are associated with racial prejudice, have been a source for conflict among students, and could result in hatred, ill will, and emotional trauma that are all inappropriate in the school context.

C. Dress Code Enforcement and Responsibilities

1. Staff are responsible for communicating and equitably enforcing the division dress code during school hours and school-sponsored activities. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a viewpoint neutral manner using the requirements below. Discussion about dress code violations shall be held privately and maintain the dignity of the student.
   a. Students will only be removed from spaces, hallways, or classrooms as a result of a dress code violation as outlined above. Enforcement should provide options for reasonable remediation of the infraction that demonstrates respect and minimizes loss of instructional time.
   b. No student should be disproportionally affected by dress code enforcement because of their gender or any other protected class such as race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size.
   c. Enforcement must be reasonably discreet. Students should not be shamed or required to undress or display their body in front of others (students, parents, or staff) in school. “Shaming” includes, but is not limited to: kneeling or bending over to check attire fit; measuring straps or skirt length; asking students to account for their attire in the classroom or in hallways in front of others; calling out students in spaces, in hallways, or in classrooms about perceived dress code violations in front of others; accusing students of “distracting” other students with their clothing.
   d. Enforcement may include disciplinary actions that are consistent with other discipline policies and sufficiently escalatory to encourage compliance, however, violations of the dress code should generally be treated as minor infractions unless repeated or egregious in nature (e.g. streaking, hate speech).
2. Students are responsible for complying with the division dress code during school hours and school sponsored activities. Students who feel they have been subject to discriminatory enforcement of the dress code should contact the Office of School Administration.

3. Parents or guardians are responsible for ensuring student compliance with the dress code. Parents or guardians of students requiring accommodation not otherwise covered in this policy should contact the school principal or principal’s designee.

**Grading and Assessment: Policy 5030**

By doing so, the student and parent/guardian acknowledge to accept the terms of this policy and the failure of any student to follow the terms of this policy or accompanying regulation may result in loss of computer or network system privileges, disciplinary action as defined in the Student Rights and Responsibilities handbook, School Board policy, and/or law.

*Limited Liability.* The Loudoun County School Board is not responsible for any information that may be lost, damaged or unavailable when using the computer system or for any information retrieved via the Internet. Furthermore, the School Board will not be responsible for any unauthorized charges or fees resulting from access to the computer or network system.

Weapons: Policy 8234

Possession or use of a weapon, loaded or unloaded, operable or inoperable, by a student while under the control or supervision of the school’s staff, at a school-sponsored activity, or on school property is prohibited. This policy is applicable to students at all grade levels. The term "weapon" is intended to be construed broadly and includes any instrument or device which, by its design or use, is capable of causing injury, harm, or threat of injury or harm to the physical well-being of another person as largely defined within both federal and state law. For the purposes of determining appropriate penalties for violations of this policy, weapons are classified as either Category A or Category B, except under specified circumstances.

A. Category A Weapons.
   1. Firearms, starter guns or any weapon that is designed or can be readily converted to expel a projectile by action of an explosion. Examples of firearms include any pistol, shotgun, rifle, or revolver;
2. Pneumatic guns, including a paintball gun, BB or pellet gun, or air rifle that use pneumatic pressure to expel a projectile; and
3. Explosive or incendiary devices, including those containing poison gas, acid or in the form of a grenade, rocket or bomb and any combination of parts either designed or intended for use in converting any device into any destructive device. “Destructive device” does not include any device that is not designed or redesigned for use as a weapon, or any device originally designed for use as a weapon and that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or other similar device.

B. Category B Weapons.
1. Any knife or other instrument or device that has a blade designed to cut or a point designed to penetrate, including a dirk, Bowie knife, switchblade, folding knife, ballistic knife, or machete;
2. Any gun or device designed to expel a projectile by any non-pneumatic or non-explosive action, including those using trigger, battery power or tension action. Examples include slingshots, bows, nail guns and toy shooting devices;
3. A stun weapon of any kind;

How do Students Request to See a Counselor?

The preferred method to request an appointment with your School Counselor is to email your School Counselor with the request, including in the email the purpose of your request and your Study Hall Block. If not possible, students may instead fill out a REQUEST TO SEE YOUR COUNSELOR GOOGLE FORM, counselor request form, and drop it off in the School Counseling Office. Your School Counselor will send an e-Hall Pass for you during your Study Hall, or your Early Release period.

*If you have an emergency (concern about hurting yourself or someone else), please report it to the School Counseling Office immediately.*

Unified Mental Health Team (UMHT)

Our mission is to address the social, emotional, and behavioral expectations of our FHS community. We will use a team-based approach, to provide educational and professional development, utilize prevention-based efforts, and respond to student needs with evidence-based interventions. UMHT is important because it provides an opportunity to discuss systematic issues pertaining to the delivery and evaluation of mental health prevention and intervention support across the school and create a plan to address any issues. If you are interested in learning more please reach out to the counseling department.

SCHOOL HEALTH OFFICE & INFORMATION

Parent/Guardian Contact Information
Emergency contact phone numbers and information must be kept up to date so we can reach parents/guardians if the student is ill or injured. The health office is open from 9:15 a.m. – 4:18 p.m. All student medications (prescription and over the counter) must be checked into the health office by a parent/guardian. Except for an emergency, students who are ill or need to visit the nurse must have a pass from their teacher and they must check in and out of the health office with the nurse.

Student Medication
All medicines should be administered to students by their parents at home if at all possible. Medicine administered at school will strictly follow the procedures described below. Any student who fails to follow these procedures or whose parents fail to follow them will be excluded from school until compliance is assured. The principal shall determine whether or not there is compliance with the provisions of this policy. If it is necessary that a medication be given during school hours, the following regulations must be followed:

Prescription Medication
- Medication must be brought to school in the original container with the appropriate label intact.
- Parent/guardian must bring medication to the nurse, health aide, or designee. Medication will be kept in a locked medicine area of the health office. If you ask, the pharmacy will give you an extra bottle for liquid or tablets with the proper amount of medicine and label for school.
- The physician and parent must complete the Loudoun County Public Schools Authorization for Medication Administration, click here for the health forms.

Non-prescription Medication
- Must be brought in by parent/guardian.
- Must be in an original package with the name of the medicine and instructions.
- Must have a signed and dated note the Authorization for Medication Administration from the parent/guardian regarding when and how much medicine to administer.
- Will be given according to the amount listed on the package for your child’s age and weight unless the doctor’s orders on a medication form indicate differently.

Emergency Life-Saving Measures
The parent of any student who has a condition that would require emergency, life-saving medication or other measures must inform the nurse of the condition and provide instructions from the attending physician on measures to be taken, including administering any medication. These instructions should cover measures to be taken while the student may be on a school bus or other times when medicine is not immediately available.

Safekeeping of Medicine
All medication must be kept by the school nurse or principal in a secure place known by and accessible to persons who may have to administer life-saving medication.

Medical Releases
Students who are returning to school after a hospitalization, surgery/procedure (tests, broken bones, concussions, etc.) should have a release from the physician. The release should include the following information: approval for the student to return to school, the activity level
allowed, any current restrictions, and the duration of stated restrictions. All release paperwork must be turned in to the health office upon return to the health office.

**Sick-day Guidelines**

Please keep your child home if he/she:

- Has a fever of 100.4 degrees or higher
- Has been vomiting
- Has symptoms that prevent him/her from participating in school, such as excessive tiredness or lack of appetite, productive coughing or sneezing, headache, body aches, earaches, or sore throat.
- Has a severe sore throat that could be strep throat even if there is no fever.
- Has any symptoms of illness or is not feeling well.

Keep your child home until he/she has been fever free for 24 hours without medication. Returning to school too soon may slow the recovery process and expose others unnecessarily to illness.
The FHS library program exists to provide a safe, accessible, relevant, inclusive, collaborative environment for the entire school community to become enthusiastic readers and critical, ethical, effective, and productive users of information in a global information society. STUDENT PARKING PERMITS/SENIOR PARKING SPOT PAINTING

It is a privilege for students to drive to school and park on campus. Loudoun County Public Schools provides bus transportation for all students who live within the Freedom High School bus attendance zone. Students are highly encouraged to use the transportation service provided by the school division.

However, those who choose to drive to school may apply for a parking permit, issued by Freedom High School. Multiple family vehicles can be included on the application. A parking permit is only issued to a student for the vehicle(s) registered on the application and may not be loaned or transferred to anyone else. The ownership of the parking pass is always retained by the school in the event a student withdraws from school, or has his/her parking privileges suspended or revoked.

This year LCPS will not be charging students for parking spots on school grounds. However, for safety reasons, students will be asked to apply for a spot and will receive a parking tag.

While the parking spaces are free of charge, seniors may paint their spot for a fee of $40.00. If you would like to personalize your spot you will need to pay the $40.00 when you register for parking through the new LCPS payment portal, School Cash Online. More details on where to submit your designs and when painting will begin will be sent to you when your parking spot has been confirmed.

On August 18th and 19th the parking application will be live for Seniors only and will close at 4pm on August 19, 2022. Parking spots will be allotted according to the time stamp on the application. If after these two days we having remaining spots, we will open it up to juniors. Everyone receiving a parking spot will be notified by 9 pm, August 23, 2022.

LUNCH

Loudoun County Public Schools has replaced MySchoolBucks with a new meal payment system, called TITAN Family Portal, for the 2022-23 school year. This new meal payment system allows students to put money on an account to purchase school meals or other food items in our school cafeterias.

This is how you register:

1. **Register:** Register at [family.titank12.com](http://family.titank12.com) by clicking on “Sign up today!”
2. **Confirm Email:** Confirm your email address by clicking on the email verification link sent to your email address.
3. **Sign In:** Now you can sign in at [family.titank12.com](http://family.titank12.com) using your email and password.

Any balance left on a student’s cafeteria account from the old system will transfer to the new system automatically. Within this new meal payment system, you will be able to transfer funds between student accounts. (For example, you can transfer funds from one sibling’s account to another.)

Allergy and food intolerance information will transfer to the new system. If there is any change to your student’s allergy and/or food intolerance information, you should enter it into ParentVue and contact the school nurse or health office specialist at your student’s school.

If your student(s) is not returning for the 2022-23 school year, please allocate the remaining funds balance on their meal payment account. You can donate or request a refund for their remaining balance by completing this form.

If you have any questions, please review our FAQs ([FAQs in Spanish](http://FAQs in Spanish)) or reach out to our School Nutrition Services office at CAFE@LCPS.org.
TIPS FOR A SUCCESSFUL YEAR.

Write down what you have to do for your assignments and when they are due.
We encourage you to keep track of your assignments and other school obligations. If a written
agenda is not successful for you, try to use an application and notification on your phone.
Whatever system you use, remember to use it regularly and refer to it often so you can stay on
task.

Keep up with classes.
Students who keep up with their work tend to be more successful than those who wait and do
everything at the last minute. Even if your teachers accept late work, you should not take
advantage of that. Those who work diligently on formative assignments, do better on
summative assessments.

Communicate with your teachers.
Get to know your teachers so that you can communicate with them effectively. When there are
circumstances that keep you from completing an assignment, let your teacher know
immediately. Remember that all teachers have an electronic, online presence. Figure out how to
get on your teachers’ online platform so you can keep up with the class even when you are
absent.

Know your school counselor and administrator.
Make sure you take the time to get to know your counselor. He/She is an invaluable source
when you are facing difficult issues with academics, teachers and administrators, friends and
family, etc.

Maximize your Eagles Study Hall time.
Remember that the more you get done at school, the less you have to do at home.

Avoid consequences which will take you out of the classroom.
Students learn best when they are in the classroom participating in learning activities.
