

The Justice Club

If you're thinking about a career in law as an attorney, or law enforcement as a police officer, sheriff's deputy, or Federal agent, or if you're just interested in learning about our legal systems, then the Justice Club is for you!

Learn about police procedures and equipment, as well as the legal and court systems. The justice club meets after school twice a month for about 45 minutes, conducts field trips, provides the opportunity to meet noteworthy guest speakers, and will host a career day... in addition to fun activities as we learn about the law.
