Recommended Action	That the Loudoun County School Board commend the 2017 ENERGY STAR certified buildings.

RESOLUTION OF THE LOUDOUN COUNTY SCHOOL BOARD COMMENDING 2017 ENERGY STAR® CERTIFIED BUILDINGS

WHEREAS, Loudoun County Public Schools has been a partner with the United States Environmental Protection Agency's ENERGY STAR Program since 1998; and

WHEREAS, Loudoun County Public Schools utilizes the United States Environmental Protection Agency's ENERGY STAR Portfolio Manager which enables entities to set energy targets, design to earn ENERGY STAR, monitor performance, and track progress towards ENERGY STAR certification; and

WHEREAS, taking advantage of the United States Environmental Protection Agency's ENERGY STAR Program has aided Loudoun County Public Schools to reduce energy consumption through conservation efforts in our facilities; and

WHEREAS, it is beneficial to invest in energy efficient buildings as well as in effective operations and maintenance of those buildings because reductions in energy consumption have produced utility cost savings of over \$70 million over the last twenty-two years, which has increased the funds available for instructional purposes; and

WHEREAS, ENERGY STAR certification indicates that a building is one of the top twenty-five percent most energy efficient buildings of like kind in the nation; and

WHEREAS, reductions in energy consumption also produce positive environmental benefits through reductions in greenhouse gas emissions and it is beneficial to make choices that are both economically and environmentally advantageous; and

WHEREAS, Making choices that are both economically and environmentally advantageous sets a good example for both students and the communities in which they live; and

WHEREAS, Loudoun County Public Schools has earned 2017 ENERGY STAR certifications for 66 facilities; and

NOW, THEREFORE, BE IT RESOLVED THAT, the Loudoun County School Board commends and congratulates the individuals and communities, which worked so hard to achieve a 2017 ENERGY STAR certification at the buildings listed below:
