

BYOT Device Management

For Android tablets, Chromebooks, and most laptops

Set up a folder on the desktop or home screen containing these items:

- Link to our school webpage (lcps.org/sycolincreek)
- Link to LCPS Go (go.lcps.org)
- Link to Reflex Math (reflexmath.com)
- Link to Raz-Kids (3rd Grade only, <https://www.kidsa-z.com/main/Login>)
- Link to Google Classroom (google.com/classroom)
- Link to Kahoot (<https://kahoot.it/#/>)

For iPads

Many of the web-based programs that students will visit contain flash.

It is necessary to download apps for these products for the programs to work on an iPad.

Suggested Apps

(Starting apps, individual teachers may request additional apps)

- DreamBox (no difference if “blue” or “green” and school code is: kwah/sycolince)
 - Reflex Student
 - Kids A-Z(3rd Grade)
 - Google Classroom
 - LCPSgo
 - Kahoot!
 - -PowerTest
 - QR Code Reader
- Link to our school webpage (lcps.org/sycolincreek)
