| Katie Finds A Job               | Manushkin, F | As Career Day at school approaches, Katie has great ideas for helping her friends present their future professions, but cannot think of a job that she would like to do.                                                                                    |  |
| Katie Saves Thanksgiving        | Manushkin, F | When a snowstorm causes the power to go out Katie and her parents think their Thanksgiving dinner with JoJo and Pedro is ruined, but by being a good neighbor, Katie saves the day.                                                                         |  |
| Katie Saves The Earth           | Manushkin, F | With Earth Day coming up, Katie decides to have a yard sale with her friends and recycle her old toys.                                                                                                                                                      |  |
| Katie Woo Has The Flu           | Manushkin, F | Katie misses school while she is home with the flu.                                                                                                                                                                                                         |  |
| Katie Woo, Where Are<br>You?    | Manushkin, F | While shopping with her parents in a mall, Katie helps a lost boy, not realizing that she may be lost, too.                                                                                                                                                 |  |
| Katie's Lucky Birthday          | Manushkin, F | Katie looks forward to celebrating her birthday at school, and then finds a way to make it even more special when her friend Pedro mentions that he has a summer birthday.                                                                                  |  |
| Katie's New Shoes               | Manushkin, F | When Katie outgrows her shoes, she and her friends JoJo and Pedro go to the shoe store with their mothers.                                                                                                                                                  |  |
| Katie's Spooky Sleepover        | Manushkin, F | Katie has a lot of fun with her friends at her sleepover, but when her lucky kimono goes missing, she's afraid a monster might have taken it.                                                                                                               |  |
| Moving Day                      | Manushkin, F | When Katie Woo's family moves, she is sad about leaving her room to a stranger, and even more concerned that the new house will never feel like home.                                                                                                       |  |
| Nervous Night                   | Manushkin, F | When Katie arrives at her grandparent's home for a sleepover, she becomes very nervous about being in a strange place all night.                                                                                                                            |  |

| No More Teasing           | Manushkin, F | The class bully loves to tease Katie Woo until she decides to ignore him.                                                                                                                                                                                           | 2011-2012 PA Reader's Choice Award |
|---------------------------|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| No Valentines For Katie   | Manushkin, F | Katie Woo is afraid that nobody likes her when<br>she doesn't get a special valentine like her school<br>friends.                                                                                                                                                   |                                    |
| On Top Of The World       | Manushkin, F | Pedro's family and his friends are spending the day at the amusement park, enjoying the rides and the snacks, so when they get separated from Pedro's brother, Paco, and their mother, a ride on the Ferris wheel seems like it offers an excellent way to spot     |                                    |
| Pedro And The Shark       | Manushkin, F | When Pedro gets separated from his class during a field trip to the aquarium, he manages to find them by taking a cue from a shark he saw swimming in circles.                                                                                                      |                                    |
| Pedro For President       | Manushkin, F | Pedro runs for class president against his friend<br>Katie Woo. When it's time to give his speech, he<br>can't seem to come up with anything. But his<br>goodness shines through in other ways.                                                                     |                                    |
| Pedro Goes Buggy          | Manushkin, F | Pedro fills jars with all the ants, ladybugs, and beetles he can find for a school project, but disaster strikes when his little brother Paco lets them all loose.                                                                                                  |                                    |
| Pedro The Great           | Manushkin, F | Pedro has a series of adventures when he pretends to be a pirate, meets a shark on a class field trip, builds a shaky tower out of cups, and takes karate lessons.                                                                                                  |                                    |
| Pedro The Ninja           | Manushkin, F | When Pedro enters the same karate class as his friends Katie and JoJo, he learns some of the ninja moves that he admires in the movies.                                                                                                                             |                                    |
| Pedro, First-class Friend | Manushkin, F | Presents four stories featuring a seven-year-old Hispanic boy named Pedro as he shows how good a friend he can be. In the first, a toy monster truck helps Pedro overcome his nightmares; second, Pedro overcomes a broken arm with the help of friends and family. |                                    |
| Pedro, First-grade Hero   | Manushkin, F | A collection of four separately published stories featuring Pedro, Katie Woo's classmate and friend.                                                                                                                                                                |                                    |

| Pedro's Big Break                      | Manushkin, F     | A young boy named Pedro is disappointed when<br>he falls off his bike and breaks his arm. His<br>friends and family come up with a plan to cheer<br>him up when he realizes he'll have to miss his<br>camping trip because of his broken arm. |                                                                                                                             |
|----------------------------------------|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Pedro's Big Goal                       | Manushkin, F     | Pedro would love to be the goalie in the team's first game, but another boy is biggerso all his friends come over to help him practice before the tryout.                                                                                     |                                                                                                                             |
| Pedro's Monster                        | Manushkin, F     | Despite his father's reassurances, Pedro is frightened by the monsters in his dreamsuntil he finds a way to use his love of monster trucks to defeat his dream monsters.                                                                      |                                                                                                                             |
| Pedro's Mystery Club                   | Manushkin, F     | Pedro decides to start a detective club in his backyard, just as his mom's locket goes missing along with his dad's phone. Pedro and his friends can't wait to solve their first mystery.                                                     |                                                                                                                             |
| Pedro's Tricky Tower                   | Manushkin, F     | Miss Winkle separates the class into teams and instructs them to build towers out of paper cups, and the group who builds the tallest tower winsbut they have very little success until Pedro has an idea about how it can be done.           |                                                                                                                             |
| Pirate Pedro                           | Manushkin, F     | When Pedro and his friends bring pirate day home from school, they have to decide who will be captainwhich is hard when they all want to be.                                                                                                  |                                                                                                                             |
| Red, White, And Blue And<br>Katie Woo! | Manushkin, F     | As Katie, her parents, and friends celebrate Independence Day with a parade, games, a picnic, and fireworks, the few things that go wrong do not interfere with their fun.                                                                    |                                                                                                                             |
| Star Of The Show                       | Manushkin, F     | Katie is sad when she is cast as an earthworm in her school play, because that means she cannot be the star.                                                                                                                                  |                                                                                                                             |
| Tricky Tooth                           | Manushkin, F     | Katie is the only one in her class who has not lost a tooth, but despite all of her efforts, her wiggly tooth refuses to come out.                                                                                                            |                                                                                                                             |

| Finders Keepers            | Mohr, C       | During recess Derek finds a five-dollar bill and begins thinking of all the things he can buy. He then runs into Robert who lost the money and Derek returns it.                                                                              |                                                                                                                                                             |
| Let's Jump Rope            | Mohr, C       | Simple rhyming text and photographs introduce learning young readers to the fun they can have while jumping rope.                                                                                                                             |                                                                                                                                                             |
| Snow                       | Mohr, C       | Simple text and illustrations relate a story about how a young girl named Jasmine goes outside and has fun on a snowy day.                                                                                                                    |                                                                                                                                                             |
| Then And Now               | Mohr, C       | A girl and her grandmother talk about the ways that modern technology differs from devices of years past.                                                                                                                                     |                                                                                                                                                             |
| Heather Has Two<br>Mommies | Newman, L     | When Heather goes to playgroup, at first she feels bad because she has two mothers and no father, but then she learns that there are lots of different kinds of families and the most important thing is that all the people love each other. | 2016 ALA Rainbow Project Book List<br>2016 CCBC Book List<br>2015 Parent's Choice Award Winner<br>National Education Association LGBTQ Recommended<br>Title |
| Growing Tomatoes           | O'neil, S     | This easy-to-read photo-essay examines how tomatoes grow.                                                                                                                                                                                     |                                                                                                                                                             |
| Needs                      | Parkes, B     | Introduces the concept of the basic needs in life such as clothing, food, and housing.                                                                                                                                                        |                                                                                                                                                             |
| Lost Mother                | Prince, S     | A boy and his mother go shopping and get separated. The boy retraces their steps throughout the grocery store, asks a clerk for help finding his lost mom, and finds her by the magazines.                                                    |                                                                                                                                                             |
| Pet For Me                 | Prince, S     | This short, color illustrated book uses simple words and actions to tell the story of a boy trying to find the right pet.                                                                                                                     |                                                                                                                                                             |
| Night Walk                 | Prokopchak, A | A family takes a walk at night to see if they can spot any wildlife such as deer, skunks, or owls.                                                                                                                                            |                                                                                                                                                             |
| Grab Bag                   | Randell, B    | When two children and their parents each purchase a grab bag at the store, the children receive a comb and toothbrush while their parents receive toys.                                                                                       |                                                                                                                                                             |

| Mother's Day                           | Randell, B | Uses colorful illustrations and simple sentences to depict how two children celebrate Mother's Day with their mom by making two cards and giving her breakfast in bed.                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
