

## **Business Partnerships** Information

River Bend Middle School is looking to partner with area businesses to further improve the lives of our students, teachers, and community. We have certain “wish list” items from large expenditures such as a digital entrance sign to lower cost requests such as gift cards and/or coupons for student achievement recognition programs. You may either donate money or purchase times off our wish list. River Bend will acknowledge your business publically for contributions that you make.

We are excited about having businesses play an increased role ensuring River Bend as a true school of excellence. If you have questions or an interest in discussing a partnership, please contact Eric Fritz, Assistant Principal, by [email](#) or at 571.434.3220.

## Business Partnerships

### Partner Level

#### Yellow Level

Goods and services donated with value  
under \$500

- Recognized publically on our website and monthly newsletters.

#### Purple Level

Goods and services donated with a value  
between \$2,500 and \$500

- Recognized publically on our website, social media, and monthly newsletters. A plaque of recognition will also be displayed in the school.

#### Black Level

Goods and services donated with a value  
over \$2,500

- Recognized publically in on our website, social media, monthly newsletters, annual report, and Loudoun County Business Partnership Recognition Dinner. A plaque of recognition will also be displayed in the school.
