

# Harper Park Middle School

## *After School Activity Permission Form*

\_\_\_\_\_ give permission for my son/daughter \_\_\_\_\_  
(Parent Name) (Student Name)

I understand that my son/daughter must abide by all rules and regulations of the school and also of those established by the sponsor of the after school activity. If my son/daughter does not abide by necessary guidelines, proper disciplinary action may be taken, which includes, but is not limited to dismissal from the after school program. I also give permission for my son/daughter to ride the after school activity buses, which provide regional transportation home.

\_\_\_\_\_  
**Parent Signature** **Date**

**Harper Park Middle School After School Activity** You Be The Chemist

**Name(s) of Sponsors** Mrs. Agrawal, Mrs. Gould

**Meeting Dates** Wednesdays in room A-7

**Meeting Times** after school until 4:20pm

Check out <http://www.lcps.org/hpms> for specific info about activities.

### **Reminders from the School Health Clinic for school sponsored after or before school activities and sports**

*If your child has diabetes, an epinephrine auto-injector, an inhaler, or other emergency medication at school, please notify the teacher/sponsor that your child has a health concern. The clinic is closed after dismissal and the nurse is not in the building. Arrangements need to be made to have medication available and to train staff. It is strongly suggested that middle and high school students carry their own inhaler and/or epinephrine auto-injector for quick access to medication. In order for the students to carry an inhaler, the physician must complete and sign the "Asthma Action Plan", form 11:14, giving his/her permission for the student to carry the inhaler and the parent and student must sign the "Parent/Student Agreement for Permission to Carry an Inhaler", form 11:14b. For students with an epinephrine auto-injector, the physician will need to sign the bottom of form 11:10 and the parent will need to sign form 11:10c under "Agreement for Permission to Self-Administer and/or Carry Epinephrine". In order for students with diabetes to carry any of their medical supplies, the diabetes form Part 4: "Permission to Self-Carry and Self-Administer Diabetes Care", needs to be signed by the physician, parent and student.*

**All forms are available on <http://www.lcps.org/page/2014> or from the nurse.**
