<ul style="list-style-type: none"> <li>The 1<sup>st</sup> Half/2<sup>nd</sup> Half designations in each block serve a dual purpose. In 6<sup>th</sup> and 7<sup>th</sup> grade, students have 45 minutes of resource time and 45 minutes of Fine Arts electives. For all grades, the 1<sup>st</sup> Half/2<sup>nd</sup> Half designates a split between live teaching (Synchronous Learning) and Learning Lab time. They will not follow that order each block and can be rearranged according to the lesson plan of the teacher, but equal time should be spent between Synchronous and Learning Lab time each block.</li> <li>Learning Lab is time dedicated for students to receive flexible small group, synchronous and/or asynchronous, instruction, and (in some cases) (in some cases) assessments during the specified block.</li> </ul>					

**Monday Office Hours:** These times below are not mandatory for students to be available during each window of time. It just lets students know when they connect with their teacher to receive assistance. Teachers may utilize Google Meet, Schoology, Email, or other forms of communication to stay in touch.
