

COMING FEBRUARY 2018 LCPS ANNUAL PARENT SURVEY

We Need Your Opinion!

Loudoun County Public Schools will be conducting the second annual parent survey between February 5th and February 16th to collect feedback about the school learning environment. Results of the surveys will be shared by individual schools and used in the continuous school improvement process. Your perspective of the academic supports provided to your child, communications, and school safety is very important to us.

Questions about the survey can be directed to the LCPS Research Office via email- research@lcps.org . Your participation is greatly appreciated!
